Front Lid	Front Door	Front Door + table on back Lid Table	Front Lid Table, Led light Master locking system	Front Lid + upper door Table, Led light Master locking system
				

This manufacturing concept was specially developed for the tours. These flight cases feature the latest technology and materials, combined with a unique design that ensures better ergonomics and strength.
The adjustable drawers allow easy storage of many types of equipment: microphones, DIs, wireless systems, cables, plugs, tools and small accessories, easily adaptable, for example, as a mobile office.

Our roadcases have the exterior dimensions of 600x600 and vary in height according to the series. series 80 - 800mm, series 100 - 1000mm and series 120 - 1200mm.

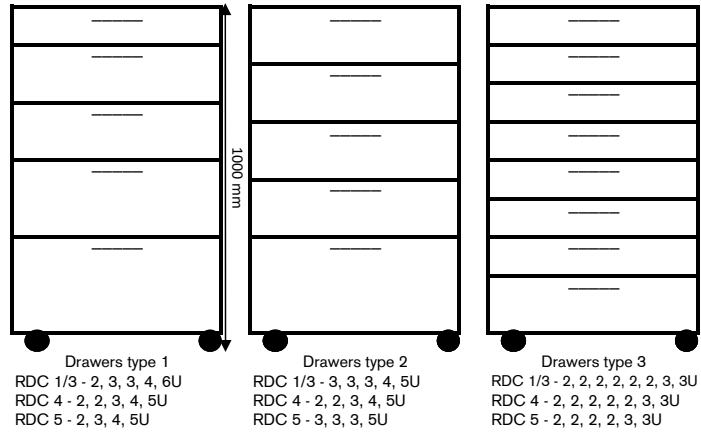

SERIE 80 (S80)
RDC 1/3-13U | RDC 5 - 10U

REF: RDC#.080## (# - n° of serie / ## n° of drawers)

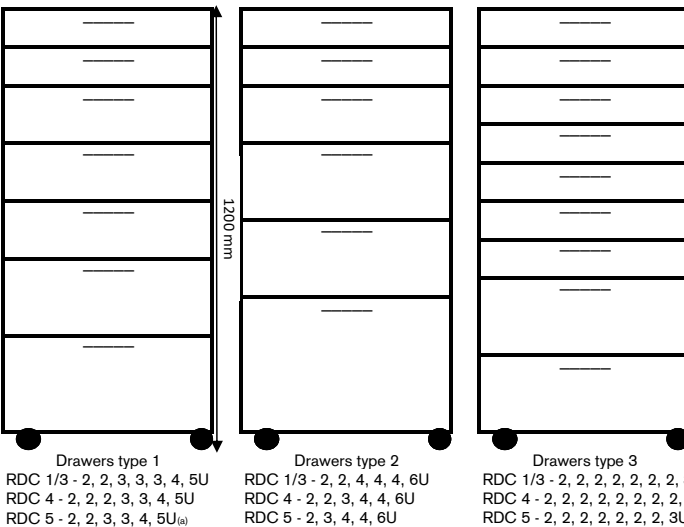

SERIE 100 (S100)
RDC 1/3-18U | RDC4-16U | RDC 5 - 14U

REF: RDC#.100## (# - n° of serie / ## n° of drawers)

SERIE 120 (S120)
RDC 1/3-22U | RDC4-21U | RDC 5 - 19U

REF: RDC#.120## (# - n° of serie / ## n° of drawers)

(a) - suitable for Microphones - RDC5.12006
1U = 45mm
