Whichford Woods Walk

Approx. 8.73 KM

- ① Turn right out of the distillery gates and walk along the grass verge until you come into the village of Whichford.
- ② You will pass a café and Whichford Pottery on your left as you enter the village.
- ③ Take the right hand turn at the war memorial, walking away from the pub.
- ④ When you reach Whichford house on your right, cross the road and go through a gate into a field. Follow the path up the hill, bearing right half way.
- ⑤ Go through a small gate and continue up the hill to join a path that runs along the edge of the field.
- ⑥ Follow the edge of the field path until you reach a sign post in the corner directing you into the woods.
- ⑦ Follow the woodland path round to the left.
- ⑧ The path goes downhill and when it forks, keep right to go up the hill towards the road. Take a right at the road and walk along the verge until you come parallel with a sign for Margett's Hill Barn- cross here to walk down the long driveway.
- ⑨ Follow the path between the buildings.
- ⑩ When you reach open fields, keep the hedge on your left hand side and continue straight.
- ⑪ Go through the silver gate in the corner of the field and continue down.
- ⑫ At the bottom there are 2 silver gates- take the right hand side one and follow the path around the edge of the field, downhill.
- ⑬ When you reach the middle of the valley, follow the yellow sign left through a large gap in the hedge. Continue downhill, keeping the hedge on your right.
- ⑭ Where the path forks, bear right and keep the hedge on your right through a short avenue. The field will open up and the hedge line will now be on your left- continue straight.
- ⑮ Follow the path into a smaller field. The path will turn into a track and emerge in the village of Cherrington.
- ⑯ When you reach the T-junction with the post box, go right and follow the road through the village.
- ⑰ At the corner by the thatched cottage, bear right following road signs to Stourton, Sutton and Brailes.
- ⑱ Continue on the footpath, passing a war memorial on your left and the village hall on your right.
- ⑲ Continue to follow the path until you see signs for the distillery...follow these and order yourself a nice Gin and Tonic when you arrive- you deserve it!
