BONGO BOARD

The Highest Challenge. The Highest Risk. The Highest Reward.

SKU: BONGO

Product Description

The Bongo Board provides a fun and challenging balancing experience. Due to its wide range of movement, it is recommended for intermediate and advanced users to improve balance and build muscle in the core, upper and lower body. It is also a great tool for strengthening ACL and ankle joints in patients undergoing injury rehabilitation. The Bongo board is versatile and portable, making it a great balance tool to take with you on the go!
