Safe, non-slip top and bottom surfaces

Adjusts to 3 levels: 26°, 38° and 42° degrees and folds flat

# SLANT BOARD

Increase Flexibility and Reduce Tightness

SKU: SLANT / SLANTL

## Product Description

The Slant Board is an effective device for stretching muscles in the leg - particularly the arch, calf, hamstring and hips. Its adjustability makes it an ideal stretching tool for beginners and professionals alike. It is well suited for use in a clinic, club, or at home.
