ORIGIN COLOUR

PROFESSIONAL PAINTS

Origin Colour is our paints collection with a palette of 120 beautiful shades perfect for use in both contemporary and traditional schemes. With products suitable for both interior and exterior use and specialist Lignapaint ideal for your barn or wooden building project.

Our colourists have worked closely with industry designers in flooring and wall coverings to ensure that we offer great potential for co-ordination, contrast and accents that harmonize with every aspect of your interior finishing.

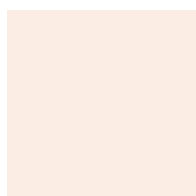

Individualism is further enhanced by our ability to create your own colour combinations and matches.

In creating our formulations we have ensured that we optimise performance, sustainability and coverage of our paints, whilst keeping value for money firmly in mind. The result is beautiful colours, excellent coverage and application, with long lasting performance.

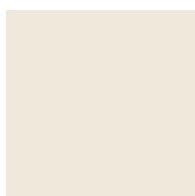

We look forward to being a part of your project.

**Individual
Colour Match**

VINYL MATT EMULSION

This flat matt emulsion is ideal for interior walls and ceilings. Our range offers neutrals, co-ordinates and accent colours from the collection or request an individual client match.

FEATURES

- Water-based
- Excellent opacity
- Very low sheen
- Quick drying
- Excellent colour retention
- Easy application

Finish: Matt

Pack Size: 2.5 Litres, 5 Litres

Application: Brush, Roller or Spray

Coverage: 15m² per litre

Recoat: 4 hours

SATIN TRIM PAINT

A perfect partner for all joinery both interior and exterior. Windows, doors and skirting boards as well as fascias and soffits all looking great with a gentle satin sheen.

FEATURES

- Water-based
- For interior use/external use
 - Low VOC
- Tough and durable finish
 - Excellent opacity and film build
- Good colour retention
- Superior flow properties
- Ease of use for brush, roller & spray application

Finish: Satin

Pack Size: 1 Litre, 2.5 Litres

Application: Brush or Roller

Coverage: 18-22m² per litre

Recoat: 4-6 hours

ACRYLIC EGGSHELL

Our Acrylic Eggshell is a water-based mid-sheen decorative emulsion that provides a durable, washable finish, resistant to condensation. Perfect for walls and interior woodwork.

FEATURES

- Water-based
- Excellent opacity
- Mid sheen eggshell finish
 - Quick drying
- Excellent colour retention
 - Easy application
- Durable & washable

Finish: Eggshell

Pack Size: 2.5 Litres

Application: Brush or Roller

Coverage: 10-15m² per litre dependant on substrate

Recoat: 2-4 hours

WATERBORNE SMOOTH MASONRY PAINT

Providing excellent weather protection to all masonry, brick and rendering in all 120 shades. Once again if you cannot find your chosen colour within our collection we will make it for you.

FEATURES

- Water-based
- Excellent opacity
- Low sheen
- Quick drying
- Excellent colour retention
 - Durable
- Easy application

Finish: Matt

Pack Size: 5 Litres

Application: Brush, Roller or Spray

Coverage: 10m² per litre dependant on substrate

Recoat: 1 hour

LIGNAPAIN

Designed as a barn paint ideal for wooden buildings and constructions. Works beautifully on many other surfaces such as concrete, brick, uPVC and galvanised steel. A true multi-surface coating.

FEATURES

- Water-based
- Excellent opacity
- 30% gloss level
- Quick drying
- Excellent colour retention
 - Durable
- Easy application

Finish: 30% Gloss Level

Pack Size: 5 Litres

Application: Brush, Roller or Spray

Coverage: 10m² per litre dependant on substrate

Recoat: from 30 mins dependent upon temperature
