Say what?!

Take a  
Look!

God writes his  
story in a book.

The Bible tells us all about God.  
God is the Creator of the universe.  
He has made everything in it.  
He is King of all he has made.

GENESIS 1:31A

God looked at everything he had made,  
and it was very good.

On day seven God rested from creating. God said everything was very good and he was pleased. The world was finished and **full** of life, just as God planned, and it was *perfect!*

God spoke, and in six days he made everything: day and night, the sky, sun, moon and stars, the sea, rivers and streams, land, plants, fruit and trees, and all the creatures in the sky, in the water and on land. But God saved the **best** until last. From dust on the ground, he made man and woman in his likeness.

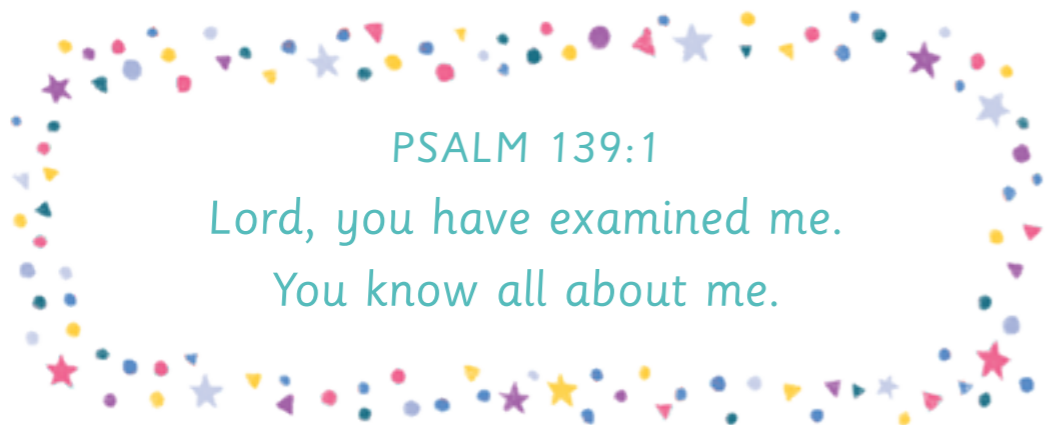

Say what?!

It is true!

God knows  
all about me  
and you.

PSALM 139:1

Lord, you have examined me.

You know all about me.

God knows how our planet works best because he made it. God knows about the seasons and the weather and about every plant, fruit and tree.

God knows about all the creatures on land, in the water and in the sky. God knows about each person, including you and me, because he made us.

Every day, in every moment, God keeps life going everywhere. God is Creator and King of **all** life. God loves each one of us very much and he wants to be our friend. *Fantastic!*
