

One day, long ago,
Jesus was teaching people by the sea.

Soon, some more people arrived.
Then others. Then more, **AND MORE**
– until there were people everywhere!

No one could see Jesus and no one
could hear Jesus.

Can you draw some of
the things Jesus was
teaching about?

So Jesus asked his friends, the disciples,
to push their boat out onto the water.

Now the people could all see and hear Jesus
as he told them all about God.

When he finished teaching the people,
Jesus said to his friends:

LET'S GO
OVER TO THE
OTHER SIDE OF
THE SEA.

Jesus had finished teaching the crowd,
and now he had something to teach his friends
– but they didn't know it yet...

So they all jumped in the boat with him
and set sail across the sea...
