

# ANGEL & ROCKET Kids shoe size MEASURING GUIDE

Print this page out at 100%

Do not fit to page.

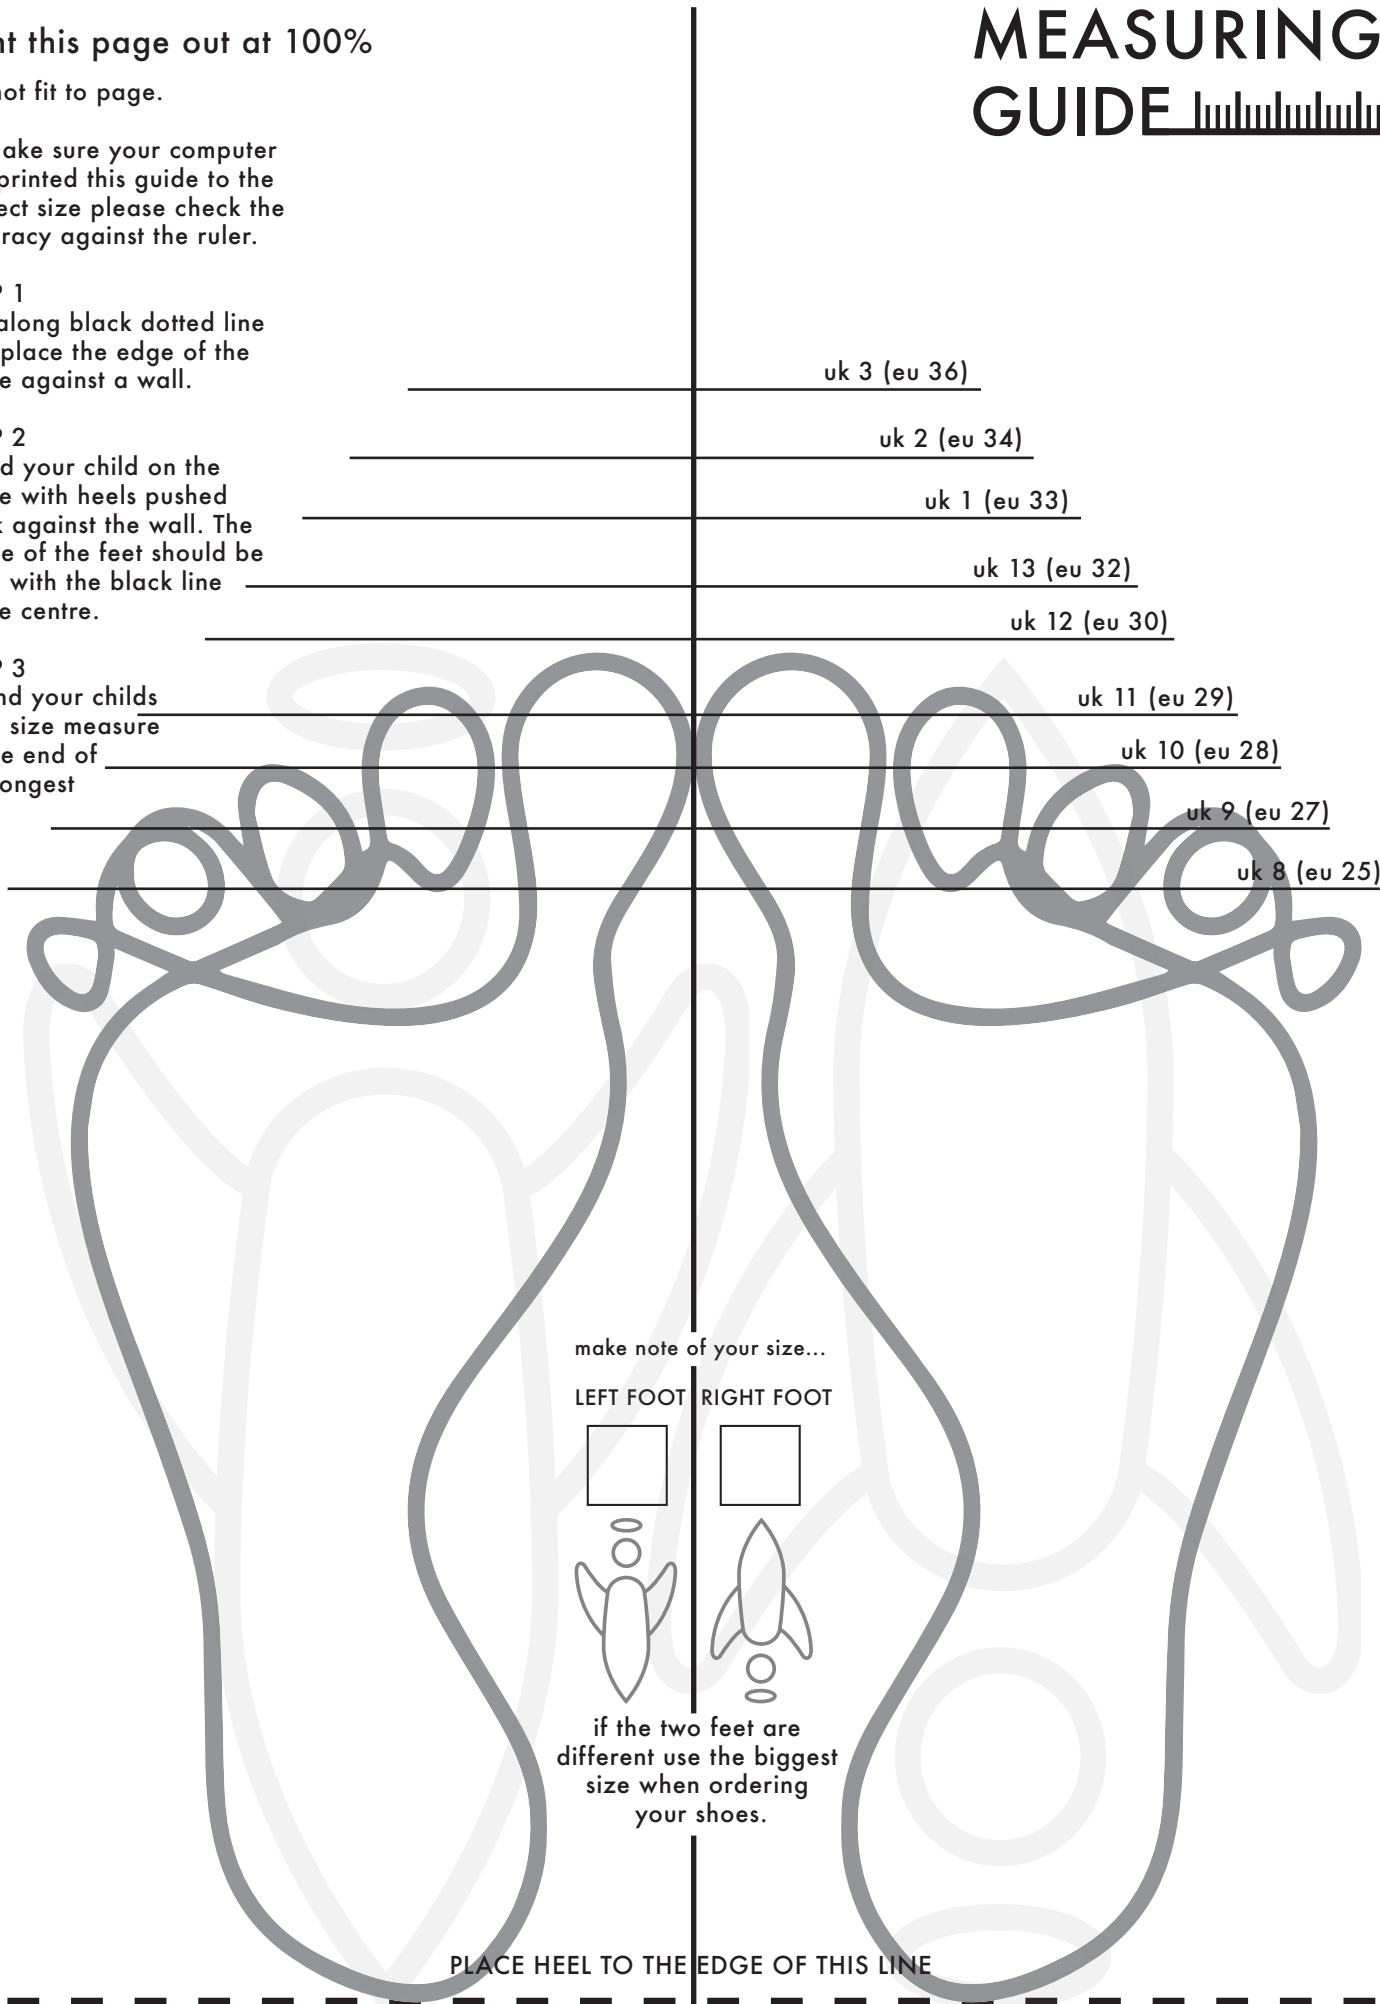

To make sure your computer has printed this guide to the correct size please check the accuracy against the ruler.

**STEP 1**  
Cut along black dotted line and place the edge of the guide against a wall.

**STEP 2**  
Stand your child on the guide with heels pushed back against the wall. The inside of the feet should be level with the black line in the centre.

**STEP 3**  
to find your child's shoe size measure to the end of the longest toe.
