Compass™ Sport GP605

The Golden Compass™ Sport features a stylish, sleek design built for maneuverability both indoors and out with durable, solid color injected plastic shrouds in red or blue for a sporty new look. It offers a range of comfortable seat sizes available in 16", 18" and 20" standard widths and an upgraded 22" wide seat. All four seat widths come with a luxury high-back Captain's style seat with a headrest for ultimate comfort when on the go. The Dynamic LiNX controller offers a better rider experience using patented Dynamic Load Compensation Technology, which improves the terrain climbing ability of the Compass Sport's patented springless articulating chassis. Learning to drive the Compass Sport is easier and a more natural experience than before!

New & Improved Features:

- Solid color injection molded plastics
- Nylon drive wheels for reduced weight and modern look
- Oil-embedded bearings for increased durability
- Silver powder coated arm beams
- Four reflective stickers
- Larger footplate
- Optional 50 Ah batteries for up to 34-mile operating range
