

EVOLVING THE MASSAGE EXPERIENCE.

Change the way you experience wellness with the **Human Touch® Super Novo 2.0**, which offers a captivating design and delivers an advanced 3D massage along the entire length of your spine and all the way down to your thighs. Choose from Meditation programs that combine a soothing soundtrack with your massage, helping you to focus your breathing and achieve a relaxed state of being. Or try the Yoga Studio program, which uses deep stretching and pressure to loosen and relieve pain from tight muscles.

THE PREMIUM
SOUNDS
of Super Novo 2.0

Built-in Sound Soothe provides immersive sounds of nature.

Downloadable Human Touch App allows you to control the chair, indulge in immersive meditation audio, and a range of other features from your Android or iOS device

4D MASSAGE PROGRAMS

While 2D massage programs massage vertically and horizontally, and 3D programs add depth, **4D programs** take massage one step further to include the dimension of **variable speed**. Massage strokes speed up and slow down mid-stroke, just like the hands of a professional massage therapist, for the most realistic massage yet!

ADVANCED FINGERTIP CONTROLS

Easily manage the chair's key functions at your fingertips using the convenient control panel.

- Power On
- Start the Default Auto Program
- Adjust Recline Position
- Heat On/Off
- Volume Control
- Restore the Chair to Full Upright Position

AUTO-WELLNESS PROGRAMS

Indulge in 38 programs, including full-body immersion, deep tissue and an effective collection of therapeutic relaxation and recovery programs.

INTELLITRACK MASSAGE TECHNOLOGY

Five intensity settings with a variable 3D massage experience that detects each individual's unique curvature of the spine, providing a truly personalized massage with just the right pressure.

CLOUD TOUCH ACUPRESSURE

Strategically placed, targeted aircells apply pressure to key healing points and manipulate your body to stretch muscles.

HEATED FOOT AND CALF MASSAGER

With underfoot rollers for optimized reflexology and adjustable intensity for knees, calves and feet, the extendable leg rest automatically adjusts for your height.

DUAL-LUMBAR HEAT

Adjustable and targeted heat gently soothes the back to loosen tight muscles and help relieve pain.

USB AND WIRELESS CHARGING

Conveniently charge your device using the built-in USB port or wirelessly charge your compatible phone to truly unplug without the fuss.

BATTERY BACKUP

Battery safety feature will enable you to incline one time to exit the chair in case of a power outage.

S- AND L-TRACK SYSTEM

Designed to move with the natural curves of the body, the L-Track extends high-performance coverage from your neck and shoulders all the way down to your glutes, while the S-Track closely follows the curvature of the spine.

FULL-BODY STRETCH

Our expansive "bend and stretch" functionality provides unprecedented leg and spine relief, increasing blood flow to the vertebrae and discs and rejuvenating the lower back, allowing you to recover with greater efficiency.

DEFY GRAVITY®

The zero gravity position cradles your back and elevates your legs above your heart, the position doctors recommend as the healthiest way to sit.

ACUPOINT® BODY SENSING

The Super Novo 2.0 rapidly detects your shoulder height to map your massage for maximum effectiveness. Manual selection option also available.

MEMORY SETTINGS

Take a load off and let the chair remember the last setting used for shoulder height detection method, time preference, remote beep, and Bluetooth with even more available in the Human Touch App!

SPACE SAVING DESIGN

Only 2" of rear wall clearance is required in order to pivot seamlessly from the upright to reclined position.
