

WHILL Model Fi

The Perfect Travel Power Chair Has Arrived.

Lightweight, foldable, maneuverable. The Model Fi allows you to explore your world with greater mobility and independence.

Experience the same performance and smart technology that WHILL is known for with a new foldable design.

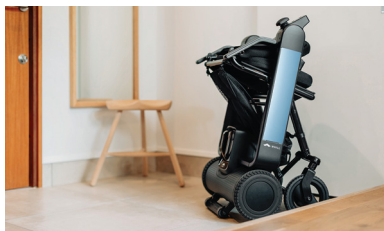

Foldable Design

Easily transport the Model Fi on buses, trains, and planes – or in the trunk of a car or taxi.*

When not in use, the Model Fi can be conveniently stored in a closet or out-of-the-way corner of the room.

*Model Fi is not to be used as a seat while it is being transported.

The information contained herein is correct at the time of printing, and we reserve the right to alter specifications without prior notice.

Lightweight

Weighing only 52.9 lbs., the Model Fi is one of the lightest power chairs on the market today.**

Top Speed

Range

Obstacle Clearance

30.7" turning radius for tight turns

Connect Intelligently

The WHILL app allows you to check key device information and drive the Model Fi remotely.

Drive remotely, lock/unlock, and manage speed settings via the WHILL smartphone app.

Drive with Peace of Mind

Stay engaged in activities and embrace your surroundings knowing the Model Fi will keep you safe while you ride.

Safely drives up or down 10° slopes.

**Weight is 58.9 lbs. if battery is not removed. Battery weighs 6 lbs.
