More information about [sheer fabrics](#) and [See Through Clothing](#).

Sheer fabric

Sheer fabric is fabric which is made using thin thread and/or low density of knit ... in other clothing has become more common in recent years ...

See-through clothing

See-through clothing is any garment of clothing made with lace , mesh or sheer material that allows the wearer's body or undergarment ...

Ultra sheer refers to very light [deniers](#) of [stockings](#) or [pantyhose](#), usually 10 or less. The denier of a stocking refers to the thickness of the [nylon yarn](#)

used in the fabric. The greater the denier, the more durable the material and less prone to tearing (or "getting a run"). Ultra sheer stockings have a very light transparency and a high sheen.
