

Updated Showroom Hours Due to COVID - 19

As we begin our trek towards normalcy, ACI will be reopening the showroom doors on a regular basis very soon. Beginning May 26th, the hours for the ACI showroom will be modified to 8:00am to 4:00pm. Monday through Friday (except for State Holidays). No appointment will be necessary. A representative will be available to answer any questions that you may have about all of the products we offer and offer guidance on any needs that you may have. We also can help address your COVID-19 requirements.

Thank you for your patience during this unprecedented time.

If you choose to visit the ACI showroom, we request that you follow the below guidelines from the CDC:

- Practice social distancing and remain 6 feet apart
- Do not gather in groups
- You may wear a facemask or protective covering for your nose and mouth

What we are doing to protect you:

- Our staff have their temperature checked every morning prior to opening.
- All showroom items are cleaned according to guidelines
- Our staff continues to practice social distancing
- Our staff wear facemasks in all common areas
- Hand Sanitizer is placed all around the showroom for your usage

Our mission remains the same. We continue to provide work training opportunities to the inmates of the Department of Corrections as well as provide our customers with quality products as a low cost. In addition, we want to continue to practice safe methods of meeting with you, our loyal customers.

We appreciate your patience and look forward to seeing you all again very soon. Feel free to contact us at 334-261-3600 or at aci.sales@doc.alabama.gov for any assistance that you may require.
