HEIGHT ADJUSTABLE TABLE

Rise Height Adjustable Table

This Cutting-edge Height-adjustable Table Is Designed For Optimal Functionality, Ensuring Seamless Digital Adjustment, Robust Specifications, And Customizable Options For Diverse Office Needs.

Digital Height Adjustment With 4 Dedicated Memory Functions.

Specifications:

- Adjustable height range: 575-1255mm
- Extendable frame range: 1080-1800mm to fit various desk sizes
- Top size options: 1200-1800mm
- Foot size selection: 600mm or 700mm

Innovative Design:

- No-hole leg design, ensuring a sleek exterior with no visible screws.

Options:

- Compatible with all handsets
- Compatible with various styles of feet
- Bracket available for crossbar support.

Performance and Safety:

- Load capacity: 1200N
- Max speed: 40mm/s
- Low noise level: <50db with no-load condition
- Anti-collision safety protection
- Low standby power <0.1W

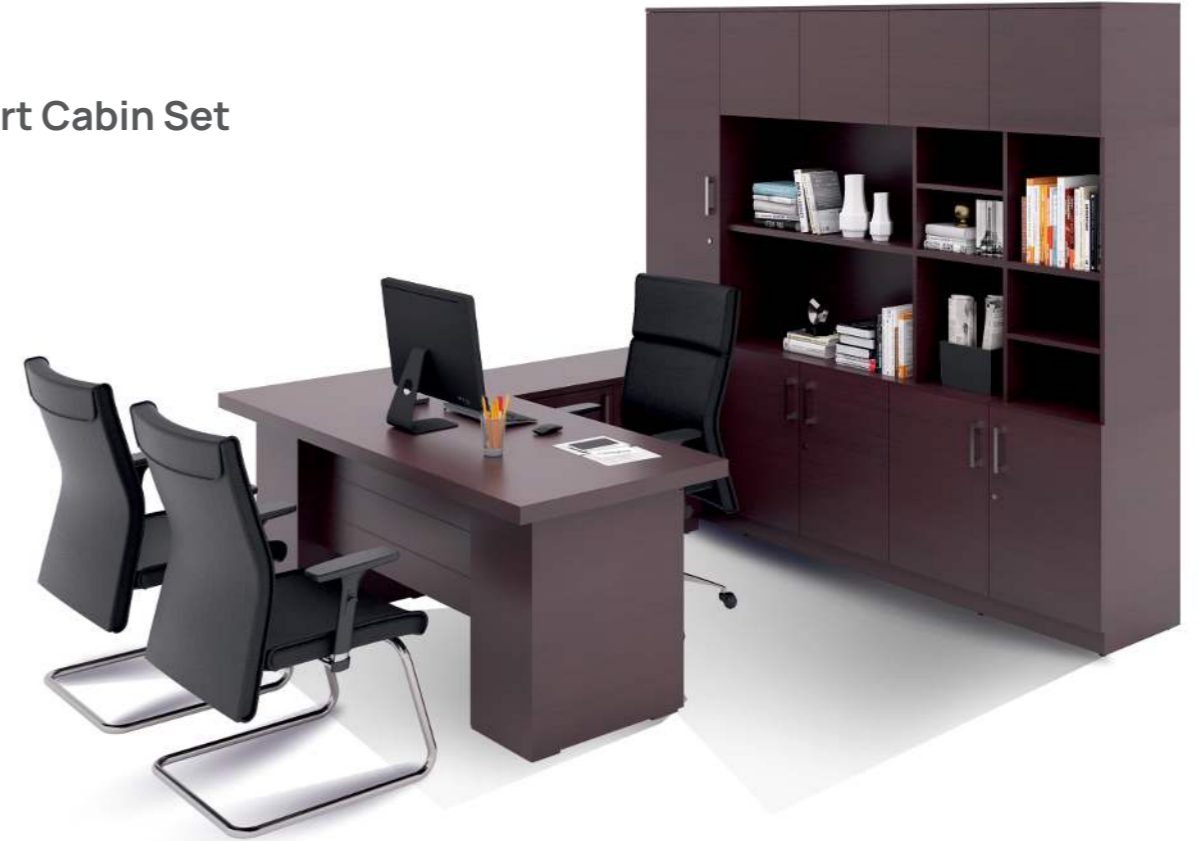

Standard Finishes:

- Powder coating in standard color: White (RAL9016)

Assert Cabin Set

Discover Assert Cabin Tables—a perfect blend of durability, distinctive design, aesthetic enhancements, stability, and thoughtful cable management, elevating your workspace with style and functionality.

Quality Construction:

- Boasts an exceptionally durable and sturdy structure with robust reinforcement for added stability.
- Chrome-finished leveller plate not only contributes to aesthetics but also ensures stability.

Cable Management:

- Incorporates an intelligent cable management system for a neat and organized workspace.

Modular Structure:

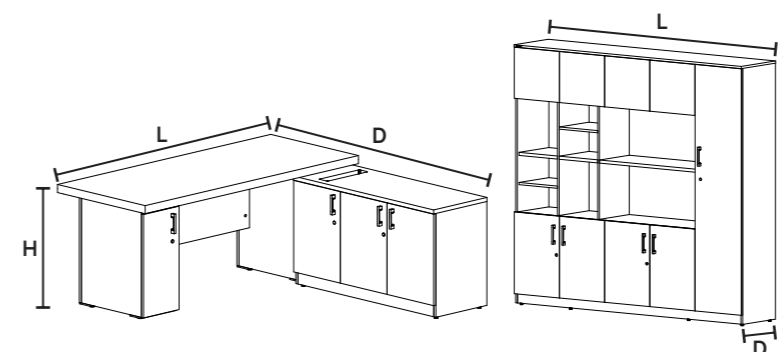

- Fully knockdown design for easy assembly and adaptability to different configurations.

Structural Elements:

- Showcases a unique design and profile, featuring a substantial 50mm thick top for a solid worksurface.
- Aluminum fluted accents add a touch of sophistication to the overall design.

Standard Finishes:

- Available in Classic Walnut
