When your Una X is fully charged with the power off, the light will turn off.

WAVEBLOOM™ AUDIO EXPANSION TECHNOLOGY

### EXPAND

Firmly hold grip plate and pop  
Una X out one side at a time.

### PLAY

1. Expand Una X.
2. Press the power button. ● Blue light: On
3. Press the Bluetooth button to begin pairing. ● Blinking blue light: Ready to Pair
4. Accept Una X on the sound source. ● Solid blue light: Paired

If you do not see Una X available on the sound source, make sure Bluetooth is turned on for both, your Una X is charged and your sound source is searching for available devices.

## STEREO SYNC

Once your POW Una X is paired with a sound source, you can sync a second Una X to split stereo L/R channels and boost amplitude for an immersive sound experience.

1. Power on the second Una X.
2. Press and hold the Bluetooth button on the first paired Una X for 3 seconds until the light blinks green ● and you hear the tone. It is now ready to sync.
3. Short press Bluetooth on the second Una X until you see a solid green light ● The second Una X is now synced.

---

## RESET

In case you need to reset Una X, hold down the power button for 8 seconds.
