

COMPOSTABLE POD | FRESH MILK

# BrewBar Pod

The BrewBar Pod offers exceptional coffee with the convenience of a single touch. Using eco-friendly 100% compostable coffee pods, this reliable and hardworking machine is keen to please and ensures a great tasting cup of coffee every time.

## AVAILABLE AT ALL TIMES

Enhance your work life with the BrewBar Pod - an ideal choice for smaller offices that seamlessly produces delicious espresso and milk-based beverages. The machine's adaptability to be connected to either a water main or its own reservoir tank adds to its versatility. Its compact size ensures it can fit comfortably into any workspace without taking up too much room.
