The BrewBar Pro is an excellent choice for larger office spaces, providing a superb speciality coffee experience with minimal hassle and the added feature of alternative milk options and iced coffee.

THE PROFESSIONALS FIRST CHOICE

Meet the advanced BrewBar Pro, your ultimate solution to hassle-free coffee brewing. This touch-screen coffee machine comes with a user-friendly media screen, making the process of brewing coffee seamless and effortless. With the BrewBar Pro, elevating your coffee offerings has never been easier. This comprehensive menu includes a variety of dairy and alternative milk options for coffee or hot chocolate, and even a full iced coffee menu. What's more, you can add a personal touch by uploading your corporate video or company story to the screen. Say goodbye to coffee brewing woes with the BrewBar Pro.
