

Infrared Flash Cure Unit

Reno HW is M&R's most economical infrared flash cure unit for automatic screen printing presses. Its press-mounted shuttle design delivers smooth, dependable operation in a sleek, compact package. Reno HW's digital temperature controller delivers accurate results, and its optional floor stand turns it into a multi-use flash cure unit that will suit the needs of many screen printing shops. With higher wattage for faster curing, Reno HW is an ideal infrared flash cure unit for M&R automatic screen printing presses.

All M&R screen printing flash cure units are backed by a limited two-year warranty. You can rest assured that M&R has you covered with best-in-class design, service and support.
