

Knit Me

July Beanie

GLOSSARY

PSSO

Pass the slipped stitch back over the stitch(es) just worked, to decrease the stitch count by 1.

SI

Slip the next stitch onto the right needle, as if to purl.

SKPSSO

Slip 1 stitch, knit the next stitch, then pass the slipped stitch over the knit stitch, to decrease the stitch count by 1.

YO

Bring the yarn over the needle before working the next stitch, increasing the stitch count by 1.

WHAT YOU'LL NEED

- ~50g fingering weight yarn
- 3mm needles
- 3.25mm needles
- Stitch marker
- Darning needle
- Gauge with larger needles = 28st/4"

NOTES

- This pattern only uses half a 100g skein of fingering weight yarn, which will leave you ~200yrds to make coordinating accessories, or a matching beanie for someone else!
- This pattern is written for my preferred level of slouchiness, but it is extremely customizable! If you prefer more or less drape, simply lengthen or shorten the body section accordingly.
- If you prefer a folded brim, work until double the length suggested in the pattern.
- All slipped stitches are done as if to purl.

BRIM

With smaller needles, cast on 144

2x2 rib for 2.5" or desired length

Knit one round

Purl one round

Switch to larger needles for the remainder of the pattern.

NOTE

I used the Old Norwegian cast on, but any method which has some stretch will work.

LACE PATTERN

R1: *sl1, k2, pssso the last 2 st, k3* to end

R2: *k1, yo, k4* to end

R3: *k3, sl1, k2, pssso the last 2 st* to end

R4: *k4, yo, k1* to end

Repeat lace rounds 1-4 for 6" ending on R4.

NOTE

To stay on track, your yo should always be between the 2 stitches with the pssso, and your pssso decrease should always be centred over the yo 2 rows below.
