Creating Useful Space From Limited Space

Dear Treasured Friend,

Kitchen baskets have become the major storage source in every kitchen in this era. You cannot doubt on **EXCEL** kitchen baskets as they are made of **high quality grade SUS 304 stainless steel** which is guaranteed rust-proof and highly resistant to corrosion and scratching. These baskets are highly space-saving and functional. They comes in different designs and sizes to serve your needs better and allows you to organize different sorts of kitchen items; still compact to fit in your cabinets.

With the new D.I.Y concept and easy installation, you are just one step away to improve your kitchen storage facility with limited space! Having a wonderful kitchen makes every dish a healthier and a delicious one.

Utilise Your
Kitchen Space
With Elegance
And Quality

Magic Pull Out System 2+2 Basket

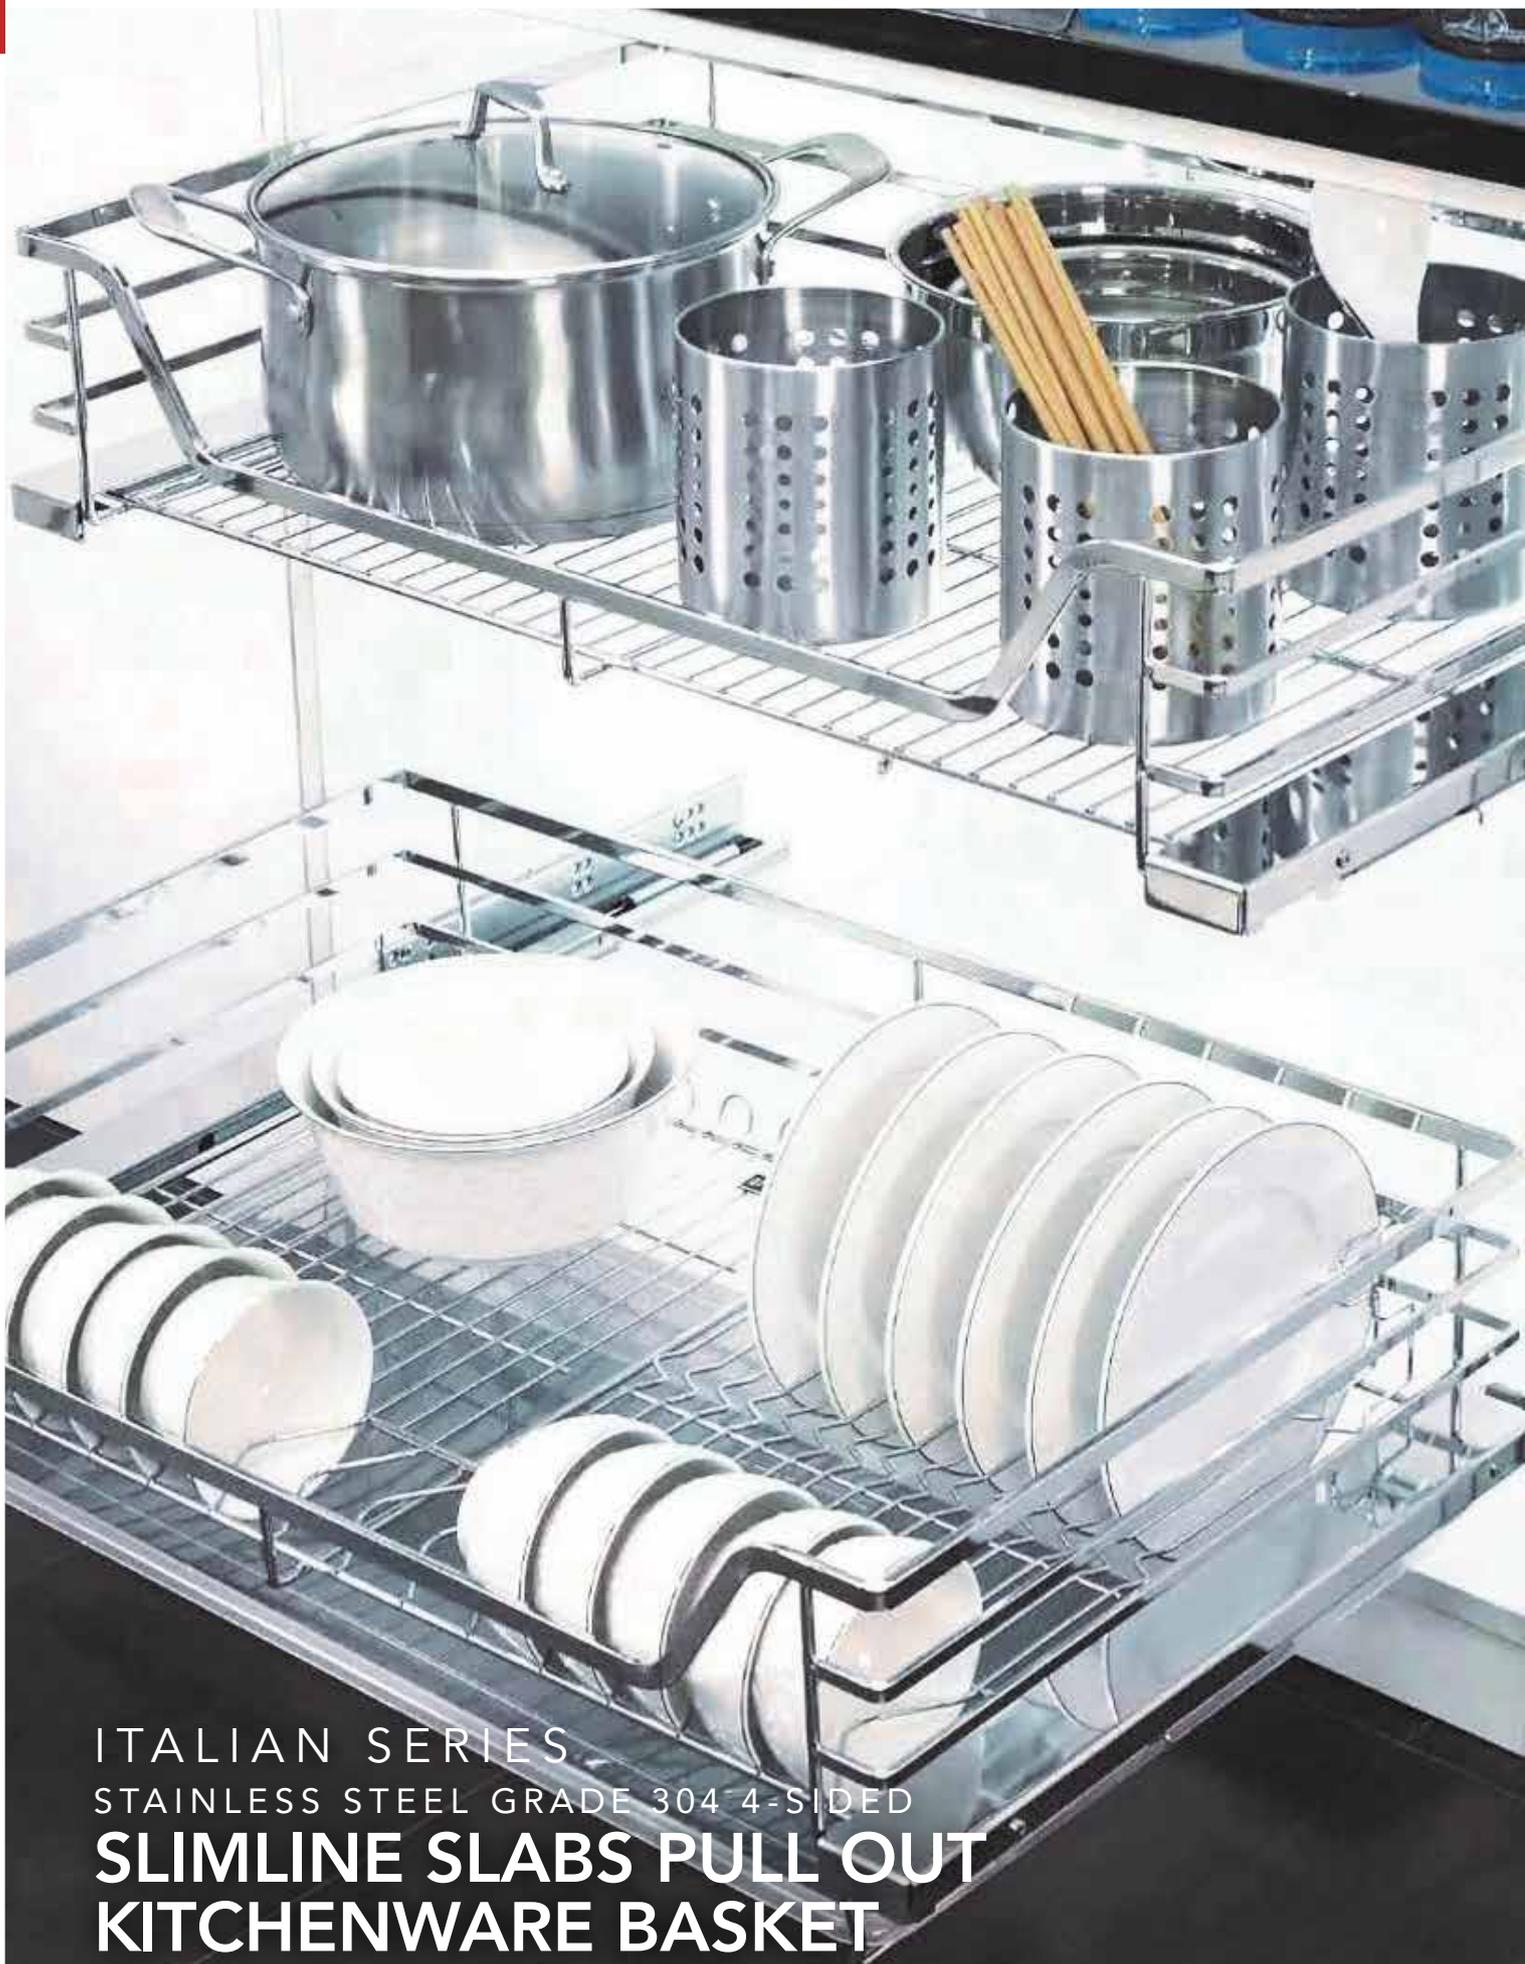

If you have a kitchen with an L-shaped layout, space will be at a premium and you will find yourself at a loss on how to store additional utensils, cutlery and foodstuff. Installing extra storage units may help but they will only make the kitchen more claustrophobic.

With our magic basket, however, your problems will be solved. Its innovative construct integrates two vertical mounts that can hold four wire mesh baskets. The unit is designed to slot neatly into your existing cabinet without any tampering to the doors or interior of the cabinet and it is available in configurations compatible with both left and right opening cabinets.

This product was awarded **BEST CHOICE 2012** in the category of (Best Space Saving Basket System) from Home + Living Singapore.

MAGIC SLIMLINE SLABS PULL OUT SYSTEM 2+2 KITCHENWARE BASKET

The magic slimline 2+2 kitchenware is every kitchen person's dream. Its rectangular flat surface with guiding blinds provide the perfect piece to accommodate a whole lot of items such as tea kettle, colander, casserole dish, cake pan, mixing bowl, cookie cutter, etc.

It is built on a very strong mount with different hinges interwoven to it. This does not only give it an aesthetic view but also provides the much-needed support and balance should in case the basket is full to the brim.

Model No.
E022S-SUS304

Price
\$876.00

EXCEL Magic Basket can be deployed in just three steps:

Simply pull out the first mount to reveal the first two baskets.

Sliding the first mount to the side will let you access the other two basket that were previously hidden from view.

The rectangular design of each basket optimises every possible space within your cabinet, leaving no room for "dead corners". In this way, you can store as many items as you can. As **EXCEL** Magic Basket like a drawer system, you no longer have to kneel down or empty a certain part of your cabinet to get what you want again! You now get convenience and comfort all at once!
