

## PRINTABLE SIZING CHART

### Stand2Walk Shoes

Here's an easy guide to help ensure the footwear you order will fit your little one.

#### PRINT

Print out this sheet with the print settings on "Actual Size" or 100% and check it for accuracy below.

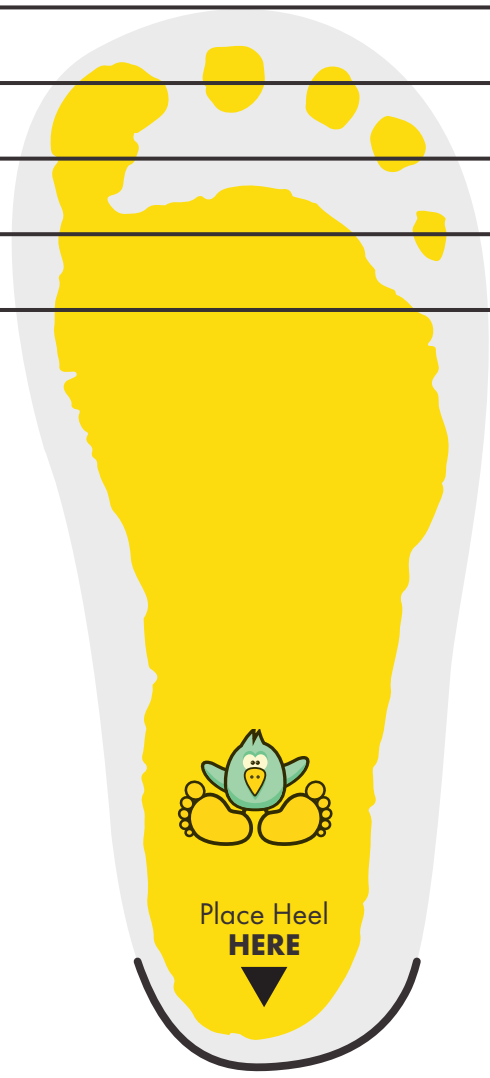

#### STAND

Have your little one stand on the sheet with their heel lined up on the indicated spot.

#### MEASURE

Measure both feet and note the size. If they're different sizes, the longer is your child's shoe size.

SIZE	LENGTH
6	13 cm
5	12 cm
4	11 cm
3	10 cm

#### Print Accuracy Check

Place a credit card over this space and if the card fits, the paper size is correct.
