## INTRODUCTION

### About your Personal Reading

This reading was composed for you personally, Julie, and is based on your full name at birth, your date of birth, and the name you now use to introduce yourself. Please check your birth data on the title page to make sure the names and date of birth used are correct.

If you have two or more middle names or last names, you may find the names strung together. This is necessary to make Transit and Essence cycles function correctly. For example, the name John Patrick Henry Hancock would appear on the title page as John PatrickHenry Hancock.

Julie, your Personal Numerology Reading describes all aspects of your chart as they are understood in numerology, accurately and in-depth.

Each chapter starts with a short introduction telling you where this particular number is found and how it affects you. This is followed by the number itself. Often, you will find a double digit number followed by a single digit.

The meaning of your number is then explained in easy to read language. Julie, you don't need to know anything about numerology to be able to enjoy and benefit from this reading.

I hope you will enjoy your reading.

## LIFE PATH

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. Julie, you have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Personality

Chart!

### ***Your Life Path is 26/8***

Julie, you are gifted with natural leadership and the capacity to accumulate great wealth. You have great talent for management in all areas of life, especially in business and financial matters. You understand the material world; you intuitively know what makes virtually any enterprise work. Your talent lies not with the bookkeeping or petty management, but with the greater vision, its purpose, and long range goals.

You are a visionary and a bit reckless. You possess the ability to inspire people to join you in your quest, but often they are incapable of seeing what you see. Therefore, those around you need your continual guidance, inspiration, and encouragement. You must prod them into action and direct them along the lines of your vision.

You attract financial success more than any other Life Path, but effort is required.

Julie, your challenge in life is to achieve a high degree of detachment, to understand that power and influence must be used for the benefit of mankind. Those born with the Number 8 Life Path, who do not understand the real and relative value of money are bound to suffer the consequences of greed; they run the risk of losing it all!

You must learn to bounce back from failures and defeats. You have the character and resilience of a true survivor. It is not uncommon for a person with your Life Path to experience major reverses, including bankruptcies, financial failure, but you also have the talent and the sheer guts to make more than one fortune, and build many successful enterprises. More than most people, your failures in marriage can be extremely expensive for you.

Despite the difficulties that life presents, you will experience the satisfaction that comes from material wealth and the power that comes with it.

Business, finance, real estate, law, science (particularly history, archeology, and physics), publishing, and the management of large institutions are among the vocational fields that suit you best. You are naturally attracted to positions of influence and leadership -- Politics, social work, and teaching are among the many other areas where your abilities can shine.

You are a good judge of character, which aids you well in attracting the right people to you.

Most 8s like large families and sometimes tend to keep others dependent longer than necessary. Although jovial in nature you are not demonstrative in showing your love and affection.

The desire for luxury and comfort is especially strong in you. Status is very important. You must be careful to avoid living above your means.

Julie, your Life Path treads that dangerous ground where power lies -- and can corrupt. You may become too self important, arrogant, and domineering, thinking that your way is the only way. This leads inevitably to isolation and conflict. The people you run the risk of hurting most are those you love, your family and friends.

Be careful of becoming stubborn, intolerant, overbearing, and impatient. These characteristics may be born early in the life of an 8 Life Path, who often learn these negative traits after suffering under a tyrannical parent or a family burdened by repressive religious or intellectual dogmas.

Those with the 8 Life Path usually possess a strong physique, which is a symptom of their inherent strength and resiliency.

## **PERSONALITY**

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

### ***Your Personality is 12/3***

Julie, you are highly attractive. Many men with a 3 Personality are very handsome; women are often strikingly beautiful.

Your vibration is full of life. You are uplifting, inspiring, and charming. You are a fun person to be around. Your wit and sparkling personality make you the life of a party.

You are extroverted and optimistic. You appreciate fine clothing and jewelry, and enjoy dressing up a bit. You like glamour, and are sought after by the opposite sex.

You are a romantic. Julie, you fall in and out of love rather quickly. You are affectionate and giving.

Do not let your charm be an incentive to play too much. Work at developing deep and lasting relationships. You have to avoid scattering your attention for popularity.

You can be flippant about commitments and may dramatize or exaggerate.

Your wit can cause you to rely too much on superficial, humorous conversation.

You have a distinct "lucky streak" that attracts many opportunities throughout your life. You also have a knack of promoting yourself as well as inspiring others. When backed up by hard work and self-discipline, these qualities almost ensure your success.

## **KARMIC LESSONS**

Numerology is based on the understanding that we enter life with certain strengths and weaknesses. Karmic lessons are areas that we are currently weak in and must be faced and worked on in this life. There can be more than one Karmic Lesson. These are indicated by the absence of certain numbers in your name.

The letters and numbers of your name point to talents and abilities that you possess. These characteristics can be compared to a workshop in which certain tools are available to you. Missing numbers, those that are not represented in the letters in your name, imply tools that are unavailable, and must be learned and mastered during this lifetime.

You may well recognize your Karmic Lessons as weaknesses you have learned to overcome in the course of your life, however, the challenges implied in your Karmic Lessons will continue to come up occasionally for the rest of your life.

### ***You have a Karmic Lesson 6***

Julie, you have a major issue with commitment and responsibility to others.

You have a hard time committing to marriage and other important personal relationships. You have to learn to show true emotion.

You may feel isolated and alone, but do not understand why. The reason is that very often you form relationships yet remain heavily guarded, putting up a show of emotion without truly communicating affection or care. This can make the bond between you and others superficial. You must learn to establish sincere relationships.

Julie, you will learn the importance of close friends and lasting relationships. You will learn to give and, when necessary, sacrifice. This is the one true way to true friendship and lasting love.

The effects of this Karmic Lesson are diminished if you have at least one 6 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

### ***You have a Karmic Lesson 7***

Julie, you need to deepen your knowledge and talents in a specific discipline. You lack the will or determination to perfect yourself or a specific talent you possess. You must learn to be your own critic, without self condemnation, in order to bring your abilities to their full development.

You will learn not to take things at face value. A superficial understanding of important matters will prevent you from experiencing the satisfaction of your true potential.

The effects of this Karmic Lesson are diminished if you have at least one 7 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

### ***You have a Karmic Lesson 8***

Julie, you can attract a considerable amount of money and even be a good business person, but you experience major ups and downs in your financial affairs, due largely to your lack of caution in handling your resources.

You are highly independent and do not want to be told how to do things. You have great problems with authority figures. This stems from a kind of know-it-all attitude and stubborn behavior that prevents you from knowing your limits.

You will have to work at knowing how to handle money. In all likelihood, you will attract enough of it, but it has a tendency to slip through your fingers. This Karmic Lesson forces you to learn your limitations, and the limitations of your resources.

Learn to be efficient.

The effects of this Karmic Lesson are diminished if you have at least one 8 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

## **CHALLENGES**

Each of us is born with both strengths and weaknesses. Numerology looks at life as if it were an educational process that is meant to bring out and enhance our talents, and turn our weaknesses into strengths. This serves to complete our being.

The job of becoming whole is one in which we must face our weaknesses and consciously work to improve ourselves. There are four Challenges to be faced during our lives. For many of us, the same challenge is repeated, while others have four distinctly different lessons to learn.

The Challenges on your life's path provide specific lessons that you must attend to, and, in order to inspire and help you, life will place you in situations that require the specific characteristics of your Challenge numbers.

The four Challenges you are required to overcome during the course of this lifetime will influence you during different periods of your life, except for the Third or Main Challenge, which lasts from birth until death. The Challenges are fluid periods of your life, not confined to specific years so much as general periods. All of your Challenges are present at birth, like actors standing in the wings.

## THE FIRST CHALLENGE

The duration of the First Challenge usually lasts from birth until approximately the age of 30 to 35.

### ***Your First Challenge is 2***

Julie, you are overly sensitive and too aware of other peoples' expectations. You suppress yourself to avoid feeling conspicuous. You can be overwhelmed by self-consciousness. You fear gossip about you. As a result, you become inhibited. All of this results in a suppression of your own individuality and uniqueness. You yearn to blend into the crowd.

You let your own feelings and emotions play too big a role. Your hypersensitivity causes fear, timidity and lack of self-confidence. And you experience unnecessary fear and emotional turmoil.

Little things seem disproportionately difficult to overcome and sometimes have a paralyzing effect. Jealousy can cause much pain and misunderstanding.

These negative aspects of the challenge actually spring in part from positive characteristics you possess, especially your acute awareness and intuition. You are an antenna for other people's feelings; you know before a word is spoken how they feel.

Julie, you lack the inner strength to maintain your own center, and try to conform to the prevailing emotional atmosphere.

This challenge makes you understanding and compassionate; you have an enormous empathy for the inner turmoil of others and can do much good for people with emotional problems.

## THE SECOND CHALLENGE

The Second Challenge usually lasts until the age of about 35 to 40.

### ***Your Second Challenge is 1***

You must learn to be independent. Julie, you will be forced to stand up for yourself and your rights. You will be faced with situations in which you will have to choose between standing up for what you think is right versus giving in to another person's demands. You will have to struggle to strengthen and know your own will power.

You will have to learn to be firm and trust your judgment. Don't run with the crowd, be an individual. This whole lesson represents the frontiers of your consciousness. Therefore, you will have to experience much trial and error, sometimes exploding with bursts of aggression, other times being intimidated and letting frustration and anger build within you until you are ready to act on your deepest instincts.

Julie, you will learn your own set of values; you will develop into an individual with original and innovative ideas.

If you have 1s in your core numbers or in your Hidden Passion this challenge will not be as difficult to learn, or as strongly felt.

### THIRD CHALLENGE

This Challenge carries much weight and will be felt throughout your life. For that reason, it is also called the Main Challenge.

As you master this challenge, your life will come more and more under your own control. You will incorporate the positive aspects of the challenge into your character. This is its purpose in the first place. Therefore, there is implicit in the challenge a chance for great reward.

In short, this may be the secret to your success.

### ***Your Third Challenge is 1***

(This Challenge is the same as the Second, as described above.)

### THE FOURTH CHALLENGE

The Fourth Challenge is most strongly felt during the latter part of our lives, beginning at the age of approximately 45.

### ***Your Fourth Challenge is 3***

Julie, you are your own worst critic. You suppress your individuality and

creativity. Each time you want to make an impression, you doubt yourself beforehand, and criticize yourself ruthlessly afterward. Your criticism of yourself is far more severe than anyone else's.

As a result, you tend to play it safe by staying on the surface, indulging in superficialities. You rarely express what goes on deep inside of you; instead, you cover up your feelings with humor or perfunctory remarks.

You often feel alone and lonely.

Julie, your fear of social interaction causes you to strain conversation by making too many jokes and forced joviality.

It may help you to find a creative outlet for your imagination, possibly through writing, painting, singing or dance.

At the bottom of the challenge is an effort to bring out your true self. You will learn to truly value your own creative talents above anyone else's judgments. This must be viewed as a process of individuation, in which you become a whole human being, independent and free of the need to conform to others.

## **PERSONAL YEARS**

Your Personal Year number is a strong indication of the trends and circumstances you will experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and therefore run concurrent with the calendar year. Transit and Essence cycles are based on the letters of your name and run from birth date to birth date.

There are nine personal year numbers, which makes up a complete Epicycle. Each Epicycle reveals the progression or evolution of a specific part of your growth. Julie, your progress along this Epicycle can be seen very logically, from the infancy or beginning of a growth period in your life, to the conclusion or culmination of that process. The 1 personal year indicates your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle. Below is a description of your current Personal Year. It indicates where you are on the 9 year Epicycle.

The Personal Years form the building steps that mark your progress through life.
