In Depth Functions:

• Power On: Press the ⏻/▶❙ button for 3 seconds when the device is off. (BLUE LED will slowly flash and hear a "power on" beep).
• Enter Pairing Mode: In power off mode, press the ⏻/▶❙ button to power on the device and then sequentially hold on for 5 seconds. (BLUE LED and RED LED quickly flash alternately with "pairing" voice).
• Pairing: Use the wireless function on your mobile phone or other wireless master device to perform pairing action. Find "HOTTIPS" in your device's wireless settings.
• Play/Pause: Press ⏻/▶❙ to play when the device is paused and press ⏻/▶❙ to pause when the device is playing.
• Volume Up: Press "+" to turn volume up.
• Volume Down: Press "–" to turn volume down.
• Previous/Next Song: Press "–" for 1 second to go to a previous song/track, press "+" 1 second to go to next song/track.
• Power Off: Press the ⏻/▶❙ button for 3 seconds when the device is on (hear a "power off" voice beep and all LEDs will turn off).
• Low Battery Warning: Hear a "battery low" voice beep and the RED LED will flash.

In Depth Functions Continued:

• Charging: Charge using the included Micro-USB to USB cable by connecting to a computer USB port or other powered USB outlet (RED charging LED will turn on).
• Answer Call: Press the ⏻/▶❙ button once while the call is coming.
• End Call: Press the ⏻/▶❙ button once to end call.
• Transfer Call Voice: Press the ⏻/▶❙ button for 2 seconds to transfer between two phone calls or an incoming call.
• Reject Call: Double press the ⏻/▶❙ button to reject call when the call is ringing.
• Connect Two Calls Simultaneously: Press the ⏻/▶❙ button for 3 seconds to power on the device, then keep pressing the button for 5 seconds to enter pairing mode. Find the name of device on two mobile phones, then press "HOTTIPS" for pairing and connecting.
• Hold Call: When you receive a call from the first phone/device, press ⏻/▶❙ to receive the call. At that time, there is a call from the second phone/device, press the ⏻/▶❙ button once to hold the first call and receive the call from the second phone/device.

Charging Your Device:

1. Connect the charger to the charging socket on the headset.
2. During charging, the LED indicator light will turn RED.
3. The RED LED indicator light will turn to BLUE when the headset is fully charged. Your Hottips!® Wireless Earbuds are now ready to be unplugged from the Micro-USB to USB charger!

Attention:

1. Please read through this user manual closely to ensure your safety before and while using Hottips!® Wireless Earbuds.
2. Take caution of any edges, uneven surfaces, metal parts, and packaging to prevent any possible injury or damage.
3. Do not modify, repair or dismantle Hottips!® Wireless Earbuds. Doing so may result in fires, electric shocks, complete breakdown of Hottips!® Wireless Earbuds, etc. All if which are not covered under warranty.
4. Do not use any dilutents or volatile liquid to clean Hottips!® Wireless Earbuds.
5. Do not use Hottips!® Wireless Earbuds in a hazardous location.
