

Z I P ACOUSTIC DIVIDER SCREEN

Pimp My Office

Z I P dividers are designed to divide larger areas into quieter, more functional spaces, providing an easy and cost-effective way to minimize the noise and visual distractions found in today's open work environment. Constructed from 100% recycled PET materials, Z I P dividers absorb up to 85% of ambient noise and easily zip together to create an innovative acoustic solution that allows workers to be more focused and productive while maintaining the benefits of collaboration.
