In the Blender:

Kiwi Fruit Seed Oil

Golden oil bursting with essential fatty acids to nourish and repair dry, cracked and rough skin.

Chia Seed Oil

Oil extracted from the superfood that helps smooth and condition nails and cuticles.

Raspberry Seed Oil

Cold-pressed oil with a high antioxidant content to help rejuvenate damaged skin, moisturise and improve elasticity.

Cranberry Fruit Extract

Fruit extract packed full of vitamins A and C to help boost collagen production, fight free radicals and keep skin healthy and youthful.

Sesame Seed Oil

A plant oil with a fatty acid profile that helps seals in moisture and smooth the skin.

Glycerin

Derived from organic flaxseeds, this moisturiser locks in water, keeping skin feeling smooth and dewy.

Panthenol

Made from pantothenic acid found in plants, also known as vitamin B-5, helps improve moisture retention in the skin and reduce irritation by improving skin barrier function.

See skinjuice.com.au for the full ingredient list.

How to Juice
