

MULTI JUICE

Micellar Cleansing Skin Drink

Multi Juice is a micellar skin drink that can be used as both a gentle cleanser and a toner. Use it to refresh, cleanse, balance and hydrate skin in one easy step.

Suitable for:

Oily and combination skin types.

Targets:

Dehydration, breakouts and congestion

Smells like...

Refreshing and zesty - chopped citrus, cucumber and herbs aroma.

Feels like...

Fresh and clean, like a micellar water.

Why we love it:

Cleanses

Oil balancing

Refreshes skin

Hydrating

Purifies

Pregnancy + breastfeeding safe

Vegan

How to Juice:

Home:

Use in place of a toner.

Step 2 at night and step 1 in the morning when using the Skin Juice Daily Diet.

- Soak a cotton pad in Multi Juice and gently wipe over your face. Do not rinse. Follow with a Skin Juice moisture product.

Professional:

- Used throughout a facial to tone and hydrate the appropriate skin types after cleansing or mask removal.

Retail talking points:

- Multi Juice can be used in place of a toner, but also as a pre-cleanse or cleanser.
- This micellar skin drink is able to remove makeup.
- This healthy cleansing tonic is free from alcohol and harmful chemicals such as PEGS.
- Multi Juice can also be used as a perfect one-step cleanser when travelling, camping, or any time you need a quick and easy waterless cleanse.

- As part of the Skin Juice Daily Diet, we recommend skipping the morning cleanse. However, some customers feel like they need to cleanse after a morning workout and sweating. This is the product we would recommend for that.
-

About this squeeze:

Cleansing:

- Multi Juice is a hydrating skin tonic, with the added benefit of being a micellar cleanser. Micellar cleansers contain micelles – tiny oil droplets suspended in a water formulation – that latch onto dirt, makeup and excess oils, without drying or sensitising the skin.
- Coconut oil latches onto makeup and dirt while naturally occurring AHA's gently exfoliate the skin.
- Lemon myrtle, lime and pink grapefruit contain anti-bacterial and anti-microbial benefits that further cleanse the skin and fight breakouts.

Hydrates + balances:

- Hyaluronic Acid and Aloe Vera work together to hydrate the skin after cleansing.
 - Multi Juice's more acidic formulation gently rebalances pH and strengthens an impaired acid mantle, further protecting the skin against irritation and bacteria.
 - Soothes and calms redness with anti-inflammatory chamomile and cucumber.
-

In the Blender:

Aloe Vera Juice

Soothing and anti-inflammatory plant extract that locks in water to increase hydration levels.

Multifruit®

A blend of naturally occurring AHAs that gently refine and exfoliate the skin, leaving it smooth, balanced and cleansed.

Hyaluronic Acid

A hydration magnet that helps to plump and smooth the skin.

Organic Cucumber Extract

Anti-inflammatory oil packed with antioxidants to soothe redness and irritation.

Organic Chamomile Flower Extract

Soothing essential oil to help reduce redness and cool sensitivity.

Sodium Cocoyl Glutamate

A gentle cleanser, derived from coconut sugars.

Spirulina

Chlorophyll rich powder extracted from non-toxic algae that helps to relieve inflammation and remove toxins.
