In the Blender:

Shea Butter

Moisturising oil butter extracted from the nuts of the African Shea Tree that helps restore skin elasticity and rebuild the protective barrier function.

Raspberry Seed Oil

Cold-pressed oil with a high antioxidant content to help rejuvenate damaged skin, moisturise and improve elasticity.

Pink Grapefruit Peel Oil

Essential oil rich in lycopene to reduce inflammation and helps protect against cell damage.

Kakadu Fruit Extract

Extracted from the world's highest known fruit source of vitamin C, this super antioxidant will help reduce collagen breakdown and cell damage.

Rosehip Fruit Oil

Nourishing plant oil packed with protective vitamins and antioxidants that hydrate and soothe the skin as well as aid the healing process.

Pomegranate Seed Oil

Antioxidant rich oil that helps prevent collagen breakdown.
