In the Blender:

Kaolin Clay

Clay mineral that gently refines excess oils, extracts and cleanses impurities, and helps fight bacteria.

Shea Butter

Moisturising oil butter extracted from the nuts of the African Shea Tree that helps restore skin elasticity and rebuild the protective barrier function.

Bentonite

A powder derived from volcanic ash that can soak up and remove impurities and excess oil.

Davidson Plum Fruit Extract

Australian native that is antioxidant-rich and behaves like an AHA, helping improve skin tone, promote cell turnover and hydrate cells. Also assists in balancing the skin's natural oil production.

Dragonfruit Fruit Extract

Fruit extract packed with antioxidants and vitamins C and E that help moisturise skin, ease inflammation, reduce breakouts and signs of ageing.

Acerola Fruit Extract

Fruit extract from a South America that helps protect against free radical damage, boost collagen production, brighten skin tone and moisturise skin.

Watermelon Seed Oil

Lightweight fruit oil with anti-inflammatory properties to help soothe irritation and redness.
