### In the Blender:

#### Mango Seed Butter

Nourishing oil butter derived from the seed that calms sensitivity and sedates inflammation.

#### Organic Shea Butter

Moisturising oil butter extracted from the nuts of the African Shea Tree that helps restore skin elasticity and rebuild the protective barrier function.

#### Organic Cocoa Butter

A creamy nut oil butter high in antioxidants and fatty acids that help to deeply hydrate, brighten and protect the skin from free-radical damage.

#### Honey (and) Maltodextrin

Powdered form of honey and polysaccharide that drives moisture into the skin and helps to soothe irritated skin conditions.

#### Vanilla Bean

Balancing essential oil with anti-inflammatory properties, that can help to soothe and calm irritated skin.

#### Kakadu Plum

Extracted from the world's highest known fruit source of vitamin C, this super antioxidant will help reduce collagen breakdown and cell damage.
