SUPERFOODBrightening Face Oil

Superfood is a nourishing face oil, made up of 23 super ingredients, to provide a breathable layer of protection, enhancing hydration and resulting in luminous, soft and youthful skin.

Suitable for:

Most skin types.

Targets:

Dryness, dehydration and signs of ageing including dullness and skin tone + texture

Smells like...

Vibrant and exotic fruity aromas

Feels like...

A lightweight, non-greasy nectar that absorbs quickly.

Why we love it:

Plumps

Brightens

Nourishes

Protects

Provides a non-greasy dewy glow

Pregnancy + breastfeeding

How to Juice:

Home:

Step 3 at night when using the Skin Juice Daily Diet. See retail notes for additional usage information.

- Press 1-3 drops of this golden oil onto the face, neck and chest and allow to absorb.
- Avoid massaging onto the skin pressing the oil onto the skin allows it to penetrate deeper and more
 effectively, verse massage which can 'wipe' the oils away. Pressing also reduces friction or dragging the
 skin, which can cause irritation and inflammation.

Professional:

- · Can be applied to the appropriate skin types before applying the Infusive Peel Mask.
- Can be applied to the skin within a facial massage or used as the final moisture product in a facial treatment.

Retail talking points:

This face oil replaces a night cream. Free from emulsifiers and emollients like traditional night creams
which can coat the skin and can result in blocking the pores and natural oil flow, inhibiting the skin's
natural rebalancing function overnight.

- Boost a morning skincare routine with a couple of drops of Superfood applied before moisturiser. You can even try and mix a couple of drops to foundation to help achieve a healthy, dewy glow.
- Apply to damp skin to help the oil absorb faster and to also lock the water into the skin, increasing hydration.

About this squeeze:

Nourishes + protects:

- A concentrated and complex mix of 23 nutrient dense plant oils that are 100% skin digestible, meaning that the oils can travel deep into the layers of the skin via intercellular pathways.
- Moisturises and hydrates from the inside with essential fatty acid rich blueberry, kiwi and raspberry and Omega 7 rich sea buckthorn berries.
- Enhances hydration levels and leaves the skin feeling nourished.
- Nourishing sunflower, camelia and jojoba oils help rebuild a depleted lipid layer, protecting the skin from dehydration and minimising irritation and breakouts.
- · Anti-inflammatory turmeric and chamomile help to sedate redness.

Plumps + combats signs of ageing:

- Natural active commipheroline converts essential fatty acids into fats that feed and plump cells within the adipose tissue layer, giving the skin fullness and bounce.
- · Padinami, a form of micronized algae, helps increase the production of skin supportive collagen.
- Antioxidant and vitamin rich pomegranate and red raspberry protect healthy skin cells against free radical damage.
- Skin compatible oils feed the dermal layer and trigger stronger cell production, for a healthier and more youthful looking skin.

In the Blender:

Sea Buckthorn Seed Oil

Antioxidant and essential fatty acid rich plant oil that protects and plumps the skin from the inside out.

Prickly Pear Seed Oil

Anitoxidant rich plant oil that brightens the skin, stimulates new cell growth and helps restore elasticity.

A boosted micronised brown algae extract that is clinically proven to increase collagen production and reduce signs of ageing.

Turmeric Root Oil

Padinami®

Anti-inflammatory oil that reduces redness and blemishes.

Commipheroline®

An anti-wrinkle super ingredient that increases fat storage in the cells to plump the skin from within.

Chia Seed Oil

Oil extracted from superfood that contains a high concentration of alpha-linolenic acid, an important essential fatty acid, that helps soothe, calm and nourish the skin.

Blueberry Seed Oil

Healing essential fatty acid oil that penetrates the skin to protect healthy skin cells from free radical damage.

Pomegranate Seed Oil

Antioxidant rich oil that helps prevent collagen breakdown.

Raspberry Seed Oil

Cold-pressed oil with a high antioxidant content to help rejuvenate damaged skin, moisturise and improve elasticity.

Kiwi Fruit Seed Oil

Golden oil bursting with essential fatty acids to nourish and repair dry, cracked and rough skin. See wholesale site for the full ingredient list.

Banned from the Blender

Polyethylene glycol (PEGS), silicones, artificial colours, artificial fragrances, mineral oil, parabens, phenoxyethanol, drying alcohols.
