We also introduced pink tutu dresses to our shop for Spring adventures!

And a new bow style.
Introducing,
the "Jane" bow!

Our Jane Bows are big, extra droopy, flowy, light weight, and made for long haired babes. Available in 6 different spring 2.5"-3" wide vintage trims, measuring about 4.5-5" across in width. Made with extra long tails, the Jane bow was inspired by babes with long locks. Super cute clipped into half up // half down hairstyles, and more!

And our Jane bows pair perfectly with our line of pink tutu dresses!
