

# MelodySusie Gel Nail Polish Kit User Manual

Thank you for choosing MelodySusie! Please read this user guide carefully and keep it in an accessible location as you may refer to it later.

## Prep Guide

1. Push back cuticles and trim nail surface

2. File, shape, and buffer nails

3. Clean the nail and remove all dust

## Application Guide

1. Apply a thin layer base coat then cure under UV/LED lamp for the 60s

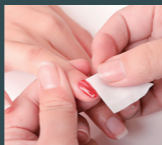

2. Apply a thin layer color gel then cure under UV/LED lamp for the 60s

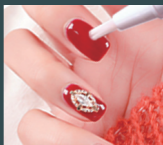

3. Repeat step 2, apply the 2nd layer or 3rd layer, until get the full color

4. Apply top coat then cure under UV/LED lamp for the 60s

5. Wipe both 2 sides of the color gel with the alcohol to remove the tacky layer

6. Finish with cuticle oil

## Warm Tips

1. Please remember the preparation step is one of the essential steps to keep gel polish last longer.

2. Be sure to seal the edge of nails with top coat by swiping the brush to avoiding chipping.

3. Apply thin coat each layer (Thinner makes stronger). Thick coats are hard to cure fully and easy to peel off.

4. Please DO NOT apply gel polish to nails that damaged or infected.

5. Please take SKIN TEST every time before doing a manicure in case causes an ALLERGIC REACTION.

## Warranty and Customer Service

MelodySusie offers a 6-month limited warranty on quality-related issues.  
Please register on our website to extend your warranty.
