Steps for returning for a refund

1. Fill in return form and place with item
2. Place all emails and copies or receipts with item
3. Pack item in a bag / Box
4. Do not use tape on item box or on item
5. Item must be as new and not used (if returning for a refund)
6. We recommend sending by a tracked service

Steps for returning for a replacement under warranty

1. Fill in return form and place with item
2. Place all emails and copies or receipts with item
3. Pack item in a bag / Box
4. Email us to see which part we need back
5. We may only want part of an item sent back (only for replacements under warranty)

Refund or Replacement

If returning after the 30-day return policy, please contact us first. Products returned for a refund must be in resalable condition and not used.

If you are returning under the warranty, please contact us first – Only a replacement can be given
