

EVENT SPONSORSHIP REQUIREMENTS

Cinema BMX is committed to growing the BMX scene and culture worldwide. From a local small town street jam to a huge international ramp contest, we're happy to support BMX everywhere. Although we usually aren't able to make cash donations, we are able to help out with product donations for prizes and giveaways at your event.

To be eligible for a Cinema BMX sponsorship and product donation, we have a few simple requirements:

- Have an event flyer and Facebook event or website to promote the event that includes the Cinema BMX logo
- There must be an active bike shop / Cinema dealer also co-sponsoring the event
- Cinema BMX must have a copy of the flyer and the event details 30 days before the event

These requirements help insure there is sufficient time to promote your event as well as helping to promote your local Cinema BMX dealer.

Please email all event information to info@cinemabmx.com. Cinema BMX logos for your flyer can be downloaded at the link below...

http://cinemabmx.com/Cinema_Logo_Kit.zip

Once all three requirements are met, we can send out a contest box for your event.

Thanks for supporting your local BMX scene and Cinema BMX!
