About

Carrier Medical is a SDVOSB distributor with 20+ years of medical device distribution to VA and DOD hospitals nationwide. Distributing medical products into physical medicine & rehab, neurology, sleep diagnostic, and respiratory departments. At Carrier Medical, we work with clinical and purchasing departments to deliver high-quality products in a timely fashion.

Serving our customers with:

- Our distribution centers located throughout the United States for large-scale solicitations and faster shipping times.
- Expert knowledge across neurology, sleep diagnostic, physical medicine & rehab, and respiratory departments.
- Offer unmatched. Order customization for specific clinical and purchasing needs.
- Provide timely, detailed and accurate tracings to our customers.
