

Capability Statement

Core Competencies

Carrier Medical is a SDVOSB distributor with 20+ years of medical device distribution to VA and DOD hospitals nationwide. Our expertise is distributing medical products into physical medicine & rehab, neurology, sleep diagnostic, and respiratory departments. At Carrier Medical, we work with the clinical and purchasing departments to deliver high-quality products in a timely fashion.

- Distribution centers located throughout the United States for large-scale solicitations and faster shipping times
- Expert knowledge across neurology, sleep diagnostic, physical medicine & rehab, and respiratory departments
- Offer unmatched order customization for specific clinical and purchasing needs
- Provide timely, detailed and accurate tracings to our customers

Past Performance

Carrier Medical has a proven track record of large-scale and timely distribution to VA and DOD facilities across the United States. We have a history of being awarded solicitations and fulfilling those commitments with 100% customer satisfaction. We currently have products on the Federal Supply Schedule and GSA contract that are distributed daily across the nation. Our track record demonstrates knowledgeable customer service, timely shipments, and a no hassle guarantee of quality.

Differentiators

Carrier Medical goes above and beyond working with the clinical and purchasing departments to provide high-quality products that meet the needs of the veteran. We offer pre-assembled product customization that can be shipped directly to the veteran's home.
