## **CHRISTOPHER WAHL**

Christopher Wahl is a Canadian portrait photographer. A newsman at heart, he's built an award-winning portfolio as a photojournalist with assignment work featured in publications such as *Vanity Fair*, *The New Yorker*, and *Time* magazine. Christopher has also created advertising and work for clients like Nike, Apple, and Federal Express. Known for creating distinct and memorable photographs of heavily documented people and events, Christopher has covered popes and presidents, toured with The Rolling Stones, and travelled the globe photographing some of its most recognizable humans. His work documenting Canadians is ongoing. Notable public and private collections in Canada and beyond have acquired his work, including those of major banks and the Art Galley of Ontario (AGO).
