ART & GALLERY GUIDE

recOlectiOn by Olivia Marty

Bên không chồng (L'Embarcadère des femmes sans mari), by Olivia Marty

French-Vietnamese artist Olivia Marty's *recOlectiOn* project has developed from the artist's reflection on Vietnam's history, past and present. It started in 2010 as a pictorial study on new interpretation of the photographic space. Using different techniques, Olivia blends photography, architectural elements and street art with emotions.
