

Filling Kit

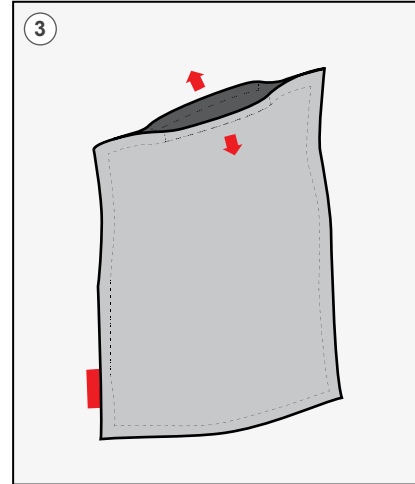

How to fill my Fatboy®?

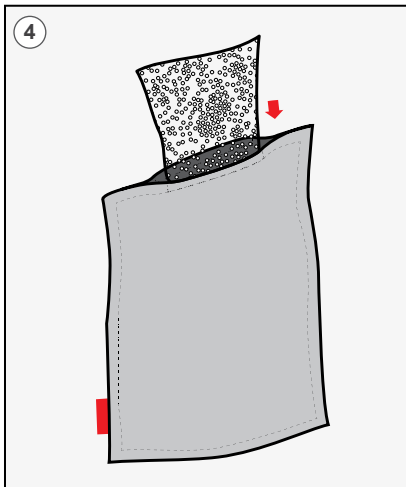

1 Oh, no! My Fatboy® is just not as fat as it used to be! What should I do?

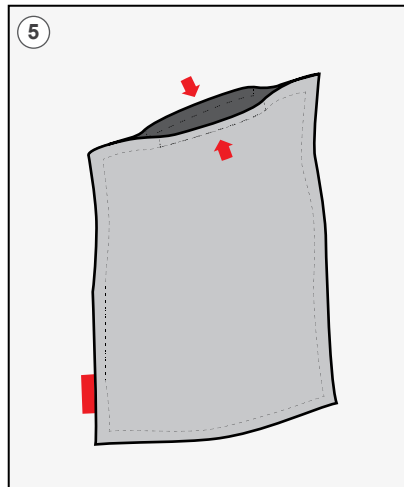

2 Now that you have received your refill sack, open it carefully.

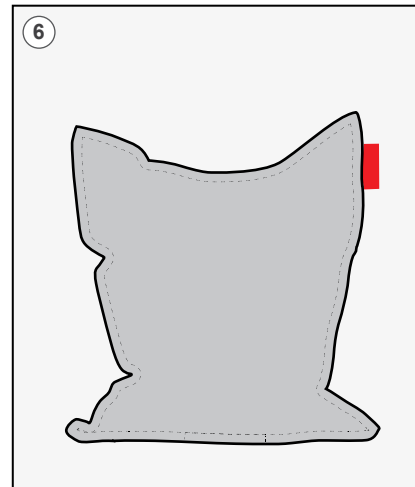

3 Remove the old filling and dispose of in a responsible way. Check with your local municipality to verify how you are able to recycle.

4 Carefully insert refill sack into velcro opening of your Fatboy®.

5 Re secure the velcro opening and reposition your fatboy to your preferred seating orientation.

6 Et voilà! You are ready to enjoy your Fatboy® for years to come.
