NEXX GARAGE GOOGLE HOME SETUP

Nexx Garage integrated with Google Assistant Action allows you to control the opening or closing of garage door by voice command.

Following steps describes Nexx Garage Google Home setup.

- 1) Open Google Home app on your phone.
- 2) Press menu button in the upper left corner of screen.

3) Tap "Explore" from the menu.

- Googl... LTE 9:20 AM 1 % 💼 EXPLORE YOUR STUFF Weather "What's the weather on "World Monday?" HOME CONTROL MORE Chromecast "Play music for dancing on "Turn (my TV* MORE NEWS & MAGAZINES Ē News ₽ŗ
- Scroll down to "Home Control" and tap "More".

5) Select "Nexx Garage".

 Nexx Garage screen, tap "LINK".

- 7) At login page:
- Enter Nexx Garage account email and password
- Enter a 4 to 10 digit pin code. This pin code is required when opening/closing the garage door.
 Pin code is not required when checking door status. You can disable the pin code from Nexx Garage app under "Settings".
- Once you have successfully logged in, you should receive a status of "Account now linked".
