

EASY-TO-APPLY LINIMENT

► **Product:** Farnam Vetrolin Liniment
 ► **Description:** A camphor-based formula, Vetrolin Liniment contains five essential oils to stimulate blood flow

and soothe stiff, sore muscles and joints after a workout. It now comes in a new EquiVeil 360° continuous spray bottle for easy, no-mess coverage. The bottle is designed to spray at any angle, including upside down, and it will continue spraying until completely empty, avoiding waste of any of the liniment.

► **Price:** suggested retail, \$23.49 for a 20-ounce continuous spray bottle. Also available in 32-ounce (\$18.81) and one-gallon (\$55.43) jugs

CLEAN AND SHINY

► **Product:** Exhibitor's Quic Shampoo and Quic Conditioner

► **Description:** Intensify your horse's shine with Quic Shampoo, which is formulated to alter the way light interacts with a horse's hair. The low-sudsing shampoo cleans gently and rinses easily to leave the coat soft and smooth. Quic Conditioner contains a blend of oils to moisturize and detangle the mane and tail, leaving them lustrous, soft and smooth.

► **Price:** suggested retail, \$17.99 for each 32-ounce bottle

SMART HALTER

► **Product:** Nightwatch
 ► **Description:** Sensors in the crown-piece of the Nightwatch halter continuously monitor a horse's vital signs, location, movements and behavior. If the horse shows signs of distress—indicating, for example, colicking or foaling—alerts are sent in real time via text, phone call or email. A breakaway-style halter, Nightwatch is made of Havana brown English bridle leather and is available in cob, standard or oversize. A Nightwatch safety collar is also available, as are custom sizing options.

► **Price:** suggested retail, starting at \$699.99; monitoring service costs \$29.99 per month or \$329.99 per year.
