## RECEPTION COUNTERS CATALOGUE

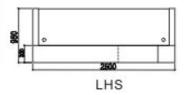

We are pleased to introduce our latest range of reception counters that are sure to make any office or workplace look good. These reception counters represent functionality and modern design. The contrasting colour schemes make them an instant contemporary classic. Quality fittings and materials combine to ensure the office looks sharp and professional. The bench tops are made from caesar stone whilst the worktops offer substantial work space and a natural teak finish. These reception counters have strong aesthetic appeal and set the contrasting motif for the rest of the room. They come in six different sizes and styles making them suitable for any office or workplace.
