Blinc is a module based soft seating system designed for commercial, public and hotel reception use. The product line consists of 3 simple elements allowing for multiple configurations. Blinc is smooth and elegant in appearance with a solid wood structure inside a luxuriously upholstered soft exterior that provides support even during long periods of sitting.

BLINC

- A – Polyurethane foam cushions
- B – Commercial wood frame
- C – Floor levelling feet
- D – Elastic strip suspension seat
- E – Locally upholstered in any fabric
