Gentas Table Tops **GENTAŞ**

These table tops are manufactured in Turkey by Gentas, using the renowned resin moulding process. Available in a select range of sizes and finishes, these tops are durable, weatherproof, inexpensive and attractive.

The foundation of each Gentas table top is a mix of quality hardwoods and softwoods, kiln-dried and blended with synthetic resins as well as anti-rot and anti-moisture agents. This mixture is compressed at 140°C under high pressure before the hardwearing and decorative layers are applied and inseparably moulded together.

This method produces high quality table tops which are seamless, hygienic, functional and suitable for indoor or outdoor use.

Compact Laminate Duratop

2 YEAR WARRANTY

Born out of innovation, excellent materials and cutting-edge technology, the Compact Laminate Duratop offers great value for commercial venues. Its durable construction and sleek 12mm profile makes it a perfect table top for both indoor and outdoor applications.

Offered in Black, Rustic Block Wood, Shesman, Wenge and White, the Compact Laminate Duratop is constructed with layers of Kraft paper, dipped in resin and dried. These layers are then sandwiched between laminated top and bottom sheets, compressed and baked. A process called polymerisation melds them all together creating a solid-core panel that is an extra tough durable laminate.

Each colour is available in a range of different sizes in square, rectangle and round. The underside of each top has grooves that have been routed to be used as predrilling holes. This makes installation of Compact Laminate Duratops with most table bases simple and easy.

Stocked in:

- Black
- Rustic Block Wood
- Shesman
- Wenge
- White
- Afyon Marble
- Copperfield
