Gen-X
Bench series

Gen-X Bench System was developed to the best of European quality and design by the use of rectangular tube sections robot welded with multiple angles to showcase a distinctive eye catching functional range of desks, tables and benches that complement today's modern collaborative workspace.

Gen-X is fully resolved and finished to perfection, features include white, black or custom colour legs, various worktop styles and finishes, above desk or below desk power and a selection of 3 desk screen styles in thousands of finishes.
