## THE DETAILS:

We're happy to help with the design of your labels for a fee of \$50, or you can send us your print-ready graphics file for no additional charge.

Prices are based off of one fragrance only. Fragrance choice must be in-season.

If you are ordering tins, you may customize either the sides, the tops, or both.

A full deposit (total cost of candles, customization fee, if applicable, and shipping fee) is due before we can start making your candles.

Shipping is based off of how many candles you order, not our standard flat-rate shipping fee. You may also pick up your candles at our Factory for no additional charge.

Custom orders typically require a minimum of 3 weeks to complete.
