1. **HOW WOULD YOU VERIFY BALANCES IN A/C OF BANK SITUATED IN FOREIGN COUNTRY**

   a) **Verify ledger balances in each A/C with reference to Bank confirmation certificates & reconciliation statements as at year end.**

   b) **Review reconciliation statements & pay particular attention to follow:**

      i) Examine that no debit for charges or credit for interest is outstanding & all items ought to have been taken are taken to revenue.

      ii) Examine that no cheque sent or received in clearing is outstanding.

      As per practice prevalent, any cheque returned unpaid are accounted for on same day / on following day on which they were sent in clearing.

      iii) Examine that all bills or outstanding cheques sent for collection & outstanding as on closing date have been credited subsequently.

   c) **Examine large transactions in inter- bank A/C’s, particularly towards year end, to ensure no transaction have been put through for window dressing**

   d) **Check original deposit receipts in respect of (i.r.o) balances in deposit A/C in addition to confirmation certificates obtained from banks in respect of outstanding deposits.**

   e) **Check whether these balances are converted into Indian currency at exchange rates prevailing on B/S date & ensure compliance with AS.**

2. **EXCEPTIONS TO THE GENERAL RULE OF TREATING ADVANCES AS NON-PERFORMING ASSETS (NPAS).**

   a) **BORROWER - WISE V/S FACILITY - WISE:** NPA should be determined Borrower wise and not facility-wise. Even if any one of the credit facilities granted to a Borrower become NPA, all the facilities granted to that Borrower will be regarded as NPA, irrespective of performing status of other Facility.

   b) **NET WORTH OF THE BORROWER:** It should not be considered to treat an advance as NPA, as income recognition is based on recoveries from an advance account.

   c) **AVAILABILITY OF SECURITY:** It is not relevant to determine performing status of an advance, subject to certain exceptions.

   d) **TAKE OUT FINANCE:** Under this arrangement (i.e. funding of long-term infrastructure projects), Lending bank should apply prudential norms in usual manner, so long as account remains on its books.
e) **CONSORTIUM ADVANCES**: Each bank may classify the advance based on its own record of recovery & other aspects having bearing on recoverability.

f) **STAFF LOANS**: Ir.o. advances to staff, where interest is payable after recovery of principal, Interest becomes overdue only upon default in payment of interest on due date.

g) **ADVANCES AGAINST TERM DEPOSITS, NSC, KVP, LIC, etc.**: Such advances need not be considered as NPA's & interest on such advances may be taken to income, provided adequate margin is available in A/C. Provisioning norms will apply based on their Asset classification status.

h) **AGRICULTURAL ADVANCES AFFECTED BY NATURAL CALAMITIES**:  
   (1) Where natural calamities impair repayment capacity of agricultural borrowers, Lending Bank can – (i) convert short term production loan into term loan or (ii) reschedule repayments & sanction fresh – short term loan. Both Term loan & Fresh short-term loan are treated as current dues & need not be classified as NPA.
   (2) Both would be treated as Fresh loans & accordingly guidelines for identifying NPA shall apply.

3. **DISCUSS THE CONCURRENT AUDIT SYSTEM IN COMMERCIAL BANKS**.

   a) **MEANING**: Verification of transaction / activity of an organization concurrently i.e. at same time the trans“/ activity takes place & hence similar to concept of internal audit the emphasis is on detailed substantive testing in key areas rather than test checking.

   b) **PROCEDURE**: (i) Bank should review effectiveness of concurrent audit system once in a year & take necessary measures to correct the lacunae in implementation of programmed.

   (ii) Auditor will see whether transactions/ decisions are within policy parameters laid down by HO.

   (iii) Auditor will see whether transactions/ decisions are as per instructions / policy / guidelines given by RBI within delegated authority.

   c) **APPOINTMENT OF CONCURRENT AUDITORS**:  
   (i) Who can do it: Banks internal inspection staff, not engaged in operational activities OR CA Firms.

   (ii) Banks own staff (senior officials & staff of branch may be engaged in audit function) should be experienced, well trained & independent. CA Firm appointed initially for 1 yr, can be extended up to 3 yrs. They can be shifted to another branch on satisfactory completion of 3 yrs.

   If any serious acts of omission / commission noticed in working of CA firms, appointment may be cancelled & fact will be reported to RBI & ICAI.
d) **COVERAGE OF BRANCHES FOR CONCURRENT AUDIT:**

(i) As per RBI guideline, Branches of bank which are compulsorily subject to concurrent audit are-

(a) Division of HO dealing in treasury functions like investment, fund mgmt. including inter bank borrowings, bill re-discount, foreign exchange business.

(b) Branch offices, dealing in treasury functions, bill rediscount, foreign exchange business, dealing rooms.

(ii) **Selection of branches** should ensure that audit covers-

(a) Branches whose total credit (TC) & other risk exposures aggregate to Min 50% of TC & other risk exposures of bank. And

(b) Whose aggregate deposits cover Min 50% of aggregate deposits of bank.

**NOTES:** While complying with above parameters, it is necessary to ensure that coverage encompasses-

- Large Branches • Special branches handling foreign exchange business, merchant banking,
- Forex dealing room operations etc.
- HO / dept. dealing with treasury / Fund mgmt. & handling invst. Port Folio.

4. **PRINCIPAL ENACTMENTS GOVERNING BANK AUDIT**

a) **NATIONALISED BANKS**

- Banking Regulation Act, 1949 (specified provisions only)
- Banking Co’s (Acquisition & Trf of Undertakings) Act 1970 / 80

b) **NON-NATIONALISED BANKS**

- Companies Act, 2013.

b) **CO-OPERATIVE BANKS**

- Co-operative societies Act, 1912 AND co-operative societies Act of state in which they are located.

b) **REGIONAL RURAL BANKS**

- Regional Rural Bank Act, 1976
- Banking Regulation Act, 1949 (specified provisions only)

b) **SBI & ITS SUBSIDIARIES**

- SBI Act, 1955
- SBI (subsidiary Banks) Act, 1959
- Banking Regulation act, 1949 (specified provisions only).

Apart from above, (a) RBI Act, 1934 (b) IT Act, 2000 (c) Prevention of Money laundering Act, 2002 (d) Credit Information Co’s Regulation Act, 2005 AND (e) SARFAESI Act, 2002 shall also apply.
5. **PROCEDURE FOR VERIFICATION OF BRANCH ADJUSTMENT ACCOUNT APPEARING IN A/C BOOKS OF BANK OR INTER-OFFICE ADJUSTMENTS IN AUDIT OF BANKS**

In final BS of Bank, this balance represents difference between inter branch debits & credits & should normally comprise items in transit as on closing date. Most commonly used by unscrupulous persons in committing fraud. Therefore, verification is of great importance. The procedure for verification is as follows:

i) See that all branch A/C are periodically reconciled.

ii) Check all adjustments in A/C and ensure that adjustments are done properly & supported by documentary evidence as to its validity.

iii) Verify that reversal entries are made under proper authority & after due explanation & evidence.

6. **SCOPE OF CONCURRENT AUDIT OF BANK WITH REFERENCE TO RBI GUIDENCE**

i) Daily cash transaction with reference to abnormal receipts & payments. This will include currency chest transaction major expenses met by cash etc.

ii) Purchase & Sale of shares securities etc. Physical verification of invests and rates at which they are entered into.

iii) Verification of advances, overdrafts, temporary OD, Cash credit accounts, term loans, letter of credit etc. Procedure for sanction & documentation to be verified. Any deviation notices to be examined in great detail.

iv) Foreign exchange transactions to be verified with reference to RBI guidelines

v) Revenue leakage to be detected

vi) Verification of High Value transactions

vii) Procedure for Safe Custody of Security Forms with the branch.

viii) Whether Customer’s Complaints are dealt with promptly.

ix) Study of RBI & Internal Inspection reports statutory auditors report and compliance thereto.

7. **AUDIT OF ADVANCES TO DOTCOM COMPANIES**

i) **INTERNAL CONTROLS:** Assess the existence, adequacy & effectiveness of controls on assessment of Borrower’s creditworthiness & obtaining sanction from appropriate higher authorities.

ii) **SANCTION:** Examine sanction letter to verify whether it contains – (a) borrowing limit (b) nature of security (c) margin to be kept (d) internet (e) terms of repayment, any (f) other related matters, if any
### iii) EXECUTION OF DOCUMENTS:
Whether all necessary documents such as Agreement, letter of Hypothecation etc are executed before advances made.

### iv) LOAN DOCUMENTS:
Review the following loan documents to ensure that they are in order
- (a) Certificate of Incorporation (For Public Ltd Co's)
- (b) Board Resolution
- (c) Shareholder's Resolution etc.

### v) BORROWER EVALUATION:
Examine Business Plan Of Co with special reference to ascertain as to whether revenue model is in place. Verify whether Co. depends only on outside funding or can self generate Funds.

### vi) SECURITY:
(a) Verify whether advance is secured.
(b) Examine enforceability of such security.
(c) Verify whether necessary legal Formalities are complied with
(d) Examine whether security is in effective control of Bank.
(e) Verify whether value of security covers amount O/S in advance.

### vii) MORTGAGED SECURITY:
Examine
- (a) Mortgage deed
- (b) Letter of intent to create mortgage in case of Equitable Mortgage
- (c) Evidence of Registration of charge with ROC.

### viii) STATEMENTS:
Review periodic statements (stock etc), Cash Flow Statement latest FS etc to evaluate recoverability of advances.

---

### 8. VERIFICATION OF "ACCEPTANCES, ENDORSEMENTS & OTHER OBLIGATION"

#### i) ITEMS:
Includes (a) LC opened by Bank of behalf of its customers, and (b) Bills drawn by customer's & accepted / endorsed by Bank.

#### ii) LETTER OF CREDIT:
- (a) Evaluation adequacy of internal controls over LC Forms eg–custody, maintenance of records, periodical verification etc.
- (b) Verify Balance Of LC from Register maintained by Bank to ascertain amount of LC & payments made under them.
- (c) Examine Guarantees of customers, copies of LC issued & security obtained.

#### iii) i.o. OTHER ACCEPTANCES AND ENDORSEMENTS:
Foll\^n procedure adopted:
- (a) Examine arrangements made by Bank with its customers.
- (b) Test check the amounts of Bill with register maintained by bank
- (c) Verify whether such bills are marked OFF in register on payment at maturity.

#### iv) LETTERS OF COMFORT:
Verify whether Bank has incurred a potential financial obligation under such letter. If obligation has been cast, ensure that amount has been shown as contingent liability in the BS.
9. **VOSTRO AND NOSTRO ACCOUNTS.**

i) Bank’s maintain stocks of foreign currencies in the form of Bank A/C’s with their overseas Branches / correspondents. Such Foreign currency A/C maintained by Indian banks at other Overseas centres are designated by it as “Nostro A/C.”

ii) “Vostro A/C” is opposite of Nostro A/c’s. Here a Foreign Bank in another country maintains Stocks of Indian rupees with their Indian Branch / correspondent / local bank. Such Indian Rupee A/C is designated as Vostro A/C.

iii) While examining transaction in foreign exchange, auditor should also pay attention to reconciliation of Nostro A/C with respective minor A/C.

iv) Amount in Nostro A/C is stock of Foreign currency in from of Bank A/C with overseas branches and correspondents.

v) Auditor should also evaluate the internal control with regard to inward / outward messages. The messages should be properly authenticated & discrepancies noticed, should be dealt with in BOA.

vi) Verify whether prescribed procedure in relation to interbank confirmation in Vostro A/C is followed or not.

10. **DESCRIBE AUDIT PROCEDURES FOR AUDIT OF CONTINGENT LIABILITIES AND EXPLAIN DISCLOSURE REQUIREMENTS OF CONTINGENT LIABILITIES(CL) FOR BANK**

a) Audit procedures for audit of contingent liabilities.

i) **PARTIES:** Ensure that exists a system whereby non-Fund base facilities or additional / adhoc credit facilities to parties are extended only to their regular constituents etc.

ii) **ADEQUACY OF CONTROLS:** Evaluate adequacy of ICS by verifying whether-

   (1) Transactions giving rise to contingent liabilities are executed only by authorised persons

   (2) Procedures laid down are duly complied with

iii) **IDENTIFICATION:** Examine A/C system & ICS to ensure that contingent liabilities are promptly & properly identified.

iv) **RECORDING:** Perform substantive audit to establish the completeness of recorded obligations, through confirmation procedures & examination of relevant records.

v) **YEAR-END AMOUNTS:** Evaluate reasonableness of year end amount in light of previous experience & knowledge of CY activities.

vi) **TRADE CREDIT:** In case of guarantees i.e. any trade credit, ensure that period of guarantees is co-terminous with period of credit, reckoned from date of shipment.

vii) **MANAGEMENT REPRESENTATION:** a) All contingent liabilities are included.

   b) Disclosed CL do not include contingencies which are likely to result in a loss / expense there
by requiring provision in the FS.

c) Estimated amount of financial effect of CL are based on best estimates in terms of AS-29, including any possibility of any reimbursement.

b) Disclosure requirements of contingent liabilities for Banks.

III schedule to Banking Regulation Act, 1949 requires disclosure of Followed as a Footnote to the BS.

i) Contingent liabilities.
   a) Claims against bank not acknowledged as debts.
   b) Liability for partly paid investments.
   c) Liability on A/C of O/S forward exchange contracts.
   d) Guarantees given on behalf of constituents In India. Outside India.
   e) Acceptances, endorsements & other obligations.
   f) Other items for which bank is contingently liable.

ii) Bills for collection

11. SHORT NOTE ON REVERSAL OF INCOME UNDER BANK AUDIT.

i) If any advance, including bills purchased & discounted, becomes NPA at close of any year, entire interest accrued & credited to income A/C in past periods, should be reversed or provided for if same is not realised.

ii) This will apply to Govt. guaranteed A/c's also.

iii) In case of NPA, fees, commission & similar income that have accrued should cease to accrue in current period & should be reversed or provided for, w.r.t. past periods, if uncollected.

iv) Further, in case of banks which have wrongly recognised income in past should reverse interest if recognised as income during CY. or make provision for an equivalent amt if it was recognised as income in the P.Y.

12. ISSUES TO BE CONSIDERED IN AUDIT OF ADVANCES.

i) Ensure that loans & advances have been sanctioned properly.

ii) Verity whether sanctions are in accordance with delegated authority.

iii) Securities & documents have been received & properly charged / regd.

iv) Verity whether there is any mis utilisation of loans & whether there are instances indicative of diversion of funds.
v) Ensure proper follow up of overdue bills of exchange.

vi) Classification of advances has been done as per RBI guidelines.

vii) Submission of claims to DICGC & ECGC is in time.

viii) Verify frequency & genuineness of such exercise of authority beyond delegated powers by concerned officials.

13. **HOW DO YOU EXAMINE CLAIMS AGAINST BANK NOT ACKNOWLEDGED AS DEBTS?**

i) Auditor should examine relevant evidence, eg:- correspondence with lawyers, claimants, workers / officers & workmen's / officer's union.

ii) Review minutes of meeting of BOD / committees of Board, contracts, agreements & arrangements, list of pending legal cases & correspondence relating to taxes, duties. Etc. to identify claims against the bank.

iii) Ascertain from management the status of claims outstanding at end of P.Y.

iv) Review of subsequent events would also provide evidence about completeness & valuation of claims.

14. **WHAT FACTORS DO YOU CONSIDER WHILE DRAFTING INTERNAL CONTROL SYSTEM FOR LOANS & ADVANCES?**

i) **DETERMINE CREDIT WORTHINESS:** Bank should make advance only after satisfying itself as to the credit worthiness of the borrower.

ii) **DOCUMENTS:** All necessary documents should be executed by both party before advances are made. Eg:- agreement, letter of hypothecation.

iii) **MARGIN:** Sufficient margin should be kept against securities taken so as to cover any decline in the value & to comply with RBI directions.

iv) **SECURITIES:** All securities received & returned, should be kept in hands of responsible person, & all securities requiring registration should be registered in name of bank.

v) **HYPOTHECATED GOODS:** Do surprise check to check whether goods are existing or not, because on hypothecated goods banks don't have possession.

vi) **PLEDGE GOODS:** Content of packets should be checked at time of receipts

vii) **ENQUIRY OF VALUE OF GOODS:** Market of goods should be checked by officers of bank for personal enquiry in addition to value of invoice given by the Borrower.

15. **EVALUATE ICS IN THE AREA OF CREDIT CARD OPERATIONS OF BANK.**

i) **SCREENING OF APPLICATION:** Do proper study about the customer. Bank should make
advance only after satisfying itself as to the credit worthiness of the borrower.

ii) **CUSTODY OF UNISSUED CARDS**: Should be in hands of proper person.

iii) **ACCOUNTS STATEMENTS**: Periodically dispatched to the customers.

iv) **EXAMINE BEFORE PAYMENT**: Settlement of payment to the seller by the bank, should be made only after due examination.

v) **REVIEW OF ACCOUNTS**: Examine the A/C of customer as to decide the limit of card, and also for purpose of increase / decrease in limit.

16. **WHAT IS THE CRITERIA FOR CLASSIFICATION OF NPA'S?**

i) **TERM LOANS**: Interest and / or Instalment of Principal has remained overdue for a period exceeding 90 days.

ii) **CC / OD**: A/C has remained out of order for period exceeding 90 days.

iii) **BILLS PURCHASED & DISCOUNTED**: Bill remains overdue & unpaid for period exceeding 90 days.

iv) **AGRICULTURAL ADVANCES / LOANS**: Interest &/or instalment of principal is overdue for-

   (a) two crop seasons, in case loans granted for short Duration crops.

   (b) one crop season, in case loans granted for long Duration Crop (i.e. more than 1 year.)

v) **OTHER ACCOUNTS**: Any amount to be received is overdue for period of more than 90 days.

vi) **EROSION IN VALUE OF SECURITY / FRANMMITED BY BORROWERS**: Banks can directly classify these A/C as Doubtful / loss assets, irrespective of the period for which A/C has remained NPA.

vii) **NPA INCLUDES**: i.o. derivative transactions, overdue receivables representing positive Mark-to-Marketvalue of derivative contract, if these remain up paid for 90 days from specified due date of payment.

17. **WHAT DO YOU UNDERSTAND BY LONG -FORM AUDIT REPORT? AND ASPECTS TO BE CONSIDERED WHILE VERIFYING ADVANCES IN LFAR.**

i) **LFAR is** to be furnished by auditor of bank in addition to Audit Report as per statutory requirement. Matters to be dealt with in LFAR have been specified by RBI.

   LFAR is to be submitted before 30th June every year. For timely submission, proper planning for completion of LFAR is required. Format does not require an executive summary to be given, members may consider providing the same to bring out the key observations from the whole document.

ii) **Verification of advances in LFAR**: 

   a) Auditor should examine-
• whether loan applications are complete & in prescribed from.
• Procedural instructions regarding grant / renewal / enhancement of facilities have been complied with.
• sanctions are within delegated authority & disbursements are as per terms of sanction.
• Documentation is complete, & supervision is timely, effective & as per prescribed guidelines.

b) Auditor can gather requisite evidence by examining relevant documents (such as loan application forms, sanctions etc.) and by obtaining info & explanations from branch mgmt. in appropriate cases.

c) They must familiarise themselves with those issue & guidance relating to the same & should cover the same during regular course of audit of advances.

18. HOW WOULD YOU AUDIT TELEPHONIC TRANSFERS & DEMAND DRAFTS?

i) Bank should have a, reliable private code known only to responsible officers of its branches, coding & decoding of telegrams should be done only by such officers.

ii) Signatures on demand draft should be checked by an officer with signature book.

iii) All the T.Ts & D.Ds sold by a branch should be immediately confirmed by the advices to be branches concerned.

iv) If paying branch does not receive proper confirmation of any T.T or D.D from issuing branch or does not receive credit in it's A/C with that branch, it should take immediate steps to ascertain the reasons.

19. HOW WOULD YOU VERIFY ADVANCES AGAINST LIFE INSURANCE POLICIES?

i) POLICY: Ascertain that Insurance policy has been lodged with bank.

ii) ASSIGNMENT: Inspect that policy to verify whether the same has been assigned in favour of bank, & such assignment has been registered with the insurer.

iii) PREMIUM: Examine whether latest premium has been paid (based on premium receipt) & whether they are in force. (i.e. have not lapsed).

iv) AGE: Ascertain whether age of assured has been admitted. Insurer may refuse to pay claim, & hence it is important to see that same is admitted.

v) SURRENDER VALUE: Examine certificate of surrender value, to ensure that amount of advance is within surrender value of policy.

vi) UNPAID PREMIA: Where surrender value is subject to payment of certain premia, verify whether amount of such premia has been deducted from the surrender value.
20. **WHAT ARE THE NPA NORMS FOR ADVANCES BY CG / SG?**

i) If a govt guaranteed advance becomes NPA, then for the purpose of income recognition, interest on such advance should not be taken to income unless interest is realized.

ii) However, for purpose of asset classification, credit facility backed by CG guarantee, though overdue, can be treated as NPA only when CG repudiates its guarantees, when invoked.

iii) If bank has not revoked the guarantee, question of repudiation would not arise. In such situation, bank would be correct to the extent of not applying NPA norms for provisioning purpose. But this exemption is not available i.r.o. income recognition norms. Hence the income to the extent not recovered should be reversed.

iv) Situation would be different if advance is guaranteed by SG because this exception is not applicable for SG Guaranteed advances, where advance is to be considered NPA if it remains overdue for >90 days.

v) In case bank has not invoked CG guarantee though the amt is overdue for long, the reasoning for the same should be taken & duly reported in LFAR.

21. **VERIFICATION OF ADVANCES AGAINST GOODS.**

i) **INSPECTION:** Ascertain whether premises of borrowers are periodically visited by bank officials to verify quantity as per periodic stock stmt.

ii) **HYPOTECATION / PLEDGE:** Examine letter of hypothecation & certificate of registration of charge, i.r.o. goods pledged with the Bank.

iii) **DOCUMENTS OF TITLE:** Inspect documents of title to goods like bill of lading, dock warrant, railway receipts etc. to ensure that they are endorsed registered in favour of the bank.

iv) **STOCK AUDIT:** Whether bank has got a system of obtaining stock and receivables audit report i.r.o. such advances. If so, review stock audit report & identify adverse comments, if any.

v) **SANCTION:** Examine sanction letter, letter of hypothecation & note the important terms & conditions of the advances.

vi) **INSURANCE:** Examine insurance policies for their validity, adequacy etc. & see that policies are in favour of the bank.

22. **STATE YOUR VIEWS ON FOLLOWING ISSUE:**

BANK IS A CONSORTIUM MEMBER OF CASH CREDIT FACILITIES OF Rs. 100 crores To M LTD. BANK'S OWN SHARE IS Rs 20 crore ONLY. DURING LAST TWO QUARTERS, AGA INST. DEBIT OF Rs.350 crores TOWARDS INTEREST THE CREDITS IN M. LTD'S A/C ARE TO THE TUNE OF Rs 2.50 crore ONLY. BASED ON CERTIFICATE OF LEAD BANK, BANK HAS CLASSIFIED THE A/C. OF M. LTD. AS PERFORMING.
Sometimes, several banks form a group (consortium) under leadership of a ‘lead bank’ to make advance to large customer on some conditions & security with proportionate rights.

In such cases, each bank may classify the advance given by it according to its own experience of recovery & other factors.

Since, in last two quarters, amount remains O/S & thus interest amount should be reversed.

This is despite certificate of lead bank to classify that A/c as performing Accordingly, amount should be shown as NPA.

**COMPLIANCE OF SLR REQUIREMENTS**

Central statutory Auditor has to verify the compliance of SLR requirements of 12 odd dates in different months of F.Y. not Friday.

It covers two aspects:

a) Correctness of compilation of DTL (Demand & Time liabilities) position &

b) Maintenance of liquid assets.

**AUDIT PROCEDURE:**

Obtain an understanding of composition of composition of items of DTL.

Require the branch auditors to send their weekly trial balance as on Friday & these are consolidated at HO.

On test basis, check consolidations regarding DTL position prepared by bank with reference to related returns received from branches.

Examine that following items have been excluded from liabilities –

a) Recovery of Bad debts.

b) Amount received in India currency against import bills and held in sundry deposits.

c) Unadjusted balances / deposits lying in branches.

d) Margins kept in sundry deposits for funded facilities.

Examine that following items have been included in liabilities:

a) Net credit balance in Branch Adjustment A/C

b) Interest on deposit as at the end of First half year reversed in beginning of next half year

c) Adverse balances in Nostro Mirror A/C needs to be considered as 'liabilities to others'

d) Reconciliation of Nostro A/C (with Nostro Mirror A/C) needs to be scrutinized carefully.

Check consolidation include all relevant information i.r.o all branches.

Examine whether interest accrued but not accounted for in books is included in DTL

Central stat. Auditor should disclose above procedure in his report.

Auditor should specify the number of unaudited branches & state that he has relied on the
returns received from the unaudited branched in forming his opinion.
11 Audit of Banks

Question 1
What is the income recognised in the case of 'non-performing' assets of bank?

Answer

**Income Recognition:** As per the master circular issued by RBI relating to Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances, the banks may book income in the following manner:

(i) Income from NPAs is not recognised on accrual basis but is booked as income only when it is actually received. However, interest on advances against term deposits, NSCs, IVPs, KVPs and Life policies may be taken to income account on the due date, provided adequate margin is available in the accounts.

(ii) Fees and commissions earned by the banks as a result of renegotiations or rescheduling of outstanding debts should be recognised on an accrual basis over the period of time covered by the renegotiated or rescheduled extension of credit.

(iii) If Government guaranteed advances become NPA, the interest on such advances should not be taken to income account unless the interest has been realised.

Question 2

As statutory central auditors of a Nationalized bank, what special points are to be borne in mind in the audit of compliance with "Statutory Liquidity Ratio" (SLR) requirements?

Answer

**Statutory Liquidity Ratio (SLR) Requirements:** The Reserve Bank of India requires statutory central auditors of banks to verify the compliance with SLR requirements of 12 odd dates in different months of a financial year not being Fridays. The resultant report is to be sent to the top management of the bank and to the Reserve Bank. The report of the statutory auditor in relation to compliance with SLR requirements has to cover two aspects:

(i) correctness of the compilation of DTL (Demand and Time Liabilities) position; and

(ii) maintenance of liquid assets.

**Audit Approach and Procedure:**

(i) Obtain an understanding of the relevant circulars of the RBI, particularly regarding composition of items of DTL.

(ii) Require the branch auditors to send their weekly trial balance as on Friday and these are consolidated at the head office. Based on this consolidation, the DTL position is determined for every reporting Friday. The statutory central auditor should request the branch auditors to verify the correctness of the trial balances relevant to the dates selected by him. The branch auditors should also be specifically requested to examine the cash balance at the branch on the selected dates.
(iii) Examine, on a test basis, the consolidations regarding DTL position prepared by the bank with reference to the related returns received from branches. The auditor should examine whether the valuation of securities done by the bank is in accordance with the guidelines prescribed by the RBI.

(iv) While examining the computation of DTL, specifically examine that the following items have been excluded from liabilities-

(a) Part amounts of recoveries from the borrowers in respect of debts considered bad and doubtful of recovery.

(b) Amounts received in Indian currency against import bills and held in sundry deposits pending receipts of final rates.

(c) Un-adjusted deposits/balances lying in link branches for agency business like dividend warrants, interest warrants, refund of application money, etc., in respect of shares/debentures to the extent of payment made by other branches but not adjusted by the link branches.

(d) Margins held and kept in sundry deposits for funded facilities-

(v) Similarly, specifically examine that the following items have been included in liabilities-

(a) Net credit balance in branch adjustment accounts including these relating to foreign branches.

(b) Interest on deposit as at the end of the firm half year reversed in the beginning of the next half-year.

(c) Borrowings from abroad by banks in India needs to be considered as ‘liabilities to other’ and thus, needs to be considered at gross level unlike ‘liabilities towards banking system in India’, which are permitted to be netted off against ‘assets towards banking system in India’. Thus, the adverse balances in Nosto Mirror Account needs to be considered as ‘Liabilities to other’

(d) The reconciliation of Nosto accounts (with Nosto Mirror Accounts) needs to be scrutinized carefully to analyze and ascertain if any inwards remittances are received on behalf of the customers / constituents of the bank and have remained unaccounted and / or any other debit (inward) entries have remained unaccounted and are pertaining to any liabilities for the bank.

(vi) Examine whether the consolidations prepared by the bank include the relevant information in respect of all the branches.

(vii) It may be noted that, even though interest accrues on a daily basis, it is recorded in the books only at periodic intervals. Thus, examine whether such interest accrued but not accounted for in books is included in the computation of DTL.

(viii) The auditor at the central level should apply the audit procedures listed above to the overall consolidation prepared for the bank as a whole. Where such procedure is followed, the central auditor should adequately describe the same in his report.

(ix) While reporting on compliance with SLR requirements, the auditor should specify the number of unaudited branches and state that he has relied on the returns received from the unaudited branches in forming his opinion. Recently, there has been introduction of Automated Data Flow (ADF) for CRR & SLR reporting and the auditors should develop necessary audit procedures around this.
Question 3
How will you evaluate the Internal Control system in the area of Credit Card operations of a Bank?

Answer
Evaluation of Internal Control System in the area of Credit Card Operations in a bank:
(i) There should be effective screening of applications with reasonably good credit assessments.
(ii) There should be strict control over storage and issue of cards.
(iii) There should be a system whereby a merchant confirms the status of unutilised limit of a credit-card holder from the bank before accepting the settlement in case the amount to be settled exceeds a specified percentage of the total limit of the card holder.
(iv) There should be a system of prompt reporting by the merchants of all settlements accepted by them through credit cards.
(v) Reimbursement to merchants should be made only after verification of the validity of merchant's acceptance of cards.
(vi) All the reimbursement (gross of commission) should be immediately charged to the customer's account.
(vii) There should be a system to ensure that statements are sent regularly and promptly to the customer.
(viii) There should be a system to monitor and follow-up customers’ payments.
(ix) Items overdue beyond a reasonable period should be identified and attended to carefully. Credit should be stopped by informing the merchants through periodic bulletins, as early as possible, to avoid increased losses.
(x) There should be a system of periodic review of credit card holders’ accounts. On this basis, the limits of customers may be revised, if necessary. The review should also include determination of doubtful amounts and the provisioning in respect thereof.

Question 4
As a bank branch auditor, what aspects will be considered while reporting on credit appraisal, sanctioning/disbursement and documentation in respect of advances in the LFAR?

Answer
Verification of Advances in the Long Form Audit Report (LFAR): The auditor has to comment on various specific issues as mentioned in the Long Form Audit Report of the bank. While evaluating the efficacy of internal controls over advances, the auditor should particularly examine those aspects on which he is required to comment in his long form audit report.

Thus, he should examine-
(i) Whether the loan applications are complete and in prescribed form;
(ii) Procedural instructions regarding grant/ renewal/ enhancement of facilities have been complied with;
(iii) **Sanctions** are within delegated authority and disbursements are as per terms of the sanction;

(iv) **Documentation** is complete; and supervision is timely, effective and as per prescribed guidelines.

The auditor can gather the **requisite evidence** by examining relevant documents (such as loan application forms, supporting documentation, sanctions, security documents, etc.) and by obtaining information and explanations from the branch management in appropriate cases. The auditors must **familiarise** themselves with those issues and guidance relating to the same and should cover the same during the regular course of audit of advances.

**Question 5**

Shy & Co. had been allotted the branch audit of a nationalized bank for the year ended 31st March, 2016. In the audit planning, the partner of Shy & Co. observed that the allotted branches are predominantly based in rural areas and major portion of the advances were for agricultural purpose. He needs your assistance in incorporating the criteria prescribed for determination of NPA norms in respect of agricultural advance, in audit plan.

**Answer**

**NPA Norms in respect of Agricultural Advance:** A loan granted for short duration crops will be treated as Non Performing Asset, if the instalment of principal or interest thereon remains overdue for two crop seasons and, a loan granted for long duration crops will be treated as NPA, if the instalment of principal or interest thereon remains overdue for one crop season.

As per the guidelines, “long duration” crops would be crops with crop season longer than one year and crops, which are not “long duration” crops would be treated as “short duration” crops. The crop season for each crop, which means the period up to harvesting of the crops raised, would be as determined by the State Level Bankers’ Committee in each State. Depending upon the duration of crops raised by an agriculturist, the above NPA norms would also be made applicable to agricultural term loans availed of by him.

The above norms should be made applicable to all direct agricultural advances as listed in the Master Circular on Lending to Priority Sectors. In respect of all other agricultural loans, identification of NPAs would be done on the same basis as non-agricultural advances, which, at present, is the 90 days delinquency norm.

If natural calamities impair the repaying capacity of agricultural borrowers, banks may decide on their own as a relief measure conversion of the short-term production loan into a term loan or re-schedulement of the repayment period; and the sanctioning of fresh short-term loan, subject to guidelines issued by RBI.

**Question 6**

Your firm has been appointed as Central Statutory Auditors of a Nationalised Bank. The Bank follows financial year as accounting year. State your views on the following issues which were brought to your notice by your Audit Manager:

(a) The bank has **recognised** on accrual basis income from dividends on securities and Units of Mutual Funds held by it as at the end of financial year. The dividends on securities and Units of Mutual Funds were declared after the end of financial year.
(b) The bank is a consortium member of Cash Credit Facilities of ` 50 crores to X Ltd. Bank's own share is ` 10 crores only. During the last two quarters against a debit of `1.75 crores towards interest the credits in X Ltd's account are to the tune of ` 1.25 crores only. Based on the certificate of lead bank, the bank has classified the account of X Ltd as performing.

**Answer**

(a) It is not a prudent practice to treat dividend on shares of corporate bodies and units of mutual funds as income unless these are actually received. Accordingly, income from dividend on shares of corporate bodies and units of mutual funds should be booked on cash basis. In respect of income from government securities and bonds and debentures of corporate bodies, where interest rates on these instruments are pre-determined, income could be booked on accrual basis, provided interest is serviced regularly and as such is not in arrears. It was further, however, clarified that banks may book income on accrual basis on securities of corporate bodies/public sector undertakings in respect of which the payment of interest and repayment of principal have been guaranteed by the central government or a State government. Banks may book income from dividend on shares of corporate bodies on accrual basis, provided dividend on the shares has been declared by the corporate body in its annual general meeting and the owner's right to receive payment is established. This is also in accordance with AS 9 as well. In the instant case, therefore, the recognition of income by the bank on accrual basis is not in order.

(b) The bank is a consortium member of cash credit facilities of ` 50 crores to X Ltd. Bank's own share is ` 10 crores only. During the last two quarters against a debit of `1.75 crores towards interest, the credits in X Ltd's account are to the tune of ` 1.25 crores only. Sometimes, several banks form a group (the 'consortium') under the leadership of a 'lead bank' to make advance to a large customer on same conditions and security with proportionate rights. In such cases, each bank may classify the advance given by it according to its own experience of recovery and other factors. Since in the last two quarters, the amount remains outstanding and, thus, interest amount should be reversed. This is despite the certificate of lead bank to classify that the account as performing. Accordingly, the amount should be shown as non-performing asset.

**Question 7**

Discuss the concurrent audit system in commercial banks.

**Answer**

**Scope of Concurrent Audit:** Concurrent audit is an examination which is contemporaneous with the occurrence of transactions or is carried out as near thereto as possible. It attempts to shorten the interval between a transaction and its examination by an independent person not involved in its documentation. There is an emphasis in favour of substantive checking in key areas rather than test checking. This audit is essentially a management process integral to the establishment of sound internal accounting functions and effective controls and setting the tone for a vigilance internal audit to preclude the incidence of serious errors and fraudulent manipulations.

A concurrent auditor may not sit in judgement of the decisions taken by a branch manager or an authorised official. This is beyond the scope of concurrent audit. However, the audit will necessarily have to see whether the transactions or decisions are
within the policy parameters laid down by the Head Office, they do not violate the instructions or policy prescriptions of the RBI, and that they are within the delegated authority.

In very large branches, which have different divisions dealing with specific activities, concurrent audit is a means to the incharge of the branch to ensure on an ongoing basis that the different divisions function within laid-down parameters and procedures.

Coverage

(i) The Departments/Divisions at the Head Office dealing with Treasury functions viz investments, funds management including inter-bank borrowings bill rediscount and foreign exchange business are to be subjected to concurrent audit. In addition, all branch offices, undertaking such business and dealing rooms have to be subjected to continuous audit.

(ii) The coverage of branches should ensure that concurrent audit covers:

(a) Branches whose total credit and other risk exposures aggregate to not less than 50% of the total credit and other risk exposures of the bank; and

(b) Branches whose aggregate deposits cover not less than 50% of the aggregate deposits of the Bank.

(iii) To achieve these twin criteria it is suggested that branches may be listed according to credit and other risk exposures and selected in the descending order of exposures to achieve a 50% coverage. If the deposits of these branches do not aggregate to 50% of the Bank's deposits, additional branches in descending order of deposits may be added to achieve a 50% coverage of the branches.

(iv) While complying with the above parameters, it is necessary to ensure that the coverage encompasses:

- exceptionally large branches
- very large and large branches
- special branches handling foreign exchange business, merchant banking business, large corporate wholesale banking business and forex dealing room operations
- large problem branches rated as poor/very poor
- Head Office department dealing with treasury/funds management and handling investment portfolio
- any other branches or departments where in the opinion of the Bank concurrent audit is desirable.

(v) Branches subjected to concurrent audit should not normally be included for revenue/income audit.

Types of activities to be covered

(i) The main role of concurrent audit is to supplement the efforts of the bank in carrying out simultaneous internal check of the transactions and other verifications and compliance with the procedures laid down.

(ii) The scope of concurrent audit should be wide enough to cover certain fraud-prone areas like handling of cash, deposits, safe custody of securities, investments, overdue bills, exercise of discretionary powers, sundry and suspense accounts, inter-branch reconciliation, clearing differences, foreign exchange
business including Nostro accounts, off-balance sheet items like letters of credit and guarantee, treasury functions and credit-card business.

(iii) The detailed scope of the concurrent audit should be clearly and uniformly determined for the Bank as a whole by the Bank's Inspector and Audit Department in consultation with the Bank's Audit Committee of the Board of Directors (ACB).

(iv) In determining the scope, importance should be given to checking high-risk transactions having large financial implications as opposed to transactions involving small amounts.

(v) While the detailed scope of the concurrent audit may be determined and approved by the ACB.

**Question 8**

How would you verify “Acceptances, Endorsements and other obligations” appearing in the Balance Sheet of a bank?

**Answer**

**Acceptances, Endorsements and Other Obligations:** This item includes the following balances-

(a) letters of credit opened by the bank on behalf of its customers and

(b) bills drawn by the bank's customers and accepted/endorsed by the bank.

**Letters of credit:** Evaluate the adequacy of the internal controls over LC Forms e.g. custody, maintenance of records, periodical verification, reconciliation etc.

Verify the balance of LC from the Register maintained by the bank to ascertain the amount of LC and payments made under them.

Examine the guarantees of the customers, copies of the LC issued & security obtained for issuing LC.

In respect of other acceptances and endorsements the following procedure may be adopted:

(i) Examine the arrangements made by the bank with its customers.

(ii) Test check the amounts of bills with the register maintained by the bank.

(iii) Verify whether such bills are marked off in the register on payment at maturity.

**Letters of comfort:** Where letters of comfort has been issued, verify whether the bank has incurred a potential financial obligation under such a letter. If an obligation has been cast under letters of comfort, ensure that the amount has also been shown as contingent liability in the Balance Sheet.

**Question 9**

Describe the procedure for verification of the following balances appearing in the account books of a bank:

(a) Drafts paid without advice

(b) Branch adjustment account

**Answer**

(a) **Drafts Paid Without Advice:** This balance is in the nature of a suspense account in as much as it represents payments made on account of drafts issued by other branches
but for which the relevant advice from those branches have not been received. It is, therefore, most important to examine the system of internal control operating in the bank in this respect. The testing of the internal control system has to be made mainly with regard to the following:

(i) the system of verifying the authenticity of the draft by reference to specimen signature of the signing authority and the prima facie correctness and completeness of the draft in all respects;

(ii) the system of co-relating drafts paid with advices subsequently received; and

(iii) the system of sending reminders where advices are not received within a reasonable time and the recording of reasons for their non receipt.

The composition of the balances appearing in this account should be verified with particular reference to any long outstanding items. The auditor should also verify whether the items appearing in this account have been subsequently cleared on receipt of the relevant advices. It would also be useful to have on record the names and addresses of the payees of such drafts. The auditor may also seek confirmation of transactions relating to such outstanding cases.

(b) Branch Adjustment Account: In the final balance sheet of the bank, this balance represents the difference between inter branch debits and credits and should normally comprise items which are in transit as on the closing date. This account is the one which is most commonly used by unscrupulous persons in committing a fraud. The verification of this account is, therefore, of great importance. The procedure for verification is as follows:

(i) See that all branch accounts are periodically reconciled.

(ii) Check all adjustments in the account and ensure that the adjustments are done properly and supported by adequate documentary evidence as to its validity.

(iii) Verify that reversal entries are made under proper authority and after due explanation and evidence.

**Question 10**

Write a short note on - Principal Enactments Governing Bank Audit.

**Answer**

Principal Enactments Governing Bank Audit: There is an elaborate legal framework governing the functioning of banks in India. The principal enactments which govern the functioning of various types of banks are-

(i) Banking Regulation Act, 1949.

(iii) Companies Act, 2013.

(iv) State Bank of India (Subsidiary Banks) Act, 1959.

(v) Banking Companies (Acquisition and Transfer of Undertakings) Act, 1970.

(vi) Regional Rural Banks Act, 1976.

(vii) Banking Companies (Acquisition and Transfer of Undertakings) Act, 1980.

(x) Securitisation and Reconstruction of Financial Assets and Enforcement of
(xii) Credit Information Companies (Regulation) Act, 2005.
Besides, the above enactments, the provisions of the Reserve Bank of India Act, 1934, also affect the functioning of banks. The Act gives wide powers to the RBI to give directions to banks which also have considerable effect on the functioning of banks.

Question 11
Briefly explain the disclosure requirement of Contingent Liabilities for Banks.

Answer
Contingent Liabilities for Banks: The Third Schedule to the Banking Regulation Act, 1949, requires the disclosure of the following as a footnote to the balance sheet.

(a) Contingent liabilities
   (i) Claims against the bank not acknowledged as debts.
   (ii) Liability for partly paid investments.
   (iii) Liability on account of outstanding forward exchange contracts.
   (iv) Guarantees given on behalf of constituents-
      (1) In India.
      (2) Outside India.
   (v) Acceptances, endorsements and other obligations.
   (vi) Other items for which the bank is contingently liable.

(b) Bills for collection.

Question 12
As a branch auditor of a nationalised bank, how would you verify the following?
(a) Advances to DOT COM Companies.
(b) Balances in account of a bank situated in a foreign country.

Answer
(a) Advances to DOT COM Companies
   (i) Evaluate the efficacy of internal control system in general to ascertain whether an advance is made only after satisfying itself as to the credit worthiness of the borrower and after obtaining sanction from the appropriate authorities of the bank. The sanction for an advance must specify, among other things, the limit of borrowing, nature of security, margin to be kept, interest, terms of repayment, etc. Also see that all the necessary documents, e.g., agreements, demand promissory notes, letters of hypothecation, etc. have been executed by the parties before advances are made.
   (ii) Examine loan documents such as certificate of commencement of business, resolution of board of directors, and resolution of shareholders.
   (iii) Verify the business plan of the company especially where the revenue model is in place. Verify whether the company depends only on outside funding or can
(iv) Examine in case the security is in the form of mortgage, apart from mortgage deed (in the case of English Mortgage) or letter of intent to create mortgage (in the case of Equitable Mortgage), the evidence of registration of the charge with the Registrar of Companies.

(v) Review the operation of advance account to see that limit is not generally exceeded; that the account is not becoming stagnant; that the customer is not drawing against deposits which are not free from lien; that the account is not window-dressed by running down overdrafts at the year end and again drawing further advances in the new year, etc.

(vi) Examine whether there is a healthy turnover in the account. It should be seen that the frequency and the amounts of credits in the account are commensurate with the sanctioned limit and the nature and volume of business of the borrower. Any unusual items in the account should be carefully examined by the auditor. If the auditor's review indicates any unhealthy trends, the account should be further examined. The auditor's examination should also cover transactions in the post- balance sheet date period. Large transactions in major accounts particularly as at the year-end may be looked into to identify any irregularities in these accounts.

(vii) Review periodic statements, cash flow statements, latest financial statements, etc. to assess the recoverability of advances.

(viii) Verify whether the advance is secured and determine whether the security is legally enforceable, i.e., whether the necessary legal formalities regarding documentation, registration, etc., have been complied with; whether the security is in the effective control of the bank; and to what extent the value of the security, assessed realistically, covers the amount outstanding in the advance.

(ix) Ensure that proper provisioning norms have been applied in view of non-observance of terms, coupled with irregular payment of interest and default in repayment of instalments, if any.

(b) Balances in Account of a Bank situated in a Foreign Country

(i) Verify the ledger balances in each account with reference to the bank confirmation certificates and reconciliation statements as at the year-end.

(ii) Review the reconciliation statements and pay particular attention to the following.

(1) Examine that no debit for charges or credit for interest is outstanding and all the items which ought to have been taken to revenue for the year have been so taken. This should be particularly observed when the bills collected, etc., are credited with net amount and entries for commission, etc. are not made separately in the statement of account.

(2) Examine that no cheque sent or received in clearing is outstanding. As per the practice prevalent among banks, any cheques returned unpaid are accounted for on the same day on which they were sent in clearing or on the following day.

(3) Examine that all bills or outstanding cheques sent for collection and outstanding as on the closing date have been credited subsequently.

(iii) Examine the large transactions in inter-bank accounts, particularly towards the year-end, to ensure that no transactions have been put through for window-dressing.
(iv) Check original deposit receipts in respect of balances in deposit accounts in addition to confirmation certificates obtained from banks in respect of outstanding deposits.

(v) Check whether these balances are converted into the Indian currency at the exchange rates prevailing on the balance sheet date and ensure compliance with relevant Accounting Standard.

Question 13

While doing the audit of a nationalized bank, your Audit Assistant informed you that there are a lot of irregularities in Telegraphic Transfers and Demand Drafts. What guidance would be given to the Audit Assistant?

Answer

In respect of Telegraphic Transfers and Demand Drafts, the audit assistant would be given the following guidance-

(i) The bank should have a reliable private code known only to responsible officers of its branches, coding and decoding of telegrams should be done only by such officers.

(ii) The signatures on a demand draft should be checked by an officer with the Signature Book.

(iii) All the T.Ts and D.Ds. sold by a branch should be immediately confirmed by the advices to the branches concerned.

(iv) If the paying branch does not receive proper confirmation of any T.T. or D.D. from the issuing branch or does not receive credit in its account with that branch, it should take immediate steps to ascertain the reasons.

Question 14

Describe the audit procedures to be followed by a Statutory Auditor of a bank for audit of contingent liabilities.

Answer

Verification of Contingent Liabilities: In respect of contingent liabilities, the auditor is primarily concerned with seeking reasonable assurance that all contingent liabilities are identified and properly valued. To this end, the auditor should, generally follow the audit procedures given below:

(i) the auditor should ensure that there exists a system whereby the non fund based facilities or additional/ad hoc credit facilities to parties are extended only to their regular constituents, etc.

(ii) Ascertain whether there are adequate internal controls to ensure that transactions giving rise to contingent liabilities are executed only by persons authorised to do so and in accordance with the laid down procedures.

(iii) The auditor should also ensure that in case of LCs for import of goods, as required by the abovementioned Master Circular on guarantees and co-acceptances, the payment to the overseas suppliers is made on the basis of shipping documents and after ensuring that the said documents are in strict conformity with the terms of LCs.

(iv) Ascertain whether the accounting system of the bank provides for maintenance of adequate records in respect of such obligations and whether the internal controls
ensure that contingent liabilities are properly identified and recorded.

(v) Performs substantive audit tests to establish the completeness of the recorded obligations. Such tests include confirmation procedures as well as examination of relevant records in appropriate cases.

(vi) Review the reasonableness of the year-end amount of contingent liabilities in the light of previous experience and knowledge of the current year's activities.

(vii) Review whether comfort letters issued by the bank has been considered for disclosure of contingent liabilities.

(viii) Obtain representation from the management that-

(a) all contingent liabilities have been disclosed;
(b) the disclosed contingent liabilities do not include any contingencies which are likely to result in a loss/expense and which, therefore, require creation of a provision in the financial statements;
(c) the estimated amounts of financial effect of the contingent liabilities are based in on the best estimates terms of Accounting Standard 29, including any possibility of any reimbursement;
(d) in case of guarantees issued on behalf of the bank's directors, the bank has taken appropriate steps to ensure that adequate and effective arrangements have been made so that the commitments would be met out of the party's own resources and that the bank will not be called upon to grant any loan or advances to meet the liability consequent upon the invocation of the said guarantee(s) and that no violation of section 20 of the Banking Regulations Act, 1949 has arisen on account of such guarantee; and
(e) such contingent liabilities which have not been disclosed on account of the fact that the possibility of their outcome is remote, include the management's justification for reaching such a decision in respect of those contingent liabilities.

(ix) The auditor should also examine whether the bank has given any guarantees in respect of any trade credit (buyer's credit or seller's credit). The period of guarantees is co-terminus with the period of credit reckoned from the date of shipment.

(x) Verify whether bank has extended any non-fund facility or additional/ad hoc credit facilities to other than its regular customers. In such cases, auditor should ensure concurrence of existing bankers of such borrowers and enquire regarding financial position of those customers.

Question 15

(a) While auditing the Branch of a Bank you are required to examine Inter Branch adjustments. Which points require your special attention?

(b) How do you examine claims against the Bank not acknowledged as debts?

Answer

(a) Special Points to Examine Inter Branch Adjustments: The following points require special attention in the examination of Inter Branch transactions-

(i) While verifying the closing balance, special attention should be paid to the origin and validity of old outstanding unmatched entries, particularly debit entries. The auditor may also seek confirmation of transactions relating to
outstanding in appropriate cases.

(ii) Whether there are any reversal entries indicating the possibility of irregular payments or frauds.

(iii) Whether the balances include any items in the nature of cash in transit included in this head which remain pending for more than a reasonable period. This is because such items are not expected to remain outstanding beyond a very small period during which they are in transit.

(iv) Whether transactions other than those relating to inter branch transactions have been included in inter branch accounts. Any unusual items put through inter branch accounts as well as old or large entries outstanding in Inter branch accounts should be carefully looked into. The auditor should also seek explanations from the Management in this regard in appropriate cases.

(b) Examination of Claims against the Bank not Acknowledged as Debts: The auditor should examine the relevant evidence, for example correspondence with lawyers, claimants, workers/officers and workmen’s/officer’s unions. The auditor should also review the minutes of the meeting of the Board of directors/committees of the Board, contracts, agreements and arrangements, list of pending legal cases and correspondence relating to taxes, duties etc., to identify claims against the bank. The auditor should ascertain from the management the status of claims outstanding as at the end of previous year. A review of subsequent events would also provide evidence about completeness and valuation of claims.

Question 16

As the concurrent auditor of Z Bank Ltd., you are requested by its management to draft an internal control policy in respect of loans and advances. What factors do you consider as important while drafting such a policy?

Answer

Drafting of Internal Control Policy for Loans and Advances: The following are the important factors to be considered while drafting internal control policy in respect of loans and advances of Z Bank Ltd.-

(i) The bank should make advances only after satisfying itself as to the creditworthiness of the borrowers and after obtaining sanction from the proper authorities of the bank.

(ii) All the necessary documents (e.g., agreements, demand promissory notes, letters of hypothecation, etc.) should be executed by the parties before advances are made.

(iii) Sufficient margin should be kept against securities taken so as to cover any decline in the value thereof and also to comply with Reserve Bank directives. Such margins should be determined by the proper authorities of the bank as a general policy or for particular accounts.

(iv) All the securities should be received and returned by responsible officer. They should be kept in the Joint custody of two such officers.

(v) All securities requiring registration should be registered in the name of the bank or otherwise accompanied by the documents sufficient to give title of the bank.

(vi) In the case of goods in the possession of the bank, contents of the packages should be test checked at the time of receipts. The godowns should be regularly and frequently inspected by a responsible officer of the branch concerned, in addition
by the inspectors of the bank.

(vii) **Surprise** checks should be **made in respect** of hypothecated goods not in the possession of the bank.

(viii) Market value of goods should be **checked by officers** of the bank by personal enquiry in addition to the invoice value given by the borrowers.

(ix) As soon as any **increase** or **decrease** takes place in the value of securities proper entries should be made in the Drawing Power Book and Daily Balance Book. These entries should be checked by an officer.

(x) All accounts should be **kept** within both the drawing power and the sanctioned limit at all times.

(xi) All the accounts which exceed the sanctioned limit or drawing power or are against unapproved securities or are otherwise **irregular** should be brought to the notice of the Management/Head Office regularly.

(xii) The **operation** in each advance should be **reviewed** at least once every year.

(xiii) Post disbursement supervision and follow-up should be proper, such as receipt of stock statements, instalments, renewal of limits, etc.

(xiv) There should not be any **mis-utilisation** of the loans and instances indicative of diversion of funds should be checked.

(xv) **Letters of credit** issued by the branch should be within the delegated power and should be for genuine trade transactions.

(xvi) Bank guarantees issued, should be properly worded and recorded in the register of the bank. They should be **promptly renewed** on the due dates.

(xvii) Proper **follow-up** should be made for overdue bills of exchange.

(xviii) The **classification of advances** should be done as per RBI guidelines.

(xix) The **submission of claims** to DICGC and ECGC should be **on time**.

(xx) Instances of exceeding delegated powers should be promptly reported to controlling/Head Office by the branch and should be got confirmed or ratified at the required level.

**Question 17**
As a Statutory Auditor, how would you verify advances against Goods?

**Answer**

**Verification of Advances against Goods (Banking Companies):**

(i) **Sanction:** Examine the sanction letter, letter of hypothecation and note the important terms and conditions of the advances.

(ii) **Stock statements:** Verify the quantity and value of goods hypothecated based on the stock statements received from the borrower. Test check the Godown Register and examine the valuation of goods to ascertain the reasonableness of the same.

(iii) **Inspection:** Ascertain as to whether the premises of the borrowers are **periodically** visited by the bank officials to verify the quantity as per the periodic stock statements.

(iv) **Stock Audit:** See whether the bank has **got a system** of obtaining stock and receivables audit report in respect of such advances. If so, review the stock audit report and identify adverse comments, if any.
(v) **Hypothecation/Pledge:** Examine the letter of hypothecation and certificate of registration of charge, in respect of goods pledged with the bank.

(vi) **Insurance:** Examine the insurance policies for their validity, adequacy etc. and see that policies are in favour of the bank.

(vii) **Documents of title:** Inspect the documents of title to goods like bill of lading, dock warrant, railway receipts etc to ensure that they are endorsed registered in favour of the bank.

(viii) **Third party certificate:** Where the hypothecated goods are in possession of third parties, such as clearing and forwarding agents, transporters, bankers, etc. undertaking has been obtained by the bank that they will hand over the goods or sale proceeds thereof to the bank only. In such cases, certificate should be obtained by the bank from such third parties regarding quantities on hand, on balance sheet date. The valuation of such goods should be checked by the auditor.

**Question 18**

“An asset, including a leased asset, becomes non-performing when it ceases to generate income for the Bank.” Define the criteria for classification of non-performing assets.

**Answer**

**Classification of Non-Performing Assets:** An asset, including a leased asset, becomes non-performing when it ceases to generate income for the bank.

The following criteria are to be **applied for determining** the status of various types of credit facilities:

(a) **Term Loans:** A term loan is treated as a non-performing asset (NPA) if interest and/or instalment of principal remain overdue for a period of more than 90 days.

(b) **Cash Credits and Overdrafts:** A cash credit or overdraft account is treated as NPA if it remains out of order as indicated above.

(c) **Bills Purchased and Discounted:** Bills purchased and discounted are treats as NPA if they remain overdue and unpaid for a period of more than 90 days.

(d) **Securitisation:** The asset is to be treated as NPA if the amount of liquidity facility remains outstanding for more than 90 days, in respect of a securitisation transaction undertaken in terms of guidelines on securitisation dated February 1, 2006.

(e) **Agricultural Advances:** A loan granted for short duration crops will be treated as NPA, if the instalment of principal or interest thereon remains overdue for two crop seasons and, a loan granted for long duration crops will be treated as NPA, if the instalment of principal or interest thereon remains overdue for one crop season.

(f) **Credit Card Accounts:** RBI vide its Circular on “Prudential Norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances – Credit Card Accounts” advised that a credit card account will be treated as non-performing asset if the minimum amount due, as mentioned in the statement, is not paid fully within 90 days from the next statement date. The gap between two statements should not be more than a month.
Question 19
Write a short note on - Vestro and Nosto Accounts.

Answer
Vosto and Nosto Accounts: Bank's maintain stocks of foreign currencies in the form of Bank Accounts with their overseas branches/correspondents. Such foreign currency accounts maintained by Indian banks at other overseas centres are designated by it as "Nosto Account". For example, all banks in India would be maintaining a US Dollar Account with their New York office/branch/correspondents, such account would be designated by the Indian office as Nosto Account. "Vestro Account" is the opposite of Nosto accounts. Here a foreign bank in another country maintains stocks of Indian rupees with their Indian branch/ correspondent/local bank. Such Indian Rupee Accounts are designated as a Vestro Account. For example, a German Bank might maintain a Vestro Account in rupees in terms with Indian Bank. While examining the transaction in foreign exchange, the auditor should also pay attention to reconciliation of Nosto Accounts with the respective minor account. The amount in the Nosto account is stock of foreign currency in the form of bank accounts with the overseas branches and correspondents. Unreconciled Nosto Accounts, on an examination, may reveal unauthorized payments from the foreign currency account, unauthorized withdrawals, and unauthorized debit to minor account. The auditor should also evaluate the internal control with regard to inward/ outward messages. The inward/ outward messages should be properly authenticated and discrepancies noticed, should be properly dealt with, in the books of accounts.

The auditor should also verify whether prescribed procedure in relation to inter bank confirmation in the Vestro account is followed or not. In case balance confirmation certificate have been received but the same have not been reconciled, or where confirmation has not been received the same should be reported, in respect of each Vestro Account.

Question 20
In course of audit of Good Samaritan Bank as at 31st March, 16 you observed the following:

(a) In a particular account there was no recovery in the past 18 months. The bank has not applied the NPA norms as well as income recognition norms to this particular account. When queried the bank management replied that this account was guaranteed by the central government and hence these norms were not applicable. The bank has not invoked the guarantee. Please respond. Would your answer be different if the advance is guaranteed by a State Government?

(b) The bank's advance portfolio comprised of significant loans against Life Insurance Policies. Write suitable audit program to verify these advances.

Answer
(a) Government Guaranteed Advance: If a government guaranteed advance becomes NPA, then for the purpose of income recognition, interest on such advance should not to be taken to income unless interest is realized. However, for purpose of asset classification, credit facility backed by Central Government Guarantee, though overdue, can be treated as NPA only when the Central Government repudiates its guarantee, when invoked.

Since the bank has not revoked the guarantee, the question of repudiation does not arise. Hence the bank is correct to the extent of not applying the NPA norms for
provisioning purpose. But this exemption is not available in respect of income recognition norms. Hence the income to the extent not recovered should be reversed.

The situation would be different if the advance is guaranteed by State Government because this exception is not applicable for State Government Guaranteed advances, where advance is to be considered NPA if it remains overdue for more than 90 days.

In case the bank has not invoked the Central Government Guarantee though the amount is overdue for long, the reasoning for the same should be taken and duly reported in LFAR.

(b) The Audit Programme to Verify Advances against Life Insurance Policies is as under-

(i) The auditor should inspect the policies and see whether they are assigned to the bank and whether such assignment has been registered with the insurer.

(ii) The auditor should also examine whether premium has been paid on the policies and whether they are in force.

(iii) Certificate regarding surrender value obtained from the insurer should be examined.

(iv) The auditor should particularly see that if such surrender value is subject to payment of certain premium, the amount of such premium has been deducted from the surrender value.

Question 21

(a) What do you understand by Long-form Audit Report?

(b) As the concurrent auditor of Nagpur Main Branch of XYZ Bank Ltd. state the issues which have to be considered in the audit of advances.

Answer

(a) Long Form Audit Report: The long form Audit Report has to be furnished by the auditor of a bank in addition to the audit report as per the statutory requirement. The matters which the banks require their auditor to deal with in the form of Long Form Audit Report have been specified by Reserve Bank of India.

The LFAR is to be submitted before 30th June every year. To ensure timely submission of LFAR, proper planning for completion of the LFAR is required. While the format of LFAR does not require an executive summary to be given, members may consider providing the same to bring out the key observations from the whole document.

(b) Audit of Advances of a Bank: The items to be covered in the concurrent audit of advances of a bank are as follows-

(i) Ensure that loans and advances have been sanctioned properly (i.e. after due scrutiny and at the appropriate level).

(ii) Verify whether the sanctions are in accordance with delegated authority.

(iii) Ensure that securities and documents have been received and properly charged/registered.

(iv) Ensure that post disbursement supervision and follow-up is proper, such as receipt of stock statements, instalments, renewal of limits, etc.

(v) Verify whether there is any mis utilisation of the loans and whether there are instances indicative of diversion of funds.
(vi) Check whether the letters of credit issued by the branch are within the delegated power and ensure that they are for genuine trade transactions.

(vii) Check the bank guarantees issued, whether they have been properly worded and recorded in the register of the bank. Whether they have been promptly renewed on the due dates.

(viii) Ensure proper follow-up of overdue bills of exchange.

(ix) Verify whether the classification of advances has been done as per RBI guidelines.

(x) Verify whether the submission of claims to DICGC and ECGC is in time.

(xi) Verify that instances of exceeding delegated powers have been promptly reported to controlling/Head Office by the branch and have been got confirmed or ratified at the required level.

(xii) Verify the frequency and genuineness of such exercise of authority beyond the delegated powers by the concerned officials.

**Question 22**

Explain the scope of concurrent audit of a bank with reference to Reserve Bank of India guidelines.

**Answer**

**Scope of Concurrent Audit of Banks with Reference to RBI Guidelines:** The following are the areas to be covered-

(i) Daily cash transactions with reference to abnormal receipts and payments. This will include currency chest transactions, major expenses met by cash, high value receipts and disbursements.

(ii) Purchase and sale of shares securities etc. Physical verification of investments and rates at which they are entered into.

(iii) Verification of procedure and documentation to open new current, savings, term deposit accounts, etc. Unusual operations noticed have to be thoroughly examined.

(iv) Verification of advances, overdrafts, temporary OD, Cash credit accounts, term loans, bills purchase, letters of credit etc. Procedure for sanction and documentation to be verified. Any deviation noticed to be examined in great detail.

(v) Foreign exchange transactions to be verified with reference to RBI guidelines.

(vi) Verification of balancing of all ledgers and registers, inter branch reconciliation calculation and verification of interest, discount, commission etc.

(vii) Revenue leakage to be detected.

(viii) Special efforts to be made in all fraud prone areas. The attempt should be to ensure that all effective measures are taken to prevent frauds.

(ix) Verification of high value transactions.

(x) Procedure for safe custody of security forms with the branch.

(xi) Whether all procedures for tax deduction at source are followed and the tax so deducted are deposited into Government Account within the time fixed.

(xii) Verification of returns, statements, calculation of capital adequacy ratio and compliance with requirements of government business.

(xiii) Study of RBI and Internal Inspection reports statutory auditors report and
compliance thereto.

(xiv) Whether the customers’ complaints are dealt with promptly.

**Question 23**

Write a short note on reversal of income under bank audit.

**Answer**

**Reversal of Income:** If any advance, including bills purchased and discounted, becomes Non-Performing Assets as at the close of any year, the entire interest accrued and credited to income account in the past periods, should be reversed or provided for if the same is not realised. This will apply to Government guaranteed accounts also.

In respect of NPAs, fees, commission and similar income that have accrued should cease to accrue in the current period and should be reversed or provided for with respect to past periods, if uncollected.

Further, in case of banks which have wrongly recognised income in the past should reverse the interest if it was recognised as income during the current year or make a provision for an equivalent amount if it was recognised as income in the previous year(s).

**Question 24**

What are the exceptions to the general rule of treating advances as Non-performing Assets (NPAs)?

**Answer**

**Non-performing Assets:** RBI has laid down norms for classification of assets and provisioning norms for NPAs. However, certain exceptions to these norms are discussed below–

(i) **Temporary deficiencies**, e.g., non-availability of current drawing power due to non-receipt of latest stock statement, temporary delay in renewals of limits on due date, etc.

(ii) **Natural Calamities:** Where, in the wake of natural calamities, short-term agricultural loans are converted into term loans or there is rescheduling of repayment period or fresh short-term loans are sanctioned, the term loan as well as fresh short term loan may be treated as current dues and need not be classified as NPA.

(iii) **Facilities Backed by Central Government Guarantees:** Credit facilities backed by guarantee of the Central Government though overdue should be treated as NPA only when the government repudiates its guarantee when invoked (this exemption is only for the purpose of asset classification and provisioning and not for the purpose of recognition of income).

(iv) **Advances to “On Lending” arrangements** are also exempted under this category.

**Question 25**

Advances generally constitute the major part of the assets of the bank. There are substantial number of borrowers to whom variety of advances are granted. The audit of advances requires the major attention from the auditors.

As an expert in bank audit, you are required to briefly discuss the area of focus and
suggested audit procedures regarding evaluation of internal controls over advances, substantive audit procedures and recoverability of advances.

or

Your firm has been appointed as branch auditor of East West Bank Ltd. In carrying out verification of advances, what are the primary evidences you will look into? – Substantive Audit Procedures

**Answer**

**Evaluation of Internal Controls over Advances**

- Examine loan documentation;
- Examine the validity of the recorded amounts;
- Examine the existence, enforceability and valuation of the security;
- Ensure compliance with the terms of sanction and end use of funds.
- Ensure compliance with Loan Policy of Bank as well as RBI norms including appropriate classification and provisioning
- Review the operation of the accounts;

**Substantive Audit Procedures**

- Check that amounts included in balance sheet in respect of advances are outstanding at the date of the balance sheet.
- Check that advances represent amount due to the bank.
- Verify that amounts due to the bank are appropriately supported by Loan documents and other documents as applicable to the nature of advances.
- Ensure there are no unrecorded advances.
- Check that the stated basis of valuation of advances is appropriate and properly applied, and that the recoverability of advances is recognised in their valuation.
- Verify that the advances are disclosed, classified and described in accordance with recognised accounting policies and practices and relevant statutory and regulatory requirements.
- Check that appropriate provisions towards advances have been made as per the RBI norms, Accounting Standards and generally accepted accounting practices.
- Examine all large advances while other advances may be examined on a sample basis
- Verify completeness and accuracy of interest being charged

**Recoverability of Advances**

- Review periodic statements submitted by the borrowers indicating the extent of compliance with terms and conditions.
- Review latest financial statements of borrowers.
- Review reports on inspection of security.
- Review Auditors’ reports in the case of borrowers enjoying aggregate credit limits of
Question 26

Your firm has been appointed as Central Statutory Auditors of a Nationalised Bank. The Bank follows financial year as accounting year. State your views on the following issues which were brought to your notice by your Audit Manager:

a) The bank has recognised on accrual basis income from dividends on securities and Units of Mutual Funds held by it as at the end of financial year. The dividends on securities and Units of Mutual Funds were declared after the end of financial year.

b) The bank is a consortium member of Cash Credit Facilities of `50 crores to X Ltd. Bank’s own share is `10 crores only. During the last two quarters against a debit of `1.75 crores towards interest the credits in X Ltd’s account are to the tune of `1.25 crores only. Based on the certificate of lead bank, the bank has classified the account of X Ltd as performing.

Answer

a) It is not a prudent practice to treat dividend on shares of corporate bodies and units of mutual funds as income unless these are actually received.

- Accordingly, income from dividend on shares of corporate bodies and units of mutual funds should be booked on cash basis.
- In respect of income from government securities and bonds and debentures of corporate bodies, where interest rates on these instruments are pre-determined, income could be booked on accrual basis, provided interest is serviced regularly and as such is not in arrears.
- It was further, however, clarified that banks may book income on accrual basis on securities of corporate bodies/public sector undertakings in respect of which the payment of interest and repayment of principal have been guaranteed by the central government or a State government.
- Banks may book income from dividend on shares of corporate bodies on accrual basis, provided dividend on the shares has been declared by the corporate body in its annual general meeting and the owner’s right to receive payment is established. This is also in accordance with AS 9 as well.
- In the instant case, therefore, the recognition of income by the bank on accrual basis is not in order.

b) The bank is a consortium member of cash credit facilities of `50 crores to X Ltd. Bank’s own share is `10 crores only. During the last two quarters against a debit of `1.75 crores towards interest, the credits in X Ltd’s account are to the tune of `1.25 crores only. Sometimes, several banks form a group (the 'consortium') under the leadership of a 'lead bank' to make advance to a large customer on same conditions and security with proportionate rights.

In such cases, each bank may classify the advance given by it according to its own experience of recovery and other factors. Since in the last two quarters, the amount remains outstanding and, thus, interest amount should be reversed.

This is despite the certificate of lead bank to classify that the account as performing. Accordingly, the amount should be shown as non-performing asset.
**Question 27**

While doing the audit of a Nationalised bank branch, your audit assistant informed you that he suspects some irregularities in Guarantees issued by the Bank. What should be your guidance in the matter to check the same?

**Answer**

1. The auditor should ascertain whether there are adequate internal controls over issuance of guarantees, e.g., whether guarantees are issued under proper sanctions, whether adherence to limits sanctioned for guarantees is ensured, whether margins are taken from customers before issuance of guarantees as per the prescribed procedures, etc.

2. The auditor should ascertain whether there are adequate controls over unused guarantee forms, e.g., whether these are kept under the custody of a responsible official, whether a proper record is kept of forms issued, whether stock of forms are periodically verified and reconciled with the book records, etc.

3. The auditor should examine the guarantee register to seek evidence whether the prescribed procedure of marking off the expired guarantees is being followed or not.

4. The auditor should check the relevant guarantee registers with the list of outstanding guarantees to obtain assurance that all outstanding guarantees are included in the amount disclosed in this behalf.

5. The auditor should also examine that expired guarantees are not included in this head. He should verify guarantees with the copies of the letters of guarantee issued by the bank and with the counter-guarantees received from the customers.

6. He should also verify the securities held as margin. If a claim has arisen, the auditor should consider whether a provision is required in terms of the requirements of AS 29, "Provisions, Contingent Liabilities and Contingent Assets".

7. The auditor should obtain a written confirmation from the management that all obligations in respect of guarantees have been duly recorded and that there are no guarantees issued upto the year-end which are yet to be recorded.

**Question 28**

KDK Bank Ltd., received an application from a pharmaceutical company for take over of their outstanding term loans secured on its assets, availed from and outstanding with a nationalised bank. KDK Bank Ltd., requires you to make a due diligence audit in the areas of assets of pharmaceutical company especially with reference to valuation aspect of assets. State what may be your areas of analysis in order to ensure that the assets are not stated at overvalued amounts

**Answer**

In case of due diligence exercise, the area of analysis in order to ensure that the assets are not stated at over-valued amounts are:

- Uncollected/uncollectable receivables.
- Obsolete, slow non-moving inventories or inventories valued above NRV; huge inventories of packing materials etc. with name of company.
- Underused or obsolete Plant and Machinery and their spares; asset values which have been impaired due to sudden fall in market value etc.
- Assets carried at much more than current market value due to capitalization of
expenditure/foreign exchange fluctuation, or capitalization of expenditure mainly in the nature of revenue.

- Litigated assets and property.
- Investments carried at cost though realizable value is much lower.
- Investments carrying a very low rate of income / return.
- Infrastructural project expenditure/deferred revenue expenditure etc.
- Group Company balances not reconciled.
- Intangibles having no realizable value.

Question 29
In the course of audit of Skip Bank Ltd., you found that the Bank had sold certain of its non-performing assets. Draft the points of audit check that are very relevant to this area of checking.

Answer
a. the policy laid down by the Board of Directors in this regard relating to procedures, valuation and delegation of powers.

b. that only such NPA has been sold which has remained NPA in the books of the bank for at least 2 years.

c. the assets have been sold/ purchased “without recourse’ only.

d. subsequent to the sale of the NPA, the bank does not assume any legal, operational or any other type of risk relating to the sold NPAs.

e. the NPA has been sold at cash basis only.

f. the bank has not purchased an NPA which it had originally sold.

g. that on the sale of the NPA, the same has been removed from the books of the account.

h. that the short fall in the net book value has been charged to the profit and loss account.

i. that where the sale is for a value higher than the NBV, no profit is recognised and the excess provision has not been reversed but retained to meet the shortfall/ loss because sale of other non-performing financial assets.

Question 30
M/s CAS & Associates have been appointed as one of the statutory central auditors of FDMH Bank., for the Financial Year 2019-20. During the course of the audit, the auditor found that the bank has a balance with a Zurich based bank. The auditor understands that such balance is a matter of important consideration in the audit of the bank. Being head-in-charge of the assignment, while planning, you distributed the work among your team members and assigned Mr. Ansh for verification of Balances in account of the bank situated in foreign country. However, Mr. Ansh, being fresh to the bank audits, needs your guidance. Kindly guide

Answer
The following procedure may be followed while verifying balances in account of a bank situated in a foreign country -

1. Verify the ledger balances in each account with reference to the bank confirmation certificates and reconciliation statements as at the year-end.
2. Review the reconciliation statements and pay particular attention to the following.

- Examine that no debit for charges or credit for interest is outstanding and all the items which ought to have been taken to revenue for the year have been so taken. This should be particularly observed when the bills collected, etc., are credited with net amount and entries for commission, etc. are not made separately in the statement of account.
- Examine that no cheque sent or received in clearing is outstanding. As per the practice prevalent among banks, any cheques returned unpaid are accounted for on the same day on which they were sent in clearing or on the following day.
- Examine that all bills or outstanding cheques sent for collection and outstanding as on the closing date have been credited subsequently.

3. Examine the large transactions in inter-bank accounts, particularly towards the year-end, to ensure that no transactions have been put through for window-dressing.

4. Check original deposit receipts in respect of balances in deposit accounts in addition to confirmation certificates obtained from banks in respect of outstanding deposits.

5. Check whether these balances are converted into the Indian currency at the exchange rates prevailing on the balance sheet date and ensure compliance with relevant Accounting Standard.

**Question 31**

M/s Sri & Co., Chartered Accountants, have been allotted the branch audit of a nationalized bank for the year ended 31st March, 2019. You are part of audit team and have been instructed by your partner to verify the following areas:

a. Fulfilment of the criteria prescribed for NPA norms for the advances given for agricultural purposes.

b. Drawing power calculation from stock statements in respect of working capital accounts.

What may be your areas of concern as regards matters specified above?

**Answer**

a. A loan granted for short duration crops will be treated as NPA, if the instalment of principal or interest thereon remains overdue for two crop seasons. A loan granted for long duration crops will be treated as NPA, if the instalment of principal or interest thereon remains overdue for one crop season. For the purpose of these guidelines, “long duration” crops would be crops with crop season longer than one year and crops, which are not “long duration” crops, would be treated as “short duration” crops. The crop season for each crop, which means the period up to harvesting of the crops raised would be as determined by the State Level Bankers’ Committee in each State. Depending upon the duration of crops raised by an agriculturist, the above NPA norms would also be made applicable to agricultural term loans availed of by him. The above norms should be made applicable to all direct agricultural advances listed in Master Circular on lending to priority sector. In respect of agricultural loans, other than those specified in the circular, identification of NPAs would be done on the same basis as non-agricultural advances, which, at present, is the 90 days delinquency norm.

b. Drawing Power calculation from stock statements in respect of working capital accounts: In case of working capital borrowal account, drawing power calculated from stock statement older than 3 months has to be considered as “irregular” (overdue). If such
“irregular” account continues for 90 days, account has to be classified as NPA, even though the account is otherwise operated regularly.

The stock statements, quarterly returns and other statements submitted by the borrower to the bank should be scrutinised in detail.

The audited Annual Report submitted by the borrower should be scrutinised properly. The monthly stock statement of the month for which the audited accounts are prepared and submitted should be compared and the reasons for deviations, if any, should be ascertained.

It needs to be ensured that the drawing power is calculated as per the extant guidelines formulated by the Board of Directors of the respective bank and agreed upon by the concerned statutory auditors. Special consideration should be given to proper reporting of sundry creditors for the purposes of calculating drawing power.

The stock audit should be carried out by the bank for all accounts having funded exposure of more than ` 5 crores. Auditors can also advise for stock audit in other cases if the situation warrants the same. Branches should obtain the stock audit reports from lead bank in the cases where the Bank is not leader of the consortium of working capital. The report submitted by the stock auditors should be reviewed during the course of the audit and special focus should be given to the comments made by the stock auditors on valuation of security and calculation of drawing power.

The drawing power needs to be calculated carefully in case of working capital advances to companies engaged in construction business. The valuation of work in progress should be ensured in consistent and proper manner. It also needs to be ensured that mobilization advance being received by the contractors is reduced while calculating drawing power.

Question 32

Banks, because of certain characteristics, are distinguished from other commercial enterprises and hence it needs special audit consideration.

As an auditor of a bank, specify the various peculiarities which may necessitate special audit consideration to be taken care by you

Answer

Special audit considerations arise in the audit of banks because of:

1. the particular nature of risks associated with the transactions undertaken;
2. the scale of banking operations and the resultant significant exposures which can arise within short period of time;
3. the extensive dependence on IT to process transactions;
4. the effect of the statutory and regulatory requirements
5. the continuing development of new products and services and banking practices which may not be matched by the concurrent development of accounting principles and auditing practices;
6. Evolution of technology and providing services through Net Banking and Mobiles has exposed banks to huge operational and financial risk.

The auditor should consider the effect of the above factors in designing his audit approach. It is imperative for Branch Auditor and Statutory Central Auditor to have detailed knowledge of the products offered and risks associated with them, and appropriately address them in their audit plan to the extent they give rise to the risk of
material misstatements in the financial statements.

In today's environment, the banks use different applications to carry out different transactions which may include data flow from one application to other application; the auditor while designing his plans should also understand interface controls between the various applications.

**Question 33**

In the course of statutory Branch audit of KS Bank Ltd, you observe that some borrower accounts have been regularised before Balance sheet date by payment of overdue amount. Narrate the audit procedures to be carried out with special focus on the Classification of advances and Provisioning for Non-Performing assets of the Branch

**Answer**

The Audit procedures that need to be carried out with special focus on classification of advances and provisioning for NPAs of KS Bank Ltd, in which the auditor has observed that some borrower accounts have been regularized before balance sheet date by payment of overdue amount shall be carried out as under:

(i) As per the Reserve Bank guidelines, if an account has been regularised before the balance sheet date by payment of overdue amount through genuine sources, the account need not be treated as NPA.

(ii) Where subsequent to repayment by the borrower (which makes the account regular), the branch has provided further funds to the borrower (including by way of subscription to its debentures or in other accounts of the borrower), the auditor should carefully assess whether the repayment was out of genuine sources or not.

(iii) Where the account indicates inherent weakness based in the data available, the account shall be deemed as a NPA.

**Classification and Provision**

a. Examine whether the classification made by the branch is appropriate. Particularly, examine the classification of advances where there are threats to recovery.

b. Examine whether the secured and the unsecured portions of advances have been segregated correctly and provisions have been calculated properly.

c. It is to be ensured that the classification is made as per the position as on date and hence classification of all standard accounts be reviewed as on balance sheet date.

d. The date of NPA is significant to determine the classification and hence specific care be taken in this regard.

e. NPA should be recognized only based on concept of Past Due/Overdue concept, and not based on the Balance Sheet date.

**Question 34**

SSP Bank was engaged in the business of providing Portfolio Management Services to its customers, for which it took prior approval from RBI. Your firm has been appointed as the statutory auditors of the Bank's financial statements for the year 2019-20. Your senior has instructed you to verify the transactions of Portfolio Management Services (PMS). While verifying the transactions you noticed that the bank has not maintained separate record for PMS transactions from the Bank's own investments. As a statutory auditor what
methodology will be adopted by you for verification of PMS transactions?

**Answer**

The auditor needs to examine whether the bank, as required by the RBI, is maintaining separate accounts for the investments made by it on their own Investment Account, PMS clients’ account, and on behalf of other Constituents (including brokers). As per the RBI guidelines, banks are required to get their investments under PMS separately audited by external auditors.

Thus, in the instant case, SSP Bank is required to prepare separate records for PMS and as per RBI guidelines PMS investments need to be audited separately by the external auditors and the auditors are required to give a certificate separately for the same. So, in the above case the auditor should not verify the PMS transactions and advise the bank to segregate the PMS transactions from its own investments and provide the certificate of external auditor as described above. In case SSP Bank does not provide the same the auditor may report accordingly.

**Question 35**

You are auditing a small bank branch with staff strength of the manager, cashier and three other staff Peter, Prem and Pran. Among allocation of work for other areas, Peter who is a peon also opens all the mail and forwards it to the concerned person. He does not have a signature book so as to check the signatures on important communications. Prem has possession of all bank forms (e.g. Cheque books, demand draft/pay order books, travelers’ cheques, foreign currency cards etc.). He maintains a record meticulously which you have test checked also. However, no one among staff regularly checks that. You are informed that being a small branch with shortage of manpower, it is not possible to always check the work and records. Give your comments.

**Answer**

Banks are required to implement and maintain a system of internal controls for mitigating risks, maintain good governance and to meet the regulatory requirements. Given below are examples of internal controls that are violated in the given situation:

In the instant case, Peter who is a peon opens all the mail and forwards it to the concerned person. Further, he does not have a signature book so as to check the signatures on important communications is not in accordance with implementation and maintenance of general internal control. As the mail should be opened by a responsible officer. Signatures on all the letters and advices received from other branches of the bank or its correspondence should be checked by an officer with the signature book.

All bank forms (e.g. Cheque books, demand draft/pay order books, travelers’ cheques, foreign currency cards etc.) should be kept in the possession of an officer, and another responsible officer should verify the issuance and stock of such stationery. In the given case, Prem has possession of all bank forms (e.g. cheque books, demand draft/pay order books, travelers’ cheques, foreign currency cards etc.). He maintains a record meticulously which were also verified on test check basis.

Further, contention of bank that being a small branch with shortage of manpower they are not able to check the work and records on regular basis, is not tenable as such lapses in internal control pose risk of fraud.

The auditor should report the same in his report accordingly.

***
