- c) An audit programme is a summarized plan
- d) There should be periodic review of the audit programme to assess whether the same continues

246. While determining materiality of any item financial statements, the auditor considers

- a) Quantity of item
- **b**) Quality of item
- c) Legal or Regulatory consideration of item
- d) All of these

247. Materiality in terms of amount or amounts set by the auditor for particular classes of transactions, account balances or disclosures is called as

- a) Materiality for financial statement as a whole
- b) Performance Materiality

- c) Item Materiality
- d) None of these

248. Determining a percentage to be applied to a chosen benchmark (in relation to materiality) involves the

exercise of _____

- a) Independence
- b) Professional judgement
- c) Professional skepticism
- d) All of the above

249. In determining the level of materiality for an audit, what should not be considered?

- a) Prior year's errors
- **b)** The auditor's remuneration
- c) Adjusted interim financial statements
- d) Prior year's financial statements.

250. Which of the following is a type of audit procedure

- a) Risk Assessment Procedures
- **b)** Further Audit Procedures
- **c**) Both (a) and (b)
- d) None of these

251. Which of the following SAs deals with auditor's responsibilities w.r.t. risk assessment

- a) SA 315
- **b)** SA 320
- c) SA 330
- **d)** SA 450

252. Risk assessment procedures are performed by auditor

- a) To detect material misstatements in the financial statements
- b) To identify and assess material misstatements in the financial statements
- c) To identify and assess operational risk in the operations of the entity
- d) All of these

253. Components of risk of material misstatements are

- a) Inherent Risk and Control Risk
- **b**) Inherent Risk and Detection Risk
- c) Control Risk and Detection Risk
- d) Inherent Risk, Control Risk and Detection Risk

254. Audit Risk refers to risk that

- a) If financial statements are materially misstated then auditor may express an inappropriate opinion.
- b) Audit sample may be inappropriate
- c) Auditor may be unable to complete auditing engagement in timely manner
- d) All of these

255. The risk for the company that an auditor may issue an unqualified report due to auditor's failure to detect some misstatement either due to fraud or error is

- a) Financial accounting risk
- **b)** Analytical risk
- c) Taxation risk
- **d**) Audit risk

256. Components of audit risk are

- a) Inherent Risk, Control Risk and Sampling Risk
- b) Inherent Risk, Control Risk and Detection Risk
- c) Inherent Risk and Control Risk
- d) None of these

257. An identified and assessed risk of material misstatement that, in the auditor's professional judgement, requires special audit consideration is called as

- a) Inherent Risk
- b) Audit Risk
- c) Sampling Risk
- d) Significant Risk

258. Inherent Risk refers to

- a) Risk of an inappropriate opinion
- b) Risk of failure of internal control in the prevention or detection of material misstatements
- c) Susceptibility of account balances or class of transaction to be materially misstated, assuming there were no internal controls
- d) Risk of non-detection of material misstatements in financial statements

259. Control Risk refers to

- a) Risk of an inappropriate opinion
- b) Risk of failure of internal control in the prevention or detection of material misstatements
- c) Susceptibility of account balances or class of transaction to be materially misstated, assuming there were no internal controls
- d) Risk of non-detection of material misstatements in financial statements

260. If before considering the internal controls at the audited entity, there is a high probability of certain errors in the financial statements, we particularly speak of

- a) a high sampling risk.
- b) a high inherent risk
- c) a high control risk
- d) a high detection risk

261. Detection Risk refers to

- a) Risk of an inappropriate opinion
- b) Risk of failure of internal control in the prevention or detection of material misstatements
- c) Susceptibility of account balances or class of transaction to be materially misstated, assuming there were no internal controls

- d) Risk of non-detection of material misstatements in financial statements
- 262. The risk that an auditor's procedures will lead to the conclusion that a material misstatement does not exist in an account balance when, in fact, such misstatement actually does exist is
 - a) Audit risk
 - **b**) Sampling risk
 - c) Control risk
 - d) Detection risk

263. There is inverse relationship between

- a) Inherent risk and control risk
- b) Combined risk of inherent and control risk with risk of material misstatements
- c) Materiality and Audit Risk
- d) Detection Risk and Audit Risk

264. There is inverse relationship between

- a) Inherent Risk and Control Risk
- b) Combined risk of inherent and control risk with risk of material misstatements
- c) Combined risk of inherent and control risk with detection risk
- d) Sampling Risk and Non-Sampling Risk
- 265. Which of the following in not an assertion about classes of transactions and events for the period under audit:
 - a) Occurrence
 - **b**) Accuracy
 - c) Classification
 - d) Existence
- 266. Which of the following is not an assertion about classes account balances at the period end
 - a) Existence
 - **b**) Valuation
 - c) Accuracy
 - d) Rights and Obligations
- 267. XYZ Limited decided that it wanted to improve earnings. To do this, they understated their expenses by omitting unpaid expenses from the accrued liabilities account at year end. Which management assertion has been violated?
 - a) Rights and obligations
 - **b**) Completeness
 - c) Existence
 - d) Disclosure

268. Pick the odd one

- a) Occurrence
- **b**) Existence
- c) Right and obligation

d) Valuation

269. Pick the odd one

- a) Occurrence
- **b**) Accuracy
- c) Cut-off
- d) Valuation

270. Which of the following are performed as risk assessment procedures

- a) Observation
- **b**) Inquiry
- c) Analytical Review
- d) All of these

271. Significant risk refers to

- a) Audit Risk
- b) Sampling Risk
- c) Risk of material misstatements
- d) Risk of material misstatements requiring special audit considerations

272. Which of the following is not a component of Internal Control

- a) Information system
- **b)** Control environment
- c) Entity's risk assessment procedures
- d) Quality review

273. The auditor must have a thorough understanding of the entity, the client's business strategies, processes, and measurement indicators for critical success. This analysis helps the auditor

- a) Decide if they want to accept the engagement
- b) Identify risks associated with the client's strategy that could affect the financial statements
- c) Assess the level of materiality that is appropriate for the audit
- d) Identify the potential for fraud in the financial reporting process

274. Which of the following SA deals with auditor's responsibility to design and perform further audit procedures as a response on assessed risk

- a) SA 330
- **b)** SA 315
- c) SA 320
- **d)** SA 450

275. Which of the following is a further audit procedure as per SA 330

- a) Risk assessment procedure
- **b**) Internal check
- c) Substantive audit procedures
- d) Internal audit

276. Test of controls is performed by auditor

- a) To evaluate operating effectiveness of internal controls
- **b)** To detect material misstatements in financial statements
- c) To identify and assess risk of material misstatements in financial statements
- d) All of above

277. The auditor shall test controls

- a) For particular time
- **b**) Throughout the period
- **c**) (a) or (b)
- d) None of these

278. The auditor shall design and perform tests of controls to obtain sufficient appropriate audit evidence as to operating effectiveness of relevant controls when:

- a) The auditor's assessment of risks of material misstatements includes an expectation that controls are operating effectively
- b) Substantive procedures alone cannot provide sufficient appropriate audit evidence
- **c**) (a) or (b)
- d) None of these

279. In case of recurring audit engagement, it is a matter of professional judgment of auditor to determine whether it is appropriate to use audit evidence about the operating effectiveness of controls obtained in previous audit but auditor shall test the controls at least once in every

- a) Third audit
- **b**) Fourth audit
- c) Fifth audit
- d) Sixth audit

280. Factors which may warrant re-testing of controls in recurring audit engagement are

- a) Deficient general IT controls
- b) Deficient monitoring controls
- c) A deficient control environment
- d) All of these

281. Substantive audit procedures are performed by auditor

- a) To determine nature, timing and extent of test of controls
- b) To determine nature, timing and extent of substantive analytical procedures
- c) To detect material misstatements.
- d) To identify and assess detection risk

282. Substantive audit procedure comprises:

- a) Substantive analytical procedures
- **b**) Test of details
- c) Both (a) and (b)
- d) None of these

283. Nature, timing and extent of substantive audit procedures are determined by auditor on the basis of

- a) Test of controls performed
- **b)** Understanding of entity and its related environment
- c) Test of details
- **d)** All of these

284. Substantive procedures related to the financial statements closing process are

- a) Verification of assets and liabilities
- **b)** Agreeing or reconciling the financial statements with the underlying records
- c) Examining material journal entries and other adjustments made during the course of preparing the financial statements
- **d**) Both (b) and (c)

285. Which statement best describes the interaction of the systems and substantive approaches in the audit plan?

- a) The systems approach focuses on testing controls to make sure they are effective, while the substantive approach is the detailed testing of specific accounts for accuracy
- **b**) The systems approach focuses on detailed testing of specific accounts for accuracy, while the substantive approach is the testing controls to make sure they are effective
- c) The systems approach focuses on the use of computer systems to aid in the audit while the substantive approach focuses on more manual tests
- d) A thoroughly designed systems approach to auditing can eliminate

286. After testing a client's internal control activities, an auditor discovers a number of significant deficiencies in the operation of a client's internal controls. Under these circumstances the auditor most likely would

- a) Issue a disclaimer of opinion about the internal controls as part of the auditor's report
- b) Increase the assessment of control risk and increase the extent of substantive tests
- c) Issue a qualified opinion of this finding as part of the auditor's report
- d) Withdraw from the audit because the internal controls are ineffective

287. What is not included under the audit term "substantive procedures"?

- a) Test made to obtain evidence of material errors
- **b)** A general strategy and detained concerning the nature, timing and extent of audit procedures to be performed.
- c) Analytical procedures to analyze trends and fluctuations
- **d)** Test of the details of the transactions

288. The auditor shall apply procedures to examine overall presentation of financial statements and their compliance with relevant FRF, these are called as

- a) Audit procedures responsive to risk assessed at assertion level
- **b**) Overall response
- c) Both (a) and (b)
- **d**) Either (a) or (b)

- 289. Which of following SA deals with auditor's responsibility to design and perform audit procedures in such a way to enable the auditor to obtain sufficient and appropriate audit evidence to be able to draw reasonable conclusions on which to base the auditor's opinion
 - a) SA 500
 - **b)** SA 501
 - c) SA 330
 - d) SA 315

290. Sufficient audit evidence is a measurement of

- a) Quality of audit evidence
- b) Quantity of audit evidence
- c) Both of (a) and (b)
- **d)** None of these

291. Appropriate audit evidence is a measurement of

- a) Quality of audit evidence
- b) Quantity of audit evidence
- c) Both of (a) and (b)
- d) None of these

292. The auditor must obtain following audit evidence to draw reasonable conclusion

- a) Sufficient audit evidence
- **b**) Appropriate audit evidence
- c) Sufficient and appropriate audit evidence
- d) None of these

293. Which of the following is the least persuasive type of audit evidence?

- a) Bank statements obtained from the client
- **b)** Documents obtained by auditor from third parties directly
- c) Carbon copies of sales invoices inspected by the auditor
- d) Computations made by the auditor.

294. Following audit procedures are performed by auditor to obtain sufficient appropriate audit evidence

- a) Risk assessment procedures
- **b**) Test of controls
- c) Substantive audit procedures
- d) Both (b) and (c)

295. Which of the following is not a factor to determine sufficient audit evidence

- a) Reliability of information
- **b)** Materiality of item
- c) Risk of material misstatements
- **d**) Size and characteristics of the population

296. Which of the following is a factor to determine sufficient audit evidence

a) Materiality of item involved

- **b)** Risk of material misstatements
- c) Size and characteristics of the population
- d) All of these

297. Which of the following is a factor to determine appropriate audit evidence

- a) Reliability of information
- b) Relevancy of information
- c) Both (a) and (b)
- d) None of these

298. Depending upon nature audit evidence can be classified as

- a) Visual evidence
- **b**) Oral evidence
- c) Documentary evidence
- d) All of these

299. Depending upon source audit evidence can be classified as

- a) Internal audit evidence
- b) External audit evidence
- **c)** Both (a) and (b)
- d) None of these

300. Which of the following is not internal audit evidence

- a) Bank Reconciliation Statement
- **b**) Bank Statement
- c) Copy of Sales Invoice
- d) Voucher

301. Which of the following is not external audit evidence

- a) Bank Statements
- **b)** Purchase Invoice
- c) External Confirmation
- d) Salary Sheet

302. Techniques to obtain audit evidence are

- a) Inspection
- **b**) Recalculation
- c) External confirmation
- **d)** All of these

303. Pick the odd one

- a) Confirmation
- **b**) Inquiry
- c) Re-computation
- d) Ledger posting

304. Pick the odd one

- a) Bank reconciliation statement
- **b)** Copy of sales invoice
- c) Purchase invoice
- d) Minutes book

305. Which of following statement is incorrect

- a) Recalculation consists checking reasonableness of appropriates of accounting policies
- **b)** Inspection consists of examining records, documents whether internal or external in paper form or electronic form and physical examination of assets
- **c**) An external confirmation represents audit evidence obtained by auditor as direct written response to the auditor from a third party.
- d) Evaluating responses of inquiry is an integral part of inquiry process.

306. Observation consists

- a) Review of financial statements
- b) Looking at a process, procedure being performed by others
- **c**) Independent execution of procedure or controls that were originally performed as part of entity's internal control.
- d) All of these

307. Before using the work of an expert the auditor shall evaluate

- a) Competency of expert.
- b) Capability of expert
- c) Objectivity of expert
- d) All of above

308. Information regarding the competence, capabilities and objectivity of management's expert may come from a variety sources such as:

- a) Discussion with expert
- b) Personal experience with previous work of that expert
- c) Published papers or books written by that expert
- d) All of these

309. Pick the most appropriate. Auditing evidence is more reliable when

- a) Received from third party
- **b)** Received from reliable third party
- c) Received from audited organization resources
- d) Both a & b

310. Which is NOT a technique of obtaining evidence

- a) Correction
- **b**) Computation
- c) Confirmation
- **d**) Both a & b

3	1	1.	Α	11	dit	is	usually	cond	ducted	l in	three	stens:
J	1	10	Γ	u	uit	12	usuan	CUII	uucicu		unte	SICUS.

- 1. A pre-examination or opening meeting with the auditee marks the beginning of the process
- 2. Involves a suitability audit of the documented procedures against the selected reference standard
- 3. The auditor examines in depth the implementation of the quality system
- a) True
- **b**) False
- c) Partially false
- **d)** None of the above

312. For better assessing the audit risk, auditor inquires different groups in the organizations EXCEPT:

- a) Board of governance and top level management
- b) Legal counsel
- c) Middle level management
- d) Stakeholders

313. Internal financial controls are policies and procedures adopted by company for

- a) Ensuring the orderly and efficient conduct of its business, including adherence to company's policies
- **b**) The safeguarding of assets
- c) The prevention and detection of frauds and errors
- d) All of these

314.	has been defined as the "checks on day to day transactions which operates
	continuously as part of routine system whereby the work of one person is provided independently or is
	complementary to the work of another, the object being the prevention or early detection of errors or
	fraud"

- a) Internal check
- **b**) Internal audit
- c) Surprise check
- d) Internal control.

315	is a complete and	exhausted (description (of the system	as found in	operation	by the
auditors.							

- a) Check List
- **b**) Flow Chart
- c) Narrative Records
- d) Internal Control Questionnaire

316. _______ is a series of instruction and questions which the auditor should follow and answer.

- a) Narrative Records
- **b)** Check List
- c) Internal Control Questionnaire
- **d)** Flow Chart

317. ______ is a graphic presentation of each part of the entity's internal controls system.

a) Narrative Records

b) (Check List
c) I	nternal Control Questionnaire
	Flow Chart
318.	gives a bird's eye view of the system and flow of transactions.
a) N	Narrative Records
b) (Check List
c) I	nternal Control Questionnaire
	Flow Chart
319	is mainly intended to ascertain whether the system of internal control is operating
effe	ective.
a) S	Surprise check
b) A	Analytical procedures
c) T	Fest of details
d) N	None of these
320. Ob	jectives of internal controls can only be reasonably achieved but not absolutely due to
a)	Inherent limitation of audit
b)	Inherent limitation of internal controls
c)	Inherent risk
d)	Detection risk
321. Wh	nich of the following in inherent limitation of internal controls
a)	Role of human judgement
b)	Ineffective operation of control
c)	Collusion among employees
d)	All of these
322. Int	ernal control system provides reasonable assurance about the achievements of entity's objectives,
exc	rept
a)	Reliability of financial reporting
b)	Safeguarding of assets
c)	Both (a) and (b)
d)	None of these
323	is sent by auditor to management and TCWG to communicate weakness in internal
con	ntrol system
a)	Letter of weakness
b)	Engagement letter
c)	Internal control questionnaire
d)	Written representation
and	nich of the following SA deals with auditor's responsibility to communicate appropriately to TCWG management deficiencies in internal control that the auditor has identified in an audit of financial tements

- a) SA 260
- **b)** SA 330
- c) SA 265
- d) SA 580

325. Significant deficiency in internal control means

- a) Deficiency or combination of deficiencies in internal control that, in the auditor's professional judgement is of sufficient importance of auditor
- **b)** Deficiency or combination of deficiencies in internal control that, in the auditor's professional judgement is of sufficient importance of management.
- c) Deficiency or combination of deficiencies in internal control that, in the auditor's professional judgement is of sufficient importance of entity's owners.
- **d)** Deficiency or combination of deficiencies in internal control that, in the auditor's professional judgement is of sufficient importance of TCWG

326. Which of the following section of Companies Act, 2013 deals with requirement of internal audit in companies

- a) Section 139
- **b)** Section 138
- c) Section 143
- d) Section 148

327. Which of the following person can be appointed as internal auditor of Co

- a) Chartered Accountant
- b) Cost Accountant
- c) Any Employee of Co
- **d)** Any of above (a) (b) (c)

328. Section 138 of the Companies Act, 2013 shall apply to

- a) Listed Company
- b) Prescribed class of companies
- c) Both (a) and (b)
- d) All the companies

329. Company shall comply with requirement of section 138 of the Companies Act, 2013 w.r.t. internal audit within ______months from applicability of the section.

- a) 6
- **b**) 8
- **c**) 3
- **d**) 2

330. Which of the following is a routine audit procedure

- a) Vouching of transactions
- **b)** Analytical procedures
- c) Risk assessment procedures
- d) Verification of assets and liabilities

331. Which of the following statement is correct

- a) Surprise check is a part of routine checking
- b) Surprise check preferably done at least once during the audit
- c) Surprise check cannot exercise good moral check on client's staff
- d) It is necessary in all cases for the result of surprise check to be included in the audit report.

332. Surprise check may be with respect to

- a) Verification of cash
- **b)** Verification of investment
- c) Verification of inventory
- d) All of above

333. The frequency of surprise check is

- a) As prescribed under law
- b) As mentioned under SA
- c) To be determined by auditor
- d) At least 5% of total time devoted to audit

334. The results of surprise checks

- a) Are always to be included in audit report as these are always important
- b) May or may not be included in audit report depending upon the quantitative nature of findings
- c) Should be included in audit report if they are material and affecting the financial statements
- d) All of these

335. Examination in depth refers to

- a) Examining 100% items of a population
- **b)** Examining all the assets and liabilities
- c) Examination of a few selected transactions from the beginning to the end through the entire flow of transaction
- d) None of these

336. In continuous audit, audit work is commenced by auditor:

- a) Immediately after acceptance of audit engagement
- **b)** After closing of FY
- c) At any point of time as per auditor's judgement
- **d**) None of these.

337. Which of following is advantage of continuous audit:

- a) Earlier discovery of misstatements
- b) Client's accounts are always kept up to date
- c) Routine checking is completed in advance
- d) All of above

338. Which of following is disadvantage of continuous audit

- a) The attendance of the audit staff acts a moral check on the client's staff.
- **b)** Less pressure at year end

- c) The client's staff may alter entries in the books after checking thereof.
- d) All of above.

339. The first standard of field work recognizes that early appointment of the independent auditor has many advantages to the auditor and the client. Which of the following advantages is least likely to occur as a result of early appointment of the auditor?

- a) The auditor will be able to complete the audit work in less time
- b) The auditor will be able to perform the examination more efficiently
- c) The auditor will be able to better plan for the observation of the physical inventories
- **d)** The auditor will be able to plan the audit work so that it may be done expeditiously

340. In final audit, audit work is commenced by auditor:

- a) Immediately after acceptance of audit engagement
- b) After closing of FY
- c) At any point of time as per auditor's judgement
- **d**) None of these.

341. The advantages of final audit are:

- a) The possibility of figures being altered after work has been done is avoided
- b) Allocation of work to staff become easier
- c) There is no loss of link in the work as the entire audit work is completed in a single continuous basis.
- d) All of above

342. Instructions to client before start of actual audit are:

- a) Vouchers should be serially numbered.
- b) The accounts should be total up and the trial balance and final accounts to be kept ready.
- c) Schedule of deferred expenditures to be prepared.
- d) All of these

343. Some of the important content recorded in the audit notebook are:

- a) Name of business and its structure
- b) Errors and fraud discovered
- c) Date of commencement and completion of audit
- d) All of above

344. An audit programme is:

- a) List of examination and verification steps to be applied
- **b)** Examination in depth
- c) List of audit queries
- d) All of these

345. Responsibility fixing is a feature of

- a) Audit plan
- **b**) Audit
- c) Audit programme
- **d)** All of the above

3	46	Pic	·k	the	odd	one

- a) Audit programme helps in distribution of work amongst the people doing audit
- **b**) Audit programme is mechanical
- c) Audit program acts as a evidence against change of negligence
- d) Audit programme helps in covering all the areas where audit is required

347. Audit programme is a failure if

- a) Instructions are not followed property
- **b**) Audit plan is not made correctly
- c) The instructions are ambiguous
- **d)** All of the above

348. Pick the odd one

c) 7d) 8

- a) A hard and fast audit programme may kill the initiative of efficient and enterprising assistants
- **b**) An audit programme can make the audit exercise rigid and mechanical.
- c) The principal can control the progress of the various audits in hand by examination of audit programme.
- **d**) There is a risk that if any matter escaped attention of auditor at the time of audit programming may remain unaudited during the entire audit.

	unaudited during the entire audit.
349.	refers to the record of audit procedures performed, relevant audit evidence obtained,
	and conclusions the auditor reached.
	a) Audit Techniques
	b) Audit Evidence
	c) Audit Documentation
	d) None of the above
350.	may be defined as one or more folders or other storage media, in physical or electronic
	form, containing the records that comprise the audit documentation for a specific engagement.
	a) Audit File
	b) Audit Evidence
	c) Completion Memorandum
	d) Both (a) and (b) above.
	As per SQC-1 "An appropriate time limit within which to complete the assemble of the final audit file is ordinarily not more than days after the date of auditor's report.
	a) 30
	b) 60
	c) 90
	d) 45
352.	As per SQC-1, auditor should retain audit documentation for at least years
	a) 5
	b) 6

353. Which of the following factors may affect the form, content and extent of audit documentation:

- a) Size and complexity of the entity
- **b)** Identified risk of material misstatements
- c) Significance of audit evidence obtained
- d) All of above

354. Audit documentation can be made by auditor:

- a) Paper mode
- b) Electronic mode
- c) Both (a) and (b)

355. Who is the owner of audit working papers?

- a) Auditee
- **b**) Auditor
- **c**) (a) and (b)
- d) ICAI

356. Additional numbers of purposes served by audit documentation are:

- a) Enabling the engagement team to plan and perform the audit
- **b**) Enabling the engagement team to be accountable for its work
- c) To enable the engagement partner for direction, supervision and review the work performed by engagement team members.
- d) All of above

357. If in exceptional circumstances the auditor departs from Standards on Auditing, he shall_____

- a) Document the reason for departure
- **b**) Perform alternative procedures
- c) Both (a) and (b)
- d) Auditor is not allowed to depart from SAs.

358. Which of the following is not content of permanent audit file:

- a) Record of study and evaluation of internal control
- b) Audit planning and audit documentation
- c) Memorandum and Article of Association
- d) Notes relating to significant accounting policies

359. Which of the following is content of current audit file:

- a) Correspondence relating to acceptance of annual reappointment
- b) Copies of communication with experts or other auditors
- c) Audit evidence obtained
- d) All of above

360. Loan agreement are the integral parts of

- a) Permanent audit file
- b) Current audit file
- c) Temporary audit file
- **d)** None of the above

361. Working on trial balance is the part of

- a) Permanent audit
- **b**) Current audit file
- c) Temporary audit file
- **d)** None of the above

362. Pick the odd one

- a) Written representations and confirmation from clients.
- **b)** Audit planning and audit programme
- c) Correspondence relating to annual reappointment
- d) Memorandum and Article of Association of the Company.

363. From the initial client interview to the preparation of audit report an auditor must keep a record of all the work you do in

- a) Audit file
- b) Audit report
- c) Audit papers
- **d)** None of the above

364. Which of the following is not true of working papers?

- a) They record the audit evidence to provide support for the auditor's opinion
- **b)** They assist in review of the audit work
- c) They are a direct aid in the planning of the audit
- **d)** They provide proof of the correctness of the financial statements.

365. The audit working papers should contain information on planning the audit work, the nature, timing and extent of audit procedures performed, ______ and the conclusion drawn leading to an opinion.

- a) The results of the audit procedures
- **b**) The auditor's opinion of management
- c) All gratuities received by auditor
- d) Names of the employees who cooperated with the auditor.

366. The extent of what is included in working paper is

- a) Thoroughly specified in SAs
- **b**) Determined by each staff auditor
- c) Thoroughly specified under law
- d) A matter of professional judgement.

367. Which of the following factors would least likely affect the quantity and content of an auditor's working papers

- a) The nature of auditor's report
- **b)** The assessed level of control risk
- c) The possibility of peer review
- **d)** The content of management representation letter.

368. A current audit file would always contain which of following?

- a) Loan agreements, pension plans, agreements with parent company and subsidiaries
- b) Company documents such as corporate charter or articles of association and corporate bylaws.
- c) A record of the nature, timing and extent of audit procedures performed and the results of such procedures.
- d) Prior year analysis of fixed assets, long term debt, and terms of stock and bond issues.

369. Which of the following SAs deals with auditor's responsibilities w.r.t. audit documentation:

- a) SA 580
- **b)** SA 230
- c) SA 505
- **d)** SA 700

370. Audit documentation may be useful for

- a) Engagement team
- **b**) Quality control reviewer
- c) External inspector
- **d)** All of these

371. After assembly of audit file, the auditor_____

- a) May delete audit documentation if it is of no use
- b) May delete audit documentation if it is occupying much of its space
- c) Shall not delete audit documentation before its retention time period
- d) May delete audit documentation before its retention period if it is required by any law.

372. Audit note book

- a) Contains all details of work carried out
- **b**) Cannot be defense for auditor
- c) It is a record but not useful in formulating audit programme
- d) All of these

373. Which of following SAs deals with auditor's responsibilities w.r.t audit sampling:

- **a)** SA 200
- **b)** SA 580
- c) SA 530
- **d)** SA 500

374. When auditor decides to select less than 100% of the population for testing, the auditor is said using

- a) Audit sampling
- **b**) Representative sampling
- c) Poor judgement
- **d**) None of the above

375. The entire set of data from which a sample is selected and about which the auditor wishes to draw conclusions is called as_____

a) Population

	b) Monitor
	c) Data center
	d) Source data
376. 7	The individual items constituting a population is called as
	a) Transaction
	b) Sampling unit
	c) Sample
	d) Data
377.	is the risk that auditor's conclusion based on a sample may be different from
_	conclusion if the entire population were subjected to the same audit procedure.
	a) Audit Risk
]	b) Inherent Risk
	c) Control Risk
	d) Sampling Risk
378.	Size of sample is affected by
	a) Tolerable error
]	b) Expected error
	c) Sampling risk
(d) All of these
379.	Type 1 sampling risk affects
	a) Audit efficiency
	b) Audit effectiveness
	c) Both (a) and (b)
	d) None of above
380.	Type 2 sampling risk affects
	a) Audit efficiency
	b) Audit effectiveness
	c) Both (a) and (b)
	d) None of above
381.	is the risk that the auditor reaches an erroneous conclusion for any reason not
]	related to sampling risk.
	a) Inherent Risk
	b) Control Risk
	c) Sampling Risk
	d) Non-Sampling Risk
382.	Which of the following item is not suitable for test checking?
	a) Purchase transactions
	b) Sale transactions
	c) Balance Sheet items

d) All of above

383. Precautions to be considered by auditor while performing audit engagement on the basis of test checking are

- a) Auditor should identify the items which are not suitable for test checking
- **b**) There should be no personal bias
- c) Examination in depth should be done
- d) All of above

384. Approaches to sampling are

- a) Non-Statistical Sampling
- **b**) Statistical Sampling
- c) Both (a) and (b)
- d) None of these

385. In non-statistical sampling, the sample size and its composition are determined on the basis of

- a) Personal experience of auditor
- **b)** Knowledge of auditor
- c) Judgement of auditor
- d) All of above

386.						is a method	d of audi	te	sting which	ch is	mo	re scientific t	han tes	ting	based en	tire	ly
	on	the	audi	tor's	own	judgement	because	it	involves	use	of	mathematica	al laws	of	probabili	ity i	in
	determining the approp					riate sampl	e size.										

- a) Statistical Sampling
- b) Non statistical Sampling
- c) Haphazard Sampling
- d) Cluster Sampling

387. Judgmental sampling is

- a) Based on probability theory
- **b**) Not having any personal bias
- c) Widely accepted way of sampling
- d) None of these

388. The main advantage of using statistical sampling techniques is that such techniques:

- a) Mathematically measure risk
- b) Eliminate the need for judgmental sampling
- c) Defines the values of tolerable error
- **d)** All of them

389. Which of the following factor is (are) considered in determining the sample size for test of controls?

- a) Projected error
- b) Tolerable error
- c) Expected error
- d) Both (b) and (c)

390. Tolerable error, is the maximum monetary error that the auditor is prepared to accept in the population and still concludes that audit objectives has been achieved, is directly related to

- a) Sample size
- **b)** Audit risk
- c) Materiality
- d) Expected error

391. Which of the following is source of Non Sampling risk

- a) Human Mistakes
- b) Applying audit procedures not appropriate to the objectives of audit
- c) Misinterpreting the sample results
- d) All of the above

392. Which of the following is more scientific

- a) Statistical
- **b)** Non-Statistical
- c) Both (a) and (b)
- **d**) None of the above

393. In which of the following sampling, population is divided into number of groups

- a) Block Sampling
- b) Haphazard Sampling
- c) Cluster Sampling
- d) None of these

394. In which of the following sampling, sampling units are selected from population on the basis of random number tables

- a) Systematic Sampling
- b) Random Sampling
- c) Cluster Sampling
- **d**) Both (b) and (c)

395. In which of the following sampling, sampling units are selected from population at fixed intervals

- a) Random Sampling
- b) Systematic Sampling
- c) Block Sampling
- d) Cluster Sampling

396. In which of the following sampling, sampling units are selected from population in a defined block of consecutive items

- a) Random Sampling
- **b)** Systematic Sampling
- c) Block Sampling
- d) Haphazard sampling

397. Iı	which	of the	following	sampling.	population	is divided	linto	number of	groups
~	- ,,	OI CIIC	10110 11 1115	Detail Direct	Population	an carract		IIGIIIO CI OI	51000

- a) Random Sampling
- b) Interval Sampling
- c) Block Sampling
- d) Cluster Sampling

398. Which of the following is a type of random sampling

- a) Simple Random
- **b)** Stratified Random
- c) Both (a) and (b)
- d) Haphazard Random

399. In random sample, each item of population

- a) Has equal chance of selection
- b) Has varying chances of selection depending upon the placing of items
- c) May have a chance of selection depends upon the auditor's professional judgement
- **d**) None of these

400. Simple random sample can be selected by

- a) Random number bias
- **b**) Help of computers
- c) Just by picking up a number without any order
- d) All of these

401. In stratified random sampling

- a) Sample is taken from whole of the population
- **b)** It requires special attention to judge contents of stratum
- c) There is application of different concept and not an extension of simple random sampling
- d) All of these

402. Tolerable error is ______ in population that auditor is willing to ______ for a given sample size.

- a) Minimum, Forego
- b) Maximum, Forego
- c) Minimum, Accept
- d) Maximum, Accept

403. The kind of relationship between tolerable error and sample size is

- a) Inverse
- **b**) Direct
- c) They both are same
- d) There is no relationship as such

404. Which of the following SAs deals with auditor's responsibilities to evaluate the effect of identified misstatements

a) SA 330

- **b)** SA 500
- c) SA 505
- d) SA 450

405. Misstatements may result from:

- a) An inaccuracy in gathering or processing data from which financial statements are prepared
- **b)** An omission of an amount or disclosure
- c) An incorrect accounting estimate
- d) All of above

406. SA 450 considers the mis-statements resulting from

- a) Frauds
- **b**) Errors
- c) Frauds and errors both
- d) Mistakes

407. Misstatements that the auditor has accumulated during the audit and have not been corrected are called as

- a) Uncorrected misstatements
- **b)** Material misstatements
- c) Immaterial misstatements
- d) Tolerable errors

408. If aggregate of uncorrected misstatements is material, auditor shall express

- a) Unmodified Opinion
- b) Qualified /Adverse Opinion
- c) Disclaimer of opinion
- **d**) None of these
- 409. _____ means audit evidence obtained as direct written response from a third party in paper/electronic form.
 - a) Internal Confirmation
 - **b)** External Confirmation
 - c) Written Representation
 - d) All of above
- 410. Which of the following SAs deals with auditor's responsibilities to design and perform external confirmation procedures to obtain relevant and reliable audit evidence
 - a) SA 580
 - **b)** SA 330
 - c) SA 500
 - **d)** SA 505
- 411. A request that the confirming party respond directly to the auditor indicating whether the confirming party agrees or disagrees with the information in the request, or providing the requested information, is
 - a) Negative Confirmation Request

- **b**) Exception
- c) Positive Confirmation Request
- d) Non-Response

412. A request that the confirming party respond directly to the auditor only if the confirming party disagrees with the information provided in the request, is

- a) Negative Confirmation Request
- b) Positive Confirmation Request
- c) Exception
- d) Non Response

413. A response that indicates a difference between information requested to be confirmed, or contained in the entity's records, and information provided by the confirming party, is

- a) Error
- **b**) Exception
- c) Fraud
- d) All of above

414. A failure of the confirming party to respond, or fully respond, to a positive confirmation request, or a confirmation request returned undelivered is called

- a) Disagreement
- b) Confirmation failure
- c) Restriction on auditor's scope
- d) Non-Response

415. The auditor should use negative confirmation request if

- a) Population comprises a large number of small, homogeneous account balances or transactions
- b) The auditor has assessed the risk of material misstatement as low
- c) A very low exception rate is expected
- d) All of above

416. Factors to be considered when designing confirmation request:

- a) Prior experience of auditor
- b) Assertions being addressed
- c) Information to be confirmed
- d) All of above

417. In case any exception is identified by auditor by conducting external confirmation, he shall perform

- a) Alternative audit procedures
- **b)** Additional audit procedures
- c) Test of Controls
- d) Both (a) and (b)

418. In case of non-response in the process of external confirmation, the auditor shall perform

- a) Alternative audit procedures
- **b**) Additional audit procedures

	d) Both (a) and (b)
419.	should carefully plan and control external confirmation
	a) Management
	b) TCWG
	c) Auditor
	d) All of these in consultation with one another
420.	means evaluation of financial information through analysis of plausible
	relationships among both financial and non-financial data.
	a) Risk assessment
	b) Analytical Procedures
	c) Substantive Procedures
	d) Test of Controls

- a) SA 315
- **b)** SA 330
- c) SA 520
- **d)** SA 500

422. What are analytical procedures?

- a) Substantive tests designed to assess control risk.
- b) Substantive tests designed to evaluate the validity of management's representative letter.
- c) Substantive tests designed to study relationship between financial and non-financial.
- **d**) All of the above.

423. Analytical procedures used in the planning stage of an audit, generally

- a) helps to determine the nature, timing and extent of other audit procedures
- **b**) Directs attention to potential risk areas
- c) Indicate important aspects of business
- d) All of above.

424. The basic assumption underlying the use of analytical procedures is

- a) It helps the auditor to study relationship among elements of financial information
- b) Relationship among data exist and continue in the absence of known condition to the contrary
- c) Analytical procedures will not be able to detect unusual relationships
- **d)** None of the above.

425. Which of the following is not an analytical procedure?

- a) Tracing of purchases recurred in the purchase book to purchase invoices.
- b) Comparing aggregate wages paid to number of employees.
- c) Comparing the actual costs with standard costs.
- **d**) All of them are analytical procedures.

426. Analytical procedures used in the planning stage of an audit, generally:

- a) Helps to determine the nature, timing and extent of other audit procedures
- **b)** Directs attention to potential risk areas
- c) Indicates important aspects of business
- **d**) All of the above

427. The basic assumption underlying the use of analytical procedures is:

- a) It helps the auditor to study relationship elements of financial information.
- b) Relationship among data exist and continue in the absence of known conditions to the contrary
- c) Analytical procedures will not be able to detect unusual relationships.
- **d)** None of the above.

428. What is the primary objective of analytical procedures used in the overall review stage of an audit?

- a) To help to corroborate the conclusions drawn from individual components of financial statements
- **b)** To reduce specific detection risk
- c) To direct attention to potential risk areas
- d) To satisfy doubts when questions arise about a client's ability to continue

429. Which of the following is a technique available as substantive analytical procedure?

- a) External confirmation
- **b)** Ratio Analysis
- c) Trend Analysis
- d) Both (b) and (c)

430. Timing of analytical procedure is

- a) At Planning stage only
- **b**) Throughout the audit engagement
- c) At planning stage and in addition these are also required during completion phase.
- d) None of these

431. Reliability of data is influenced by

- a) Its source
- b) Its nature
- c) Circumstances under which it is obtained
- d) All of these

432. Which of the following is not a typical analytical procedure?

- a) Study of relationships of the financial information with relevant nonfinancial information
- **b**) Comparison of the financial information with similar information regarding the industry in which the entity operates
- c) Comparison of recorded amounts of major disbursements with appropriate invoices
- d) Comparison of the financial information with budgeted amounts

433. Which of the following SA deals with auditor's responsibilities in relation to fraud in an audit of financial statements

- a) SA 240
- **b)** SA 250

- c) SA 315
- d) SA 330

434. Examples of fraudulent financial reporting

- a) Inflating or suppressing purchases and expenses
- b) Inflating or suppressing sales and other items of income
- c) Overvaluation of assets
- d) All of above

435. Which of the following is not an example of suppressing cash receipts

- a) Teeming and Lading
- **b**) Payment against fictitious vouchers
- c) Not accounting for cash sales fully
- d) Not accounting for miscellaneous receipts.

436. Which of the following is not self-revealing error

- a) Wages paid for installation of machine debited in wages account.
- b) Omission to post a part of a journal entry to ledger
- c) A failure to record in the cash book, cash paid into or withdrawn from bank
- d) Goods purchased from Mr. A omitted to be recorded.

437. Teeming and Lading is a technique for

- a) Inflating cash payments
- **b**) Wrong casting in the cash book
- c) Suppressing cash receipts
- d) None of these

438. Which of following is fraud risk factor

- a) Incentive/Pressure
- **b**) Opportunities
- c) Attitude/Rationalization
- d) All of above

439. Which of the following is an indicator of fraud due to problematic or unusual relationship between auditor and management

- a) Unsupported or unauthorized transaction
- b) Unusual delays by the entity in providing requested information
- c) Last minute adjustments that significantly affect financial results
- d) All of above.

440. Which of the following is least likely to be included in an auditor's inquiry of management while obtaining information to identify the risks of material misstatement due to fraud?

- a) Are financial reporting operations controlled by and limited to one location?
- **b)** Does it have knowledge of fraud or suspect fraud?
- c) Does it have programs to mitigate fraud risks?
- d) Has it reported to the audit committee the nature of the company's internal control?

441.	Which	of the	followir	ng is mos	st likely	to be	presumed to	present	a fraud	l risk (on an a	udit?

- a) Capitalization of repairs and maintenance expense into the property, plant and equipment asset account
- b) Improper revenue recognition
- c) Improper interest expense accrual
- d) Introduction of significant new products

442. Degree of detection risk is generally high which respect to

- a) Management's Fraud
- b) Employee's Fraud
- c) Error
- d) All of above.

443. Due to inherent limitations of audit, there is ______ that some mis-statements will _____

- a) Reasonable assurance, not be detected
- **b**) Unavoidable risk, not be detected
- c) Avoidable risk, not be detected
- d) Unavoidable risk, not be prevented

444. Fraud is an intentional act involving use of deception to obtain an unjust advantage and can be committed by

- a) TCWG
- b) Employees
- c) Third parties
- d) Any of these

445. In order to form an opinion, the auditor shall take into account:

- a) Whether sufficient appropriate audit evidence has been obtained
- b) Whether uncorrected misstatements are material, individually or in aggregate
- c) Evaluations
- d) All of above

446. In order to form the opinion, the auditor shall conclude as to whether the auditor has obtained ______ about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error.

- a) Reasonable assurance
- **b)** Absolute assurance
- c) Limited assurance
- d) None of the above

447. Which of the following is a not a type of modified opinion

- a) Qualified opinion
- **b**) Adverse opinion
- c) Disclaimer of opinion
- d) None of these

448. The auditor shall express	_ opinion	when	the	auditor,	having	obtained	suffic	cient
appropriate audit evidence, concludes that	misstatem	ents, ir	ndivi	dually or	in the	aggregate,	are l	both
material and pervasive to the financial staten	nents.							

- a) Adverse
- **b**) Qualified
- c) Disclaimer
- **d**) None of the above
- 449. When auditor concludes that financial statements as a whole are free from material misstatements and he has no reservation for any material item of the financial statements, he shall express
 - a) Qualified opinion
 - b) Unmodified opinion
 - c) Adverse opinion
 - d) Disclaimer of opinion
- 450. When auditor concludes that financial statements are not free from material misstatements and effect of material misstatements is not pervasive, he shall express
 - a) Unmodified opinion
 - b) Disclaimer of opinion
 - c) Qualified opinion
 - d) Adverse opinion
- 451. If auditor is unable to obtain sufficient appropriate audit evidence with respect to any material item(s) of the financial statements and possible effect if material but not pervasive, he shall express
 - a) Unmodified opinion
 - **b**) Adverse opinion
 - c) Disclaimer of opinion
 - d) Qualified opinion
- 452. If auditor is unable to obtain sufficient appropriate audit evidence with respect to any material item(s) of the financial statements and possible effect if pervasive, he shall express
 - a) Unmodified opinion
 - **b**) Adverse opinion
 - c) Disclaimer of opinion
 - d) Qualified opinion
- 453. Which of the following SAs deals with auditor's responsibilities for forming an opinion and reporting on financial statements
 - a) SA 700
 - **b)** SA 701
 - c) SA 705
 - d) SA 706
- 454. Which of the following is title of auditor's report
 - a) Auditor's Report
 - b) Independent Auditor's Report

- c) Audit Report on the Financial Statements
- d) Reporting on the Financial statements

455. As per SA 700, which of the following is addressee of auditor's report

- a) Those Charged With Governance of the Entity
- **b)** Members of the Entity
- c) It depends upon circumstances of the engagement
- d) Central Government

456. If auditor concludes an unmodified opinion, which heading will auditor use for opinion section

- a) Opinion
- b) Unmodified Opinion
- c) Unqualified Opinion
- d) Reporting on True and Fair View

457. Under which of the following section auditor shall mention in his report that he has conducted audit engagement in accordance with SAs issued by ICAI and has complied with code of ethics and relevant ethical requirements

- a) Opinion
- b) SA and Code of Ethics
- c) Compliance with Standards
- d) Basis for Opinion

458. Which of the following is not content of basis of opinion section

- a) Name of the entity
- b) Statement that audit was conducted in accordance with SAs
- c) Statement that auditor believes that audit evidence the auditor has obtained is sufficient and appropriate to provide a basis for the auditor's opinion.
- d) Reference to the section of auditor's report that describes the auditor's responsibilities under the SAs.

459. Under which of the following heading, auditor shall report those matters in his report which are required to be reported by him as his duties as per the law and regulation basis upon which audit has been conducted

- a) Opinion
- **b**) Basis for Opinion
- c) Reporting on the Audit of Financial Statements
- d) Reporting on Other Legal and Regulatory Requirements

460. The date in auditor's report represent the date

- a) Balance Sheet Date
- b) Date when financial statements are approved by management of the entity
- c) Date when audit report is signed by auditor
- d) Date when audit report is submitted to management of the entity.

461. The place in auditor's report represent

a) Address of auditor

- b) Name of city, where audit report has been signed
- c) Name of city, where office of entity is situated
- d) None of these

462. If partnership firm is appointed as auditor, audit report shall be signed by

- a) Any partner of the firm
- b) Any practicing chartered accountant partner of the firm
- c) All the partners of the firm
- **d)** Any partner or any CA employee of the firm.

463. Which of the following is not mentioned along with signing in auditor's report

- a) Membership number of individual/partner
- **b**) Firm's Registration Number
- c) Date & Place
- d) Time

464. The opinion section of the auditor's report shall:

- a) Identify the entity whose financial statements have been audited;
- **b)** State that the financial statements have been audited;
- c) Identify the title of each statement comprising the financial statements
- d) All of the above

465. Which of the following SAs deals with auditor's responsibility to communicate key audit matters in the auditor's report

- a) SA 701
- **b)** SA 705
- c) SA 706
- **d)** SA 700

466. ______ are those matters that in the auditor's professional judgement, were of most significance in the audit of the financial statements of the current period.

- a) Significant Matters
- b) Key Audit Matters
- c) Noteworthy Audit Matters
- d) Remarkable Audit Matters

467. Key Audit Matters are selected from matters

- a) Communicated to members of engagement team
- **b)** Communicated to management of the entity
- c) Communicated to TCWG of the entity
- d) Communicated to CG.

468. In making determination of key audit matters, the auditor shall consider the following

a) Areas of higher assessed risk of material misstatements or significant risk identified in accordance with SA 315

- **b)** Significant auditor judgements relating to area in the financial statements that involved significant management judgement, including accounting estimates that have been identified as having estimation uncertainty.
- c) The effect on audit of significant events or transaction that occurred during the period.
- d) All of the above

469. The auditor shall describe each key audit matter, using an appropriate subheading, in a separate section of the audit report under the heading_____

- a) Audit Matters
- **b)** Key Audit Matters
- c) Any appropriate heading as per the auditor's judgement
- **d)** None of the above.

470. Which of following statement is incorrect'

- a) Communicating key audit matters in the auditor's report is not a separate opinion on individual matters.
- **b)** SA 701 also applies when the auditor is required by law or regulation to communicate key audit matters in the auditor's report.
- c) The purpose of communicating key audit matters to enhance the communicative value of the auditor's report by providing greater transparency about the audit that has been performed.
- d) Key audit matter is a substitute for expressing a modified opinion.

471. The auditor shall describe each key audit matter in the auditor's report unless

- a) Law or regulation precludes public disclosure about the matter
- **b**) In extremely rare circumstances, the auditor determines that the matter should not be communicated in the auditor's report because the adverse consequences of doing so would reasonably be expected outweigh the public interest benefits of such communication
- **c**) (a) or (b)
- **d**) None of these

472. Which of the following SAs deals with auditor's additional responsibilities w.r.t modified opinion

- a) SA 700
- **b)** SA 701
- c) SA 705
- **d)** SA 706

473. When auditor modifies the opinion the opinion the auditor shall give reason of modified opinion in a section under the heading

- a) Basis for Opinion
- **b**) 'Basis for Qualified Opinion' or 'Basis for Adverse Opinion' or 'Basis for Disclaimer of Opinion' as appropriate
- c) Reason for Modified Opinion
- d) None of these

474. The auditor's report shall not include a Key Audit Matter section in accordance with SA 701, in case of

- a) Disclaimer of Opinion
- **b**) Adverse Opinion

	c) Qualified Opiniond) All of the above
475.	Which of the following SA deals with auditor's responsibility to communicate emphasis of matter and other matter paragraph in independent auditor's report a) SA 700 b) SA 701 c) SA 705 d) SA 706
476.	is a paragraph included in the auditor's report that refers to a matter appropriately presented or disclosed in the financial statements that, in the auditor's judgement, is of such importance that is fundamental to user's understanding of the financial statements. a) Emphasis of Matters Paragraph b) Other Matters Paragraph c) Key Audit Matter d) None of the above
477.	is a paragraph included in the auditor's report that refers to a matter other than those presented or disclosed in the financial statements that, in the auditor's judgement, is of such importance that is fundamental to user's understanding of audit, the auditor's responsibilities or the auditor's report. a) Emphasis of Matters Paragraph b) Other Matters Paragraph c) Key Audit Matter d) None of the above
478.	To disclose the fact that financial statements of the prior period have been audited by predecessor auditor, the auditor shall introduce paragraph in his report. a) Emphasis of Matter b) Other Matter c) Key Audit Matter d) None of the above
479.	To disclose an early application by entity (where permitted) of a new accounting standards that has a pervasive effect on the financial statements in advance of its effective date, auditor shall introduce paragraph in his report. a) Emphasis of Matter b) Other Matter c) Key Audit Matter d) Basis for Modified Opinion
480.	Emphasis of matter paragraph shall in auditor's report a) Immediately following opinion section b) Immediately following Basis for opinion section c) Immediately following management's responsibility section

d) Immediately following auditor's responsibility section

481. Which of the following sequence in audit report is correct

- a) Title, Opinion section, Basis For Opinion section, Addressee, Key Audit Matter section
- b) Title, Addressee, Basis For Opinion section, Opinion section, Key Audit Matter section
- c) Title, Addressee, Key Audit Matter section, Opinion section, Basis For Opinion section
- d) Title, Addressee, Opinion section, Basis for opinion section, Key Audit Matter section.

482. Which of the following SA deals with deals with special consideration by auditor in obtaining sufficient appropriate audit evidence with respect to existence and condition of inventory, completeness of litigation and claim and presentation and disclosure of segment information:

- a) SA 500
- **b)** SA 501
- c) SA 505
- **d)** SA 510

483. The responsibility for determining the quantity and value of inventory rests with

- a) Management
- **b**) Auditor
- c) Auditor and Management both
- d) None of these

484. The auditor shall obtain sufficient appropriate audit evidence regarding the existence and condition of inventory by attending physical inventory count, unless impracticable, to

- a) Evaluate the management's instruction and procedures for recording and controlling the results of the entity's physical inventory counting
- b) Observe the performance of management's count procedures
- c) Inspect the inventory
- d) All of above

485. If auditor is unable to attend physical inventory counting due to unforeseen circumstances the auditor shall

- a) Obtain a written representation from management of entity
- **b)** Conduct external confirmation form third party
- c) Make or observe some physical count on an alternative date, and perform audit procedures on intervening transactions
- d) All of these.

486. If attendance at physical inventory counting is impracticable, the auditor shall

- a) Perform Alternative audit procedures
- **b**) Perform Additional audit procedures
- c) Obtain written representation from management of entity
- **d**) None of the above

487. The auditor shall design and perform audit procedures in order to identify litigation and claims involving the entity which may give rise to a risk of material misstatement including:

- a) Inquiry of management and others within the entity
- b) Performing analytical procedures as are appropriate
- c) Reviewing minutes of meetings of members
- d) All of above

- a) Express unmodified opinion
- **b)** Modify opinion
- c) Provide key audit matter section in his report
- d) All of these

489. With respect to segment information, the auditor shall obtain evidences regarding ______ of segment information as per_____.

- a) Preparation, Standard on auditing
- b) Disclosure, Standard on auditing
- c) Preparation, Financial reporting framework
- d) Presentation and Disclosure, Financial reporting framework.

490. Which of the following SA deals with the auditor's responsibilities relating to Opening balances when conducting an initial audit engagement:

- a) SA 500
- **b)** SA 510
- c) SA 710
- **d)** SA 540

491. An initial audit engagement in engagement in which:

- a) The financial statements for the prior period were not audited
- b) The financial statements for the prior period were audited by a predecessor auditor
- c) Either (a) or (b)
- d) None of (a) or (b)

492. Predecessor auditor is:

- a) Joint auditor
- **b)** Auditor of component'
- c) Internal auditor
- **d**) The auditor from a different audit firm, who audited the financial statements of an entity in the prior period and who has been replaced by the current auditor.

493. To obtain information relevant to opening balances including disclosures, the auditor shall

- a) Read the most recent financial statement, if any and auditor's report thereon
- b) Conduct written communication with predecessor auditor
- c) Inquire with management
- **d**) All of the above

494. Which of the following is true

- a) If auditor concludes that opening balances contain misstatements that materially affects the current period's financial statements, the auditor shall express disclaimer of opinion.
- **b**) If the auditor is unable to obtain sufficient appropriate audit evidence regarding the opening balances, the auditor shall express a qualified opinion or disclaimer of opinion, as appropriate, in accordance with SA 705.
- c) If auditor concludes that the current period's accounting policies are not consistently applied in relation to opening balances, or a change in accounting policies is not properly accounted for , or not adequately disclosed in accordance with applicable reporting framework, the auditor shall express a qualified opinion or an adverse opinion as appropriate, in accordance with SA 705.
- **d**) Both (b) and (c)

495. Which of the following SA deals with auditor's responsibilities regarding accounting estimates including fair value accounting estimates and related disclosure in an audit of financial statements

- a) SA 501
- **b)** SA 540
- c) SA 510
- **d)** SA 550

496. Accounting estimate is ______ of a monetary amount in _____ a precise means of measurement.

- a) Exact amount, in the absence of
- **b**) Approximation, in the absence of
- c) Exact amount, in the presence of
- **d**) Approximation, in the presence of

497. Which of the following in not an example of accounting estimate that may have high estimation uncertainty:

- a) Accounting estimates that are highly dependent upon judgement.
- b) Accounting estimates that are not calculated using recognized measurement techniques.
- c) Accounting estimate for outstanding expenses
- **d**) Accounting estimates where results of auditor's views of similar accounting estimates made in prior period financial statements indicate a substantial difference between original accounting estimate and actual outcome.

498. The susceptibility of an accounting estimate and related disclosure to an inherent lack of precision in its measurement is called as:

- a) Risk of material misstatements
- **b)** Estimate uncertainty
- c) Significant risk
- d) Inherent risk.

499. Which of the following is false

a) The auditor shall obtain an understanding of requirements of standards of auditing to identify and assess risk of material misstatements for accounting estimates

- **b**) The auditor shall obtain sufficient appropriate audit evidence about whether the accounting estimate and their disclosure in financial statements is appropriate.
- **c**) For accounting estimates that give rise to significant risk, auditor shall examine adequacy of disclosure of their estimation uncertainty in the financial statements.
- **d)** The auditor shall obtain written representation from management whether management believes significant assumptions used by it in making accounting estimates are reasonable.

500. A lack of neutrality by management in the preparation and presentation of information is called:

- a) Management's point estimate
- **b)** Management's range
- c) Estimation uncertainty
- d) Management bias

501. Which of the following is not as example of accounting estimate

- a) Warranty obligation
- **b**) Outcome of long term contracts
- c) Selection of accounting policies
- d) Financial obligations/cost arising from litigation settlements and judgements.

502. Matters that the auditor may consider in evaluating the reasonableness of the assumptions used by management include:

- a) Whether individual assumptions appear reasonable
- **b**) Whether the assumptions are interdependent and internally consistent
- c) In the case of fair value accounting estimates, whether the assumptions appropriately reflect observable market place assumptions
- d) All of above

503. In case of accounting estimates, the auditor shall perform the following if he faces any significant risk:

- a) Examine alternative assumption
- **b**) Develop a range
- c) Consider whether management has been biased
- **d**) All of above

504. If there is any material difference between the auditor's range concluded by the auditor and the estimate made by management in the financial statements, which client refuses to adjust, the auditor shall express:

- a) An unmodified opinion
- b) A qualified opinion
- c) Either a qualified opinion or adverse opinion
- d) Either a qualified opinion or disclaimer of opinion

505. Which of the following SA deals with auditor's responsibilities regarding related party relationships and transactions when performing an audit of financial statements

- a) SA 540
- **b)** SA 550
- c) SA 560

d) SA 570

- 506. A transaction conducted on such terms and conditions as between a willing buyer and a willing seller who are unrelated and are acting independently of each other and pursuing their own best interest is called as:
 - a) Arm's length transaction
 - b) Related party transaction
 - c) Significant transaction
 - d) None of these

507. Related party transaction may be conducted

- a) In the normal course of business
- **b)** Not under normal market terms and conditions
- c) With no exchange consideration
- d) All of these

508. A related party transaction may have the following features:

- a) A person or entity under common control
- b) Owners who are close family members
- c) Common key management
- d) All of these
- 509. Which of the following is not a record or document that may provide information about related party relationships and transactions:
 - a) Entity income tax return
 - b) Internal auditor's report
 - c) Memorandum of Association
 - d) Life insurance policies acquired by the entity.
- 510. To identify and assess risk of material misstatements due to fraud or error that could result the entity's related party relationships and transaction the auditor shall:
 - a) Inquiry with management and others within the entity
 - b) Perform other risk assessment procedures
 - c) Both (a) and (b)
 - d) None of these
- 511. If auditor identifies significant related party transactions, not conducted on the terms and conditions like normal rate and market conditions then, he should evaluate
 - a) Business rationale behind these transactions
 - b) Consistency of terms with management's explanation
 - c) Accounting and disclosure of such transactions in financial statements
 - d) All of these

512. <u>Statement(1)</u>

As per SA-550, auditor should examine whether related party transactions have been appropriately accounted for and disclosed in the financial statements as per financial reporting framework; though he need not check authorization of such transactions by management.

Statement (2)

Auditor should consider whether management has appropriately accounted and disclosed the related party transactions in their financial statements as per applicable financial framework as it might affect his audit opinion.

- a) Only Statement (1) is true
- **b**) Only Statement (2) is true
- c) Both the statements are true
- d) None of the Statements is true

513. <u>Statement(1)</u>

Regarding related party relationships and transactions with them, auditor shall not obtain any written representation; rather obtain extra evidences independently as he cannot rely on written representations when it comes to related party transactions.

Statement (2)

As per SA-550, he should maintain documentation regarding name and nature of related party relationships.

- a) Only Statement (1) is true
- **b)** Only Statement (2) is true
- c) Both the statements are true
- **d)** None of the Statements is true

514. As per Accounting Standard 18, the facts to be disclosed in the financial statements by the auditor shall include-

- a) Related party name and nature of relationship
- **b**) If there is a transaction between related parties, the nature of transaction, the price at which it has been made and amount of transaction outstanding at the balance sheet date.
- c) Both a and b
- d) None of these
- 515. For identifying existence of related parties, apart from obtaining written representation from management and TCWG, the auditor should also consider
 - a) Keyman insurance policies
 - **b)** Income tax returns
 - c) Internal auditor's reports
 - **d**) None of these
- 516.SA- ______ pertains to management's responsibilities to examine whether related party transactions have been appropriately accounted for and disclosed in the financial statements.

- a) SA-240
- **b**) SA-550
- c) SA-560
- d) None of these

517. SA- relates to auditor's responsibilities regarding subsequent events

- a) SA-550
- **b**) SA-560
- c) SA-570
- d) None of these

518. Subsequent events as per SA 560 are-

- a) Events occurring between the date of financial statements and the date of auditor's report
- b) Facts that become known to the auditor after the date of auditor's report
- c) Both a and b
- d) None of these

519. The auditor shall obtain sufficient and appropriate evidence that all events after the balance sheet date but before or up to the date of ______ that require adjustment or disclosure in _____ have been identified.

- a) Board's approval; Board report
- b) Board's approval; financial statements
- c) Auditor's report; Board report
- d) Auditor's report; financial statements

520. Regarding subsequent events, auditor shall comply with the requirements given in SA-560. State which of the following is not correct in this regard?

- **a)** The auditor shall inquire the management and those charged with governance regarding the subsequent events.
- b) Auditor should read the entity's subsequent interim financial statements, if any
- c) The auditor may inquire entity's lawyer regarding the pending cases and outcomes therefrom.
- d) Auditor need not consider whether subsequent event may have an impact on going concern assumption.

521. <u>Statement (1)</u>

Generally, auditor has no obligation to perform any audit procedures regarding the financial statements after the date of auditor's report.

Statement (2)

In case auditor comes to know about a fact after the date of auditor's report, he should not consider the same.

- a) Only Statement (1) is true
- **b**) Only Statement (2) is true
- c) Both the statements are true
- d) None of the Statements is true

522. In case facts become known to the auditor after the date of audit report but before the date financial statements are issued, then auditor shall-

- a) Discuss with management and TCWG the matter whether there is need to amend financial statements and treatment in financial statements.
- **b**) Should not ask the management and TCWG to amend the financial statements in any case because it may give rise to many complications.
- **c**) He should ask the management and TCWG to inform about the situation to everyone in receipt of previously issued financial statements and amend the financial statements.
- **d)** He need not provide a new report even if facts are such that had it been known to the auditor at the date of audit report, it might have affected his audit report.

523. Statement (1)

If auditor comes to know about the facts which are of such nature that had those been known to the auditor at the date of audit report, it might have affected his audit report, and he asks the management and TCWG to amend the financial statements but management does not amend the financial statements, then, he should provide a new report.

Statement (2)

If he comes to know about the facts after the date financial statements are issued, then, he does not have any obligation because financial statements have already been issued to third parties. At the most he can provide a public notice.

- a) Only Statement (1) is true
- **b)** Only Statement (2) is true
- c) Both the statements are true
- d) None of the Statements is true

524. A limited company is having a pending case filed against it on 31th March, 2018. A decision has been received from the court on 14th April, 2018. i.e. after the balance sheet date.

- a) It is a subsequent event
- **b**) It should be considered by the management while preparing the financial statements.
- c) Auditor needs to check whether it has been dealt with in the financial statements as per applicable financial reporting framework.
- d) All of these

525. When after the financial statements have been issued, a fact becomes known to the auditor that, had it been known to the auditor at the date of auditor's report, may have caused the auditor to amend the auditor's report, the auditor shall

- a) Discuss the matter with management and TCWG
- **b**) Determine whether the financial statements need amendment
- c) Inquire how management intends to address the matter in the financial statements
- **d)** All of the above

526. Statement (1)

Under the going concern assumption, an entity is viewed as continuing in business forever.

Statement (2)

General purpose financial statements are prepared on a going concern basis if management neither intends to liquidate the entity nor to cease the operations

- a) Only Statement (1) is true
- **b)** Only Statement (2) is true
- c) Both the statements are true
- d) None of the Statements is true

527. In case financial statements have not been prepared on a going concern basis,-

- a) The fact need not be appropriately disclosed
- **b)** The auditor shall comply with SA-570
- c) Both a and b
- d) None of these

528. <u>Statement (1)</u>

As per SA-570, the auditor need not consider whether there is material uncertainty about the entity's ability to continue as a going concern because it is management's responsibility to consider the same.

Statement (2)

The absence of any reference to going concern uncertainty in the auditor's report may be viewed as a guarantee as to the entity's ability to continue as a going concern.

- a) Only Statement (1) is true
- **b)** Only Statement (2) is true
- c) Both the statements are true
- **d)** None of the Statements is true

529. As per SA-570, the auditor shall

- a) Consider the events or conditions that may cast significant doubt on the entity's ability to continue as a going concern.
- b) Plan and perform his audit considering professional skepticism.
- c) Remain alert throughout the audit
- d) All of these

530. The following type of indicators may give rise to a doubt on going concern assumption adopted by management:

- a) Financial indicators
- b) Operating indicators
- c) Other indicators
- d) All of these

531. If the management has prepared financial statements based on going concern assumption but auditor concludes that use of going concern basis is inappropriate, then auditor shall-

- a) Express a qualified opinion
- **b)** Express an adverse opinion
- c) Disclaim his opinion

- **d**) Either option (a) or option (b)
- 532. If auditor concludes that use of going concern basis of accounting is appropriate but a material uncertainty exists which is adequately disclosed in the financial statements, then auditor shall
 - a) Express a qualified opinion
 - b) Express an adverse opinion
 - c) Either option (a) and option (b)
 - d) None of these
- 533. If going concern basis of accounting is appropriate, however, there is a material uncertainty which is not disclosed in the financial statements, then auditor shall express
 - a) Qualified opinion
 - b) Adverse opinion
 - **c**) (a) or (b)
 - d) Disclaimer of opinion
- 534. The auditor's report shall include a separate section under the heading "material uncertainty relating to going concern" in case
 - a) Adequate disclosure of a material uncertainty has been made in the financial statements
 - b) Adequate disclosure of material uncertainty is not made in the financial statements
 - c) Management may be unwilling to make or extend his assessment
 - d) All of these
- 535. If auditor identifies events or conditions that may cast significant doubt on going concern, he shall communicate the same to
 - a) Management
 - b) TCWG
 - c) Option (a) and option (b) both
 - **d)** Either (a) or option (b)
- 536. The matters relating to going concern may
 - a) Be a key audit matter as per SA 701
 - b) Should not be a key audit matter as per SA-701 because these are dealt only in SA-570
 - c) Key audit matters must not include going concern matters
 - d) None of these
- 537. While performing audit procedures to obtain audit evidence for management's use of going concern assumption, the auditor shall consider same time period as covered by management in its assessment, but such period shall not be less than
 - a) 3 Months
 - **b**) 6 Months
 - c) 10 Months
 - d) 12 Months

538. Which of the following is financial event or condition which may cast significant doubt on the entity's ability to continue as going concern

- a) Loss of franchise
- b) Shortage of supplies
- c) Negative operating cash flows
- d) Non-compliance with statutory requirement

539. Which of the following is operating event or condition which may cast significant doubt on the entity's ability to continue as going concern

- a) Loss of major market segment
- **b)** Loss of key customer
- c) Inability to pay creditors on due date
- **d**) (a) and (b)

540. The auditor found that entity has recurring losses and has negative net worth, these are indicators of-

- a) Operating nature
- **b**) Financial nature
- c) Other indicators
- d) All of these

541. If auditor concludes that management's use of going concern basis of accounting is appropriate but material uncertainty exists which has been properly disclosed by management in financial statement, the auditor shall

- a) Introduce EOM para in his report in accordance with SA 706
- **b)** Introduce separate section in his report under the heading 'Material Uncertainty Related to Going Concern'
- c) Introduce OM para in his report in accordance with SA 706
- d) Qualify his opinion in accordance with SA 705

542. In case of management's unwillingness to make or extend its going concern assumption, the auditor shall

- a) Consider the implications for the auditor's report
- **b)** Withdraw from engagement
- c) Introduce EOM para in his report in accordance with SA 706
- d) Introduce OM para in his report in accordance with SA 706

543. When any event or condition is identified by auditor which may cast significant doubt on the entity's ability to continue as going concern, the auditor's additional procedure shall include the following

- a) Communicating the facts to the regulatory auditory of the entity
- **b**) Communicate the matter to the Central Government
- c) Request written representation from management or TCWG regarding their future action and feasibility of these plan
- **d**) All of the above

- a) Another auditor
- **b**) Himself
- c) Either option (a) or option (b)
- **d**) None of these as he cannot require conducting supplement test because audit has already been done by another auditor

549. If there is modification in another auditor's report, then principal auditor ---

- a) Need not consider another auditor's report
- b) Should consider another auditor's report but will not consider that while preparing his own audit report
- c) Consider whether modification in his own audit report is required
- d) Ask the management to discuss with another auditor why he modified his audit report

550. Which of the following is incorrect

- a) There should be sufficient liaison between principal auditor and the other auditor.
- **b**) The other auditor, knowing the context in which his work is to be used by the principal auditor, should coordinate with the principal auditor
- c) Other auditor also includes internal auditor
- d) The principal would not be responsible in respect of the work entrusted to the other auditor

- 551. Principal auditor should ______ his audit opinion if he cannot use another auditor's work and is not able to perform sufficient additional procedures
 - a) Qualify
 - b) Disclaim
 - c) Adverse
 - d) Qualify or disclaim

552. <u>Statement (1)</u>

Principal auditor may use the work of another auditor in accordance with SA 600 and there is no need to mention about division of responsibility in his audit report.

Statement (2)

SA 600 is applicable to all the components whether material or immaterial as components by their very nature need to be considered by the principal auditors

- a) Only statement 1 is true
- **b)** Only statement 2 is true
- c) Both the statements are true
- d) None of the statement is true
- 553. Which of the following SA deals with auditor's responsibilities for using the work of internal auditor
 - a) SA 600
 - **b)** SA 610
 - c) SA 620
 - d) SA 402
- 554. SA 610 deals with the external auditor's responsibilities if using the work of internal auditors. This includes
 - a) Using the work of internal audit function in obtaining audit evidence
 - **b)** Using internal auditors to provide direct assistance under the direction, supervision and review of external auditor.
 - **c**) (a) and (b)
 - d) None of these
- 555. The external auditor shall determine whether work of internal audit function can be used for purpose of audit by evaluating of following
 - a) The extent to which internal audit function's organization status and relevant policies and procedures support the objectivity of internal auditors
 - **b**) The level of competence of the internal audit function
 - c) Whether the internal audit function applies a systematic and disciplined approach including quality control
 - d) All of the above
- 556. The external auditor shall perform audit procedures on the body of work of internal auditor that the external auditor plan to use to determine its adequacy for the purpose of audit, including evaluating whether
 - a) The work of internal auditor had been properly planned, performed, supervised, reviewed and documented

- b) Sufficient appropriate evidence had been obtained to draw reasonable conclusions
- c) Both (a) and (b)
- d) Internal auditor has necessary competency

557. If using internal auditor to provide direct assistance is not prohibited by law or regulation and external auditor plans to use internal auditors to provide direct assistance on the audit, the external auditor shall consider

- **a**) The amount of judgement involved in planning and performing relevant audit procedures and evaluating the audit evidence gathered
- b) The risk of material misstatement assessed
- c) Threats to the objectivity and level of competence to internal auditors
- **d**) All of the above

558. Which of the following in incorrect

- a) The external auditor may use internal auditor to provide direct assistance w.r.t. area that involve significant judgements in audit
- **b)** The external auditor shall not use internal auditor to provide direct assistance w.r.t. area where risk of material misstatements is highly assessed by auditor
- c) Both (a) and (b)
- d) None of these

559. Statement (1)

Auditor's expert is an individual and organization possessing expertise in a field including accounting and auditing whose work is used by auditor in obtaining evidences.

Statement (2)

Auditor's expert as per SA 620 needs to be an external expert so as to maintain his independence.

- a) Only statement 1 is true
- **b)** Only statement 2 is true
- c) Both the statements are true
- d) None of the statement is true

560. SA 620 deals with auditors responsibilities regarding using the work of -

- a) Managements expert
- **b)** Auditors expert
- c) Option (a) or (b)
- d) Both option (a) and option (b)

561. Statement 1

If auditor uses the work of auditor expert, his responsibility to express opinion is reduced to the extent he has used expert's work.

Statement 2

As per SA, the sole objective of auditor is to determine whether to use the work of auditor's expert or not.

- a) Only statement 1 is true
- **b)** Only statement 2 is true
- c) Both the statements are true
- d) None of the statement is true

562. Auditor's expert may be

- a) Auditor's internal expert
- **b**) Auditor's external expert
- **c**) (a) or (b)
- d) Management's expert

563. Auditor's internal expert may be

- a) Any partner of auditor's firm
- **b)** Any staff of auditor's firm
- **c**) (a) or (b)
- d) Management's expert

564. Which of the following is correct

- a) An auditor's internal expert is subject to quality control policies and procedures of firm in accordance with SQC-1
- **b)** An auditor's internal expert is subject to quality control policies and procedures of firm in accordance with SQC-1
- c) Both (a) and (b)
- d) None of these

565. Which of the following is source of information for evaluating competency, capability and objectivity of auditor's expert

- a) Personal experience with previous work of that expert
- **b)** Discussion with that expert
- c) Expert's qualification, membership of professional body
- **d**) All of the above

566. Which of the following is not a content of written agreement which is entered with expert before appointing him

- a) The nature, scope and objectives of expert's work
- **b**) The Scope and objectives of audit
- c) The nature, timing and extent of communication between auditor and expert
- d) Form of any report to be provided by that expert

567. Auditor should be aware of _____ that may ____ expert's independence----

-----------------------	----------------	-------	---------

- a) In planning the audit
- **b)** In performing an audit
- c) In planning and performing an audit
- d) In planning, performing and concluding an audit

594. Materiality of item depends upon

- a) Size of item
- **b**) Nature of item
- c) Statutory provision
- d) All of these

595. Factors that may affect identification of an appropriate benchmark include

- a) Elements of financial statements
- **b**) Nature of entity
- c) Entity's ownership structure
- d) All of these

596. Performance materiality means the amount or amounts set by the auditor at ______ the amount of materiality level for the financial statements as a whole.

- a) Less than
- **b)** More than
- c) Equal to
- **d)** Any of above

597. _____ deals with principle for effective conduct of joint audit.

- a) SA 220
- **b)** SA 600
- c) SA 299
- **d)** SA 610

598. SA 299 does not deal with the relationship between

- a) Principal auditor and component's auditor
- **b)** Auditor and expert
- c) Auditor and internal auditor
- d) All of these.

599. SA 299 deals with the auditor's responsibilities regarding joint audits at following stages

- a) Audit planning and risk assessment
- b) Performance of work and coordination stage
- c) Conclusion and reporting stage
- d) All of these

600. When joint auditors are appointed, they should

- a) Divide audit work among themselves on the basis of instruction of client
- b) Divide the audit work among themselves by mutual discussion

- c) Divide audit work among themselves as per law
- d) None of these

601. Division of work among joint auditors should be

- a) In writing
- **b)** Properly documented
- c) Communicated to client
- d) All of above

602. If joint auditors are in disagreement with respect to the opinion to be covered by audit report, they shall

- a) Express their opinion in a separate audit report
- **b**) Notify to the client
- c) Express their opinion in a common audit report through a note
- d) Notify ROC regarding disagreement in audit opinion.

603. In case separate audit reports are issued by joint auditors, the reference of audit reports separately issued by others is made under the heading

- a) Emphasis of matter
- b) Basis for modified opinion
- c) Other matter
- d) Auditor's responsibilities

604. All the joint auditors are jointly and severally responsible for

- a) Examining that financial statements of the entity comply with requirements of relevant statutes

- a) Unauthorized changes to system or program
- b) Unauthorized changes to data in master file
- c) Risk of non -recording of any transaction
- d) Potential loss of data

725. The use of computer may result in the design of system that provides ______evidence than those using manual procedures.

- a) Less visible
- b) More visible
- c) More persuasive
- d) Conclusive

726. System characteristics that may result from nature of CIS processing include

- a) Absence of input documents
- b) Lack of visible transaction trail
- c) Lack of visible output
- d) All of these

727. Different design and procedural aspects of CIS are

- a) Consistency of performance
- b) Programmed control procedures
- c) Both (a) and (b)
- d) None of these

728. Which of the following is not general CIS control

- a) Control over inputs
- b) Organization and Management Controls
- c) Computer Operation Control
- d) System Software Control

729. Application System Development and Maintenance Controls are designed to control over

- a) Inputs
- b) Testing, implementation and documentation of new or revised system
- c) Outputs
- d) Processing

730. Computer Operation Controls are designed to control the operation of the system and to provide reasonable assurance that

- a) Only authorized programs are used
- b) Processing errors are detected and corrected
- c) System are used for authorized purpose by authorized personnel
- d) All of these

731	are designed	to establish ar	n organizational	framework over	er CIS activities.

a) Computer operation control

- **b**) Data entry and program control
- c) Organization and Management Controls
- d) System software control.

732. Which of following is CIS application control

- a) System Software Control
- b) Control Over Processing
- c) Data Entry and Program Control
- **d**) None of these.

733. Control Over Output provide assurance that

- a) Results of processing are accurate
- b) Access to output is restricted to authorized personnel
- c) Output is provided to appropriate authorized personnel on a timely basis
- **d)** All of these

734. ______ refers to a situation where it is possible to relate, the original input with the final output on one to one basis.

- a) Audit Trail
- b) Input Output Ratio
- c) Programmed control procedure
- **d**) None of these

735. In CIS environment these is absence of audit trail due to factors such as

- a) Direct data entry into the system
- **b)** Direct posting of transactions to master file
- c) Elimination of reports as information is supplied on-line
- **d)** All of these

736.In the _______, the auditor concentrate on input and ignores the procedures of how computer process the data or transaction.

- a) White box approach
- b) Computer Assisted Audit Techniques
- c) Black box approach
- d) None of these

737. The auditor can usually audit around the computer when

- a) The system id simple
- **b)** The system is complex
- c) System uses generalized software that is well tested and widely used by many institution
- **d**) (a) or (c)

738. Situation where auditing through computer must be used

- a) The computer processes a large volume of input and produces a large volume of output
- **b**) The logic of system is complex
- c) The significant parts of internal control system are embodied in the computer system itself

d)	All of these
739	are those techniques which undertake assistance of computer for being applied to
	audit in a computerized environment.
•	Computer Assisted Audit Techniques
,	Audit Trail
	Compliance Test
a)	None of these
	e use of CAATs may be useful because of following reason
•	Appearance of audit trail
	Absence of input documents
	Visible output
a)	None of these
	nefits of CAATs
	Time saving
,	Audit effectiveness
	Lower sampling risk
a)	All of these
	lowing are CAATs
	Test Data
	Programmes under the control of auditor
	Both (a) and (b)
d)	None of these
743. In a	auditing through computer, the computer is used as of audit
•	Tool
•	Target
•	Help
d)	Any of these
744. Co	mputer Assisted Audit Techniques are used by to check validity ofused
•	•
•	Client, Programmes, Client
-	Client, Programmes, Auditor

745. Who can be appointed as auditor of Co-Operative Society

- a) Chartered Accountant within the meaning of the Chartered Accountants Act, 1949
- b) Person holding a government diploma in co-operative accounts and accountancy
- c) Person who has served as an auditor in the co-operative department of government to act as an auditor.
- d) Any of the above

746. Auditor of Co-Operative Society is appointed by

- a) Managing Committee of Co-Operative Society
- **b**) Registrar of Co-Operative Society
- c) Members of Co-Operative Society
- d) None of these

747. The auditor of Co-Operative Society submits his audit report to

- a) The Members of Co-Operative Society
- **b**) The Registrar of Co-Operative Society
- c) The Co-Operative Society
- **d**) Both (b) and (c)

748. The audit fees to the auditor of Co-Operative Society are paid by ______ on the basis of

- a) Society, Statutory scale of fees prescribed by the Registrar
- b) Registrar, Statutory scale of fees prescribed by the Registrar
- c) Society, Decision of Managing Committee of Society
- d) Society, Resolution passed by its Members.

749. In case of a society where the liability of a member of society is limited, no member of a society other than a registered society can hold such portion of the share capital of the society as exceed a maximum of

- a) 20% of the total number of shares
- **b**) Value of Shareholding to Rs. 1,000
- **c**) (a) or (b)
- d) None of these

750. Which of the following is correct

- a) A registered society shall not make a loan to any person other than a member.
- **b)** With the special sanction of the Registrar, a registered society may make a loan to another registered society.
- c) The State Government may further put such restrictions as it thinks fit on the loaning powers of the society
- d) All of these

751. A Society may invest its funds

a) In stock market through stock exchange

- **b**) In the Central or Other Co-Operative Bank
- c) In the shares, securities, bonds or debentures of any other society whether limited liability or unlimited liability
- d) None of these

752. A Society may invest its funds

- a) In any of the securities specified in section 20 of the Indian Trusts Act, 1882
- b) In the shares, securities, bonds or debentures of any other society with limited liability
- c) In any co-operative bank, other than a Central or State Co-Operative bank, as approved by the Registrar on specified terms and conditions.
- **d)** Any of the above

753	% of the 1	profits should	be transferred	to Reserve	Fund,	before	$\ distribution$	as dividen	d or
bonus to	members.								

- **a**) 10
- **b**) 20
- **c**) 25
- **d**) 30

754. A registered society may, with the sanction of the Registrar, contribute an amount not exceeding _____ of _____ for any charitable purpose.

- a) 10%, Net profits remaining after the compulsory transfer to the reserve fund
- b) 10%, Net profits before compulsory transfer to the reserve fund
- c) 5%, Net profits remaining after the compulsory transfer to the reserve fund
- d) 5%, Net profits before compulsory transfer to the reserve fund

755. Society may use the Reserve Fund

- a) In the business of a society, as working capital
- b) May invest as per the provision of the Co-Operative Societies Act, 1912
- c) May be used for some public purposes likely to promote the objective of the society
- d) Any of the above

756. Special Report to the Registrar is required

- a) If auditor detect fraud
- b) Personal profiteering by members of the managing committee in transaction of the society
- c) Mis-management
- d) All of the above

757. Who can be appointed as auditor of Multi State Co-Operative Society

- a) Chartered Accountant within the meaning of the Chartered Accountants Act, 1949
- **b**) Person holding a government diploma in co-operative accounts and accountancy
- c) Person who has served as an auditor in the co-operative department of government to act as an auditor.
- **d)** Any of the above

758. The	First	Auditor	of	Multi	State	Co-Operative	Society	shall	be	appointed	by	
withi	in			,								

- a) Registrar of Society, One month of date of registration of such society
- b) Board, One month of date of registration of such society
- c) Members, 90 days of date of registration of such society
- d) Central Registrar, One month of date of registration of such society.

759. Subsequent Auditor of Multi State Co-Operative Society is appointed

- a) At Board's Meeting
- b) By Central Registrar
- c) At AGM
- d) By Secretary of the Society

760. Subsequent Auditor of Multi State Co-Operative Society shall hole office of auditor until

- a) Submission of audit report
- **b)** Conclusion of 6th AGM
- c) Conclusion of 5 Years
- d) Conclusion of next AGM

761. The audit report on the financial statements of society shall contain schedule with particular of

- a) All transactions which appears to be contrary to the provisions of the Act, Rules or Byelaws of society
- b) All sums, which ought to have been, but have not brought into account by the society
- c) Any material, or property belonging to society which appears to the auditor to be bad or doubtful of recovery
- **d**) All of the above

762. has power to direct Special Audit in certain cases of Multi-State Co-Operative

Society

- a) Central Government
- b) Central Registrar
- c) Managing Committee
- d) Members of Society

763. Under which of the following circumstances order of Special Audit is passed

- a) The affairs of any MSCO are not being managed in accordance with self-help and mutual did and cooperative principles or prudent commercial practices or with sound business principles; or
- **b)** Any MSCO is being managed in a manner likely to cause serious injury or damage to the interests of the trade industry or business to which it pertains; or
- c) The financial position of any MSCO is such as to endanger its solvency.
- d) Any of the above

764. The Special Auditor shall submit his report to

- a) Managing Committee of Society
- **b)** Members of Society
- c) Central Government
- d) Central Registrar

765. Which of the following may request to Central Registrar to conduct an inquiry

a) Central Government
b) A Creditor
c) At least 10% of members of the Board
d) At least 15% of the total number of members.
766. Inquiry by Central Registrar may be conducted into the
a) Constitution
b) Working
c) Financial Condition
d) Any of the above
767.LLP, whose turnover does not exceed Rs or whose contribution does not exceed Rs.
, is not required to get its accounts audited.
a) 40 Lakhs, 25 Lakhs
b) 50 Lakhs, 25 Lakhs
c) 40 Lakhs, 20 Lakhs
d) 60 Lakhs, 30 Lakhs
768. Who of the following can be appointed as auditor of LLP
a) A Chartered Accountant
b) A Chartered Accountant in Practice
c) A Cost Accountant
d) A Chartered Accountant or A Cost Accountant
769. The auditor LLP is appointed by designated partner
a) At any time for the first FY but before the end of first FY
b) At least 30 days prior to the end of each FY (Other than first FY)
c) Both (a) and (b)
d) Within 180 days from commencement of FY which is subject to audit
770. If designated partners of LLP have failed to appoint auditor then auditor of LLP is appointed by
a) Registrar
b) Central Government
c) Local Fund Audit Wing of State Government
d) Partner of LLP
771. The auditor of LLP shall hold office of auditor till the period
a) The new auditor is appointed
b) Auditor is reappointed
c) (a) or (b)
d) 180 days from closure of FY.
772. Every LLP shall file an annual return duly authenticated with the within
days of closure of its FY
a) Registrar, 30
b) Registrar, 60
c) Central Government, 30

d)	Local	Fund	Audit	Wing	of State	Government,	60
----	-------	------	-------	------	----------	-------------	----

773. LLP shall file Annual return with Registrar in _____

- **a)** Form 11
- **b)** Form 12
- **c)** Form 13
- **d)** Form 14

774. LLP are required to maintain books of accounts which shall contain

- **a)** Particulars of all sums of money received and expended by the LLP and the matters in respect of which the receipt and expenditure take place
- b) A record of the assets and liabilities of the LLP
- c) Statements of cost of goods purchased, inventories, work-in progress, finished goods and costs of goods sold
- d) All of these

775.LLP is required to submit Statement of Account and Solvency with the ______ within a period_____

- a) Central Government, 6 Months of FY to which the Statement of Account and Solvency relates
- b) Registrar, 6 Months of FY to which the Statement of Account and Solvency relates
- c) Registrar, 30 Days from end of 6 months of the FY of FY to which the Statement of Account and Solvency relates.
- d) Local Fund Audit Wing of State Government, 6 Months of FY to which the Statement of Account and Solvency relates

776. Which of the following document of LLP is not available for inspection by any person

- a) Agreements entered by LLP
- b) Incorporation Document
- c) Statement of Account and Solvency
- **d)** Annual Return

777. The fees for inspection of document of LLP is

- a) Rs 100 and Rs 10 per page for certified copy or extract of any document
- b) Rs 50 and Rs 5 per page for certified copy or extract of any document

a) 10%
b) 25%
c) 40%
d) 100%
 812. In case of classification of advance as loss assets, provision is required by the bank a) 100% b) 75% c) 60% d) 50%
813 refers to the security offered by the borrower for bank finance or the one against
which credit has been extended by the bank.
a) Primary Security
b) Collateral Security
c) Healthy Security
d) None of these
814 is an additional security. Security can be in any form i.e. tangible or intangible
asset, movable or immovable asset
a) Primary Security
b) Collateral Security
c) Healthy Security
d) None of these
815. Most common types of securities accepted by banks are the following
a) Personal Security of Guarantor
b) Immovable Property
c) Life Insurance Policies

	d) All of these
816.	Which of the following is not a type of mortgage
	a) Registered Mortgage
	b) Equitable Mortgage
	c) Both (a) and (b)
	d) None of these
817.	can be effected by a registered instrument called the "Mortgage Deed" signed by
	the mortgagor.
	a) Registered Mortgage
	b) Equitable Mortgage
	c) Both (a) and (b)
	d) None of these
818.	is effected by a mere delivery of title deeds or other documents of title with intent
	to create security thereof
	a) Registered Mortgage
	b) Equitable Mortgage
	c) Both (a) and (b)
	d) None of these
819.	involves bailment or delivery of goods by the borrower to the lending bank, with the
	intention of creating a charge thereon as security for the advance
	a) Mortgage
	b) Pledge
	c) Hypothecation
	d) Assignment
82 0	is the creation of an equitable charge, which is created in favour of the lending bank
020.	by execution of agreement in respect of movable securities belonging to the borrower
	a) Mortgage
	b) Pledge
	c) Hypothecation
	d) Assignment
011	
	is a transfer of an existing or future debt, right or property belonging to a person in
	favour of another person.
	a) Mortgage b) Pladge
	b) Pledge
	c) Hypothecation
	d) Assignment
822.	is a statutory right of a creditor to adjust, wholly or partly, the debit balance in the
	debtor's account against any credit balance lying in another account of the debtor.
	a) Adjustment

b) Agreement
c) Set-offd) Deduction
d) Deduction
823 is creation of legal charge with consent of the owner, which gives lender a legal right to
seize and dispose /liquidate the asset under lease.
a) Set-off
b) Lien
c) Disposal
d) Release
824. An advance will be classified as NPA, if
a) It ceases to generate income for a bank
b) Interest and/or installment of principal in respect of such an advance have been remain overdue or out of
order for a specified period of time (exceeding 90 days as on balance sheet date)
c) (a) or (b)
d) None of these
825. An account should be treated as 'Out-of-Order' if
a) Outstanding balance remains continuously in excess of the sanctioned limit/drawing power
b) There are no credits continuously for 90 days as on the balance sheet date or the credits are not enough to
cover the interest debited during the same period
c) (a) or (b)
d) None of these
826. Where it appears that an account has inherent weakness and few credits near balance sheet tries to
make it regular, the account should be classified as
a) Standard Asset
b) Non-Performing Asset
c) Loss Asset
d) None of these
927 Which of the following statement is incompact went alogaification of always as NDA
827. Which of the following statement is incorrect w.r.t classification of advance as NPAa) All the facilities granted by bank to borrower will have to be treated as NPA and not the particular facility
or part thereof.
b) In case of consortium advance, asset classification should be based on the record of recovery of individual
member of banks.
c) In case of advance with moratorium period for payment of interest, payment of interest becomes due only
after the expiry of moratorium period, therefore such interests do not become overdue and hence do not
become NPA with reference to date of debit of interest.
d) The credit facilities backed by State Government though overdue, will be classified as NPA only when the
State Government repudiates its guarantee when invoked.
828. The credit facilities backed bythough overdue, will be classified as NPA only when the
repudiates its guarantee when invoked
a) Central Government

- b) State Government
- c) RBI
- d) Any Guarantor
- 829. Loan granted for short duration crop shall be classified as NPA if interest and/or instalments of principal is overdue for
 - a) One crop season
 - b) Two crop season
 - c) Exceeding 90 days
 - d) Exceeding 120 days
- 830. Loan granted for long duration crop shall be classified as NPA if interest and/or instalments of principal is overdue for
 - a) One crop season
 - **b**) Two crop season
 - c) Exceeding 90 days
 - d) Exceeding 120 days
- 831. Credit card account shall be classified as NPA, if ______ amount due, as mentioned in the credit card statement is not paid fully within _____ days from next statement date
 - **a)** Total, 90
 - **b)** Minimum, 30
 - c) Minimum, 90
 - d) None of these
- 832. Which of the following is not exception to norms for classification of assets as NPA
 - a) Temporary Deficiencies
 - b) Natural Calamities w.r.t. short term agricultural advance
 - c) Advances against Term Deposits, NSC, KVP, IVP
 - d) Facilities Backed by State Government
- 833. Banks should recognize income from NPA
 - a) On cash basis
 - b) On accrual basis
 - c) As the policy of the Bank
 - d) Substandard assets on accrual basis, and other NPAs on cash basis.
- 834. Interest income from advances though overdue but not classifies as NPA as secured against Term Deposits, NSC, KVP, IVP may be recognize
 - a) On cash basis
 - **b**) On accrual basis
 - c) Substandard assets on accrual basis, and other NPAs on cash basis.
 - d) On Secured portion accrual basis and on secured portion on cash basis.
- 835. Interest income from advances though overdue but not classifies as NPA as secured against guarantee of the Central Government, recognized as

- a) On cash basis
- **b**) On accrual basis
- c) Substandard assets on accrual basis, and other NPAs on cash basis
- d) On Secured portion accrual basis and on secured portion on cash basis

836. The auditor can obtain sufficient appropriate audit evidence about advances by study and evaluation of the internal controls relating to advances, and by:

- a) Examining loan documents
- b) Examining the existence, enforceability and valuation of the security
- c) Checking compliance with RBI norms including classification and provisioning
- d) All of the above

837. If a loan/advance is treated as NPA for the first time, interest accrued which had not been realized but credited to the income account should be reversed by transfer to a separate account called ______

- a) Suspense Account
- b) Income Reversal Account
- c) Interest Suspense Account
- d) Account Suspense

838. In carrying out audit of advance, the auditor is primarily concerned with obtaining evidence about the following

- a) Amounts included in balance sheet in respect of advances are outstanding at the date of the balance sheet
- b) Advances represents amount due to bank
- c) There are no unrecorded advances
- **d**) All of the above

839. ______ basically refers to a business environment where the processes, operations, accounting and even decisions are carried by using computer system.

- a) Automated environment
- **b)** Computer environment
- c) IT environment
- d) None of these

840. Some of the key features of an automated environment are

- a) Enables faster business operations
- **b)** Better security and controls
- c) Provide latest information
- d) All of above

841. Which of the following is not IT related risk

- a) Unauthorized access to data
- b) Unauthorized changes to system of program
- c) Sampling Risk
- d) Lack of adequate segregation of duties

842. Types of Controls in an Automated Environment

- a) General IT Controls
- b) Application Controls
- c) IT Dependent Manual Controls
- **d**) All of above
- 843. ______ are policies and procedures that relates to many applications and support the effective functioning application controls
 - a) General IT Controls
 - **b**) IT Dependent Manual Controls
 - c) Both (a) and (b)
 - d) None of these
- 844. Which of the following the auditor should consider to obtain an understanding of the company's automated environment
 - a) Information system being used
 - b) Key Persons
 - c) Outsourced activities
 - d) All of the above
- 845. General IT Controls that maintain integrity of information and security of data commonly include controls over following
 - a) Inputs
 - b) Access Security
 - c) Processing
 - d) Output
- 846. Which of the following is not method for testing of controls in automated environment
 - a) Inspect the configuration defined in an application
 - b) Inspect technical manual/user manual of system and application
 - c) Analytical Review
 - d) Observe how a user processes transactions under different scenarios.
- 847. Which of the following is an automated control?
 - a) Program change
 - **b)** System generated report
 - c) Application control
 - d) Configuration
- 848. General IT control that ensure backups, performance monitoring, recovery from failures commonly include controls over
 - a) Program Change
 - b) Access Security
 - c) Data Center and Network Operations
 - d) Application System acquisition, development and maintenance

849. The	objective of	of which	of the	following	is to	ensure	that	modified	system	continue	to mee	et financia
repo	rting objec	tives										

- a) Data Center and Network Operation
- b) Program Change
- c) Access Security
- d) Application system, acquisition, development and maintenance

850. The objective of which of the following is to ensure that access to programs and data is authenticated and authorized to meet financial reporting objectives

- a) Data Center and Network Operations
- b) Program Change
- c) Access Security
- d) Application system, acquisition, development and maintenance

851. The objectives of which of the following is to ensure that system are developed, configured and implemented to meet financial reporting objectives

- a) Data Center and Network Operations
- b) Program Change
- c) Access Security
- **d**) Application system, acquisition, development and maintenance.

852. The combination of processes, tools and techniques that are used to tap vast amounts of electronic data to obtain meaningful information is called_____

- a) Data Analytics
- b) Data base
- c) Information system
- d) None of these

853. Edit checks and validation of input data, sequence number checks, user limit checks, reasonableness checks, mandatory data fields, these are examples of

- a) General IT Control
- b) Manual Application Controls
- c) Automated Application Controls
- d) None of these

854. IT dependent controls are basically_____

- a) Manual Control
- b) Automated Control
- c) Both (a) and (b)
- d) None of these

855. Which of the following is General IT control?

- a) IT Environment
- **b**) Application Control
- c) Access Security
- d) IT Department Control

856	can be used in testing of electronic records and data residing in IT systems using
	spreadsheets and specialized audit tools to perform fraud investigation analysis of journal entries as
	required by SA 240 and selection of audit sample.

- a) Data base
- **b**) Data analytics
- c) Information system
- d) None of these
