	The auditor should also validate the requirement of preparation of CFS for the company as per applicable FRF.
(ii)	<b><u>Planning the audit of CFS:</u></b>
	Before commencing an audit of CFS, the auditor should plan his work to enable him to conduct an effective audit in an efficient and timely manner.
	The auditor should make plans, among other things, for the following:
(a)	Understanding of group structure & group-wide controls including assessment of Information Technology (IT) system and related general and applications IT related controls (manual & automated) for consolidation process;
(b)	understanding of accounting policies of the parent and its components as well as of the consolidation process including the process of translation of F.S. of foreign components;
(c)	determining and programming the NTE of the audit procedures to be performed based on the assessment of the risk of material misstatement in the consolidation process;
(d)	determining the extent of use of other auditor's work in the audit; and
(e)	coordinating the work to be performed.

	<b>(iii) <u>Auditor's Procedures in Auditing the Consolidated F.S.:</u></b>
	(a) Obtain a list of subsidiaries, associates & joint ventures included in CFS.
	(b) Review the information provided by the parent identifying the subsidiaries, associates and joint ventures (Components).
	(c) Verify that all the components have been included in the CFS.
	(d) To ensure completeness of information, perform the following procedures:
	- review working papers of prior years for the known components;
	- review the parent's procedures for identification of components;
	- review the investments;
	- review the joint venture and other relevant agreements entered into;
	- review the statutory' records maintained by the parent.
	(e) Identify the changes in the shareholding since the last audit.
	(f) Verify that the <b>adjustments</b> required by the relevant AS have been made wherever required and have been properly authorized by the management of the parent.
	<b>The preparation of CFS gives rise to Permanent Consolidation Adjustments and Current Period Consolidation Adjustments.</b>
	<b>(iv) <u>Current Period Consolidation Adjustments:</u></b>
	(a) <b>Meaning:</b> Those adjustments which are made in the accounting period for which Consolidated F.S. are prepared.
	(b) <b>Types of Adjustments:</b> These adjustments primarily relate to elimination of intra-group transactions and account balances including:
	(1) Intra-group interest paid and received or management fees, etc.;
	(2) Unrealised intra-group profits on assets acquired / transferred from/to other subsidiaries;
	(3) Intra-group indebtedness;
	(4) Adjustments relating to harmonising the different accounting policies being followed by the parent and its components;
	(5) Adjustments to the F.S. for recognized subsequent events or transactions that occur between the balance sheet date and the date of the auditor's report on the consolidated F.S. of the group.

	(6)	In case of a foreign component, adjustments to convert a component's audited F.S. prepared under the component's local GAAP to the GAAP under which the consolidated F.S. are prepared.
	(7)	Determination of movement in equity attributable to the minorities interest since the date of acquisition of the subsidiary.
	(8)	Adjustments of deferred tax on account of temporary differences arising out of elimination of profit and losses resulting from intra group transactions and undistributed profits of the component.
	(v)	<b><u>Permanent Consolidation Adjustments:</u></b>
	(a)	<b><u>Meaning:</u></b> Those adjustments that are made only on the first occasion or subsequent occasions in which there is a change in the shareholding of a particular entity which is consolidated.
	(b)	<b><u>Types of Adjustments:</u></b>
	(1)	Determination of Goodwill or Capital Reserve as per applicable AS.
	(2)	Determination of the amount of equity attributable to minority.
	(6)	<b><u>Reporting considerations:</u></b>
		<b><u>Situation I: Auditor of Parent Entity and components are same:</u></b>
	(i)	Ensure compliance of AS 21 or Ind AS 110, as applicable.
	(ii)	Express an opinion on true and fair view of Consolidated F.S.
	(iii)	If there exist any non-compliance of AS 21 or Ind AS 110, auditor is required to modify the opinion and make adequate disclosures in the audit report as per requirements of SA 705.
	(iv)	In this situation, requirements of SA - 600 will not apply.
		<b><u>Situation II: Auditor of Parent Company and Components are different:</u></b>
	(i)	Auditor is required to perform procedures as prescribed by SA 600.
	(ii)	SA 600 requires a para in the audit report as to "division of responsibility. This requirement is to be fulfilled through "other Matter Para" as per SA 706.

- (iii) OM Para included in the audit report cannot be considered as a qualification required in audit report as per SA 705.
- (iv) If auditor of consolidated F.S. concludes that work of another auditor cannot be relied upon, auditor need to modify report as per SA 705.

**Situation III: F.S. of Component are prepared on different FRF.**

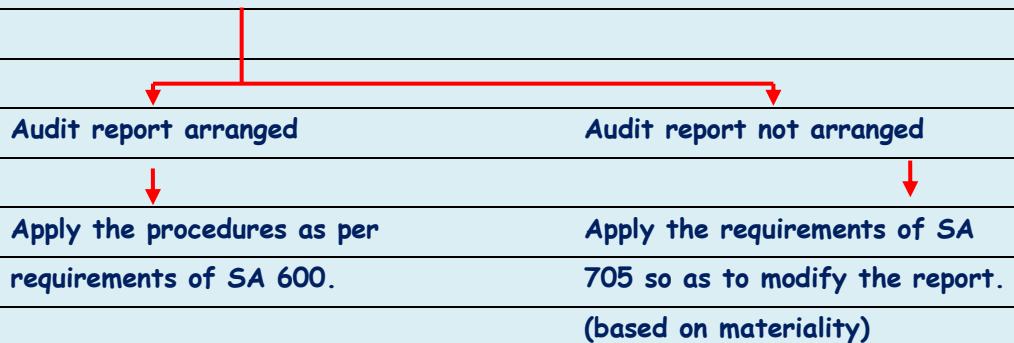

Auditor of parent entity should ask the management of parent entity to arrange a different set of financial statement of components based on FRF of parent Entity.

**Situation IV: Audit of F.S. of Component is on different GAAS:**

*(Generally Accepted Auditing Standards)*

Request the Parent Entity to arrange audit report of F.S. of component based on INDIAN GAAS

	<b><u>Situation V: Components not audited:</u></b>
	- Consider the effect of financial information of unaudited components on audit report over consolidated F.S.
	- Evaluate both quantitative and qualitative aspects of such unaudited financial information.
	- If considered appropriate, modify the opinion as per requirements of SA 705, as sufficient appropriate audit evidence as to financial information of component is not available.
<b>(8)</b>	<b><u>SA - 600 "Using the work of another auditor".</u></b>
	<b><u>(i) Definitions:</u></b>
	<b>(a) <u>Principal Auditor:</u></b> Auditor who expresses opinion on F.S. of an entity which includes financial information of a component audited by other auditor.
	<b>(PA)</b>
	<b>(b) <u>Other Auditor:</u></b> Auditor who expresses opinion on financial information of a component.
	<b>(OA)</b>
	<b>(c) <u>Component:</u></b> Branches, subsidiary company, associate company, Joint venture, departments, etc.
	<b><u>(ii) Procedures of Principal auditor (PA) while using work of other auditor:</u></b>
	- Evaluate the competency of other auditor, particularly when he is not a CA.
	- Perform the procedures to obtain sufficient appropriate audit evidences to determine the appropriateness of work of other auditor.
	Such procedures may include
