

# NATAL ALU X TABLES

TRIBÙ STUDIO

## DESCRIPTION

The Natal Alu X-tables in matt powdercoated aluminium combine functionality and subtle contemporary design. The fine lines of the cross-frame base and angled corner joints are eye-catching touches typical of Tribù's attention to detail. These multi-purpose coffee tables are available in white and wengé finishes and different heights and sizes.

## MATERIALS

Frame: aluminium; powdercoated with an ultra durable polyester powdercoating

## COLOURS

00-White

10-Linen

20-Clay

89-Wengé

## PROTECTION COVERS

For each item a cover is available that protects the furniture against dirt. These covers in grey colour are made of PU coated polyester which is water-repellent and UV-resistant. Thanks to their excellent breathable qualities the covers reduce condensation and heat build-up, helping to prevent the formation of mold and mildew. Nevertheless, they are not 100% waterproof. Always make sure that furniture, cushions and covers are completely dry before covering furniture.

## MAINTENANCE

Clean the aluminium frame with tap water and a PH neutral soap. For stubborn stains, use Aluminium Cleaner. We advise to use Teflon® Protector twice a year which applies an invisible film and protects the aluminium against the adhesion of dirt.
